power even after the conquest were instrumental in building and then rebuilding the city Mundy shows how the Nahua entered into mutually advantageous alliances with the Franciscans to maintain the city's sacred nodes She also focuses on the practical and symbolic role of the city's extraordinary waterworks the product of a massive ecological manipulation begun in the fifteenth century to reveal how the Nahua struggled to maintain control of water resources in early Mexico City

the practice of public diplomacy *American Lumberman* ,1926 **Tell** Frances Itani,2015-02-03 In the wake of the WWI the boys are finally coming home in this gravely beautiful sequel to the award winning international bestseller Deafening The New York Times In the small insular community of Deseronto Ontario two women welcome their husbands home from the Great War But their joy is mixed with trepidation as they struggle to rebuild their lives Tress s husband Kenan is young shell shocked and disfigured He confines himself indoors venturing outside only at night to visit the frozen bay where he skated as a boy Her aunt Maggie an aspiring singer has problems of her own Falling out of love with one man and drawn intimately close to another she and her husband Am are navigating an inevitable ever widening gulf in their marriage As the second decade of the twentieth century draws to a close the tenuous futures of two couples become increasingly entwined When startling revelations surface the secrets of the past are unburdened secrets that can either heal lives or tear them apart forever in this enthralling reminder of the toll the war and all wars take not only on the soldiers but on the families who keep faith on the home front The Toronto Star **No Islam but Islam** Farzana Moon,2015-01-12 This book weaves its way into the fabric of Islam torn into shreds by the birth of many sects The great twins Shia and Sunni Islam Ismaeli Islam Ahmadiyya Islam Wahhabi Islam and Taliban Islam to name a just few dab the fabric of Islam in patches of color to define each sect with the color of blood the largest patch This book rejects the common idea that the rise of terrorism in this new millennium means that Islam is retracing its steps toward older times It poses the challenge to Muslims that if they deigned to explore the purity of Islam exhibited during the life of Prophet Muhammad there would be no hatred bigotry or intolerance The curtains of ignorance would be ripped apart and rivers of malice and enmity would be replaced by the waters of Divine Grace in love compassion and understanding No Islam but Islam is written in response to a myriad of lies and distortions practiced by suicide bombers and extremists It shows that the present state of violence injustice and the oppression of women has nothing to do with Islam but rather with man made laws **Immigration Governance in East Asia** Gunter Schubert,Franziska Plümmer,Anastasiya Bayok,2020-11-29 This book analyzes immigration policies in East Asia in the context of contemporary global migration flows and mobility To assess how global norms of migration have impacted the East Asian migration region and explore regional migration trends the book contains 13 case studies which investigate the regulation of immigration in China Hong Kong Japan South Korea and Taiwan Three analytical strands namely norm diffusion identity politics and citizenship build the theoretical framework for the case studies which investigate how regional and national norms discourses and institutions affect local communities and migration patterns In particular the book analyzes contemporary issues such as immigration policy reforms practices of inclusion and exclusion in local communities and discourses on multiculturalism and risk The book utilizes a comparative perspective which enables readers to reflect on the role of national identity international organizations and law public security concerns and labour market demands in the articulation and implementation of contemporary immigration policy in East Asia This book substantially complements the
