Its Always Sunny And Philosophy Popular Culture And Philosophy:

It's Always Sunny and Philosophy Roger Hunt, Robert Arp, 2015-09-08 Philosophers wittily and expertly uncover amazing philosophical insights from the endlessly fascinating TV show It's Always Sunny in Philadelphia Littmann shows how the values of the gang are the same as those of Homeric heroes Ketcham argues that the Church should make Charlie a saint partly because It's Always Sunny is all about free will Hamer shows how closely the gang's activities comply with the scientific method Alkema and Barkman analyze the way the gang perceives happiness and how they try to get it Leonard proves beyond doubt that the game of Chardee MacDennis reveals everyone's unconscious desires King examines the morality of the gang's behavior by the standard of how they respond to extreme suffering Chambers agrees that each of the five central characters is a terrible person but argues that given their circumstances they are not truly to blame for their actions Tanswell demonstrates that many of the gang's wrong actions result not from immoral motives but from illogical thinking Aylesworth uses examples from It's Always Sunny to bring out some of the moral problems with real consent to sex Jones reveals that Nietzsche foresaw everything the gang at Paddy's Pub would do Adventure Time and Philosophy

Nicolas Michaud, 2015-04-14 Adventure Time and Philosophy is a monster beating wild ride of philosophical mayhem One of the deepest and most thoughtful television shows ever to assault human brain waves Adventure Time shows us what the world could be like challenging everything we know about life meaning heroism and even burritos and it's time to give the show some serious thought This book screws open our cranial lids mucks about in the mess that is our heads and attempts to come to some answers about the nature of reality Adventure Time and Philosophy is a chance to put down your broadsword put your exhausted monster slaying feet up and try to figure out why you spend your time rescuing people in distress and fighting for justice Who better than Finn and Jake to have as companions when taking on Plato Nietzsche and Baudrillard or encountering the Slime Princess the Ice King and Marceline the Vampire Queen Filled with chapters written by a colorful cast of characters Adventure Time and Philosophy enlightens us about the profound and life affirming spiritual subtext and dark comedic elements of an awesomely fantastic show **Homeland and Philosophy** Robert Arp, 2014-10-20 In Homeland

and Philosophy 23 philosophers tackle the issues that Showtime's award winning show Homeland asks us to consider The show which centers on Marine Sergeant Nicholas Brody's release from an al Qaeda prison and CIA Agent Carrie Mathison's distrust of his intentions asks questions of identity what it means to be a terrorist the conditions and effects of brainwashing lying for the greater good and whether or not courage is a virtue But these questions are only a few among many that are explored in the shadowy spy filled world of Homeland Through the lenses of Rawls Kant Arendt Foucault Heidegger Sartre and Kierkegaard among others Homeland and Philosophy considers the ethics of drone warfare whether or not Carrie Mathison's personality changes and psychological disorder make her an interesting character study in the metaphysics of personhood at what point is privacy only an illusion and concepts of torture punishment and discipline Nicholas Brody is a

Marine a terrorist a double agent a congressman a father a husband a lover and a friend but who is Nicholas Brody *The Ultimate Star Trek and Philosophy* Kevin S. Decker, Jason T. Eberl, 2016-01-27 Reunites the editors of Star Trek and Philosophy with Starfleet's finest experts for 31 new highly logical essays Features a complete examination of the Star Trek universe from the original series to the most recent films directed by J J Abrams Star Trek 2009 and Star Trek Into Darkness 2013 Introduces important concepts in philosophy through the vast array of provocative issues raised by the series such as the ethics of the Prime Directive Star Trek's philosophy of peace Data and Voyager's Doctor as persons moral relativism and the Federation's quest for liberation the effect of alternate universes on reality and identity the Borg as transhumanists Federation Treconomics Star Trek's secular society and much much more An enterprising and enlightening voyage into deep space that will appeal to hardcore fans and science fiction enthusiasts alike Publishing in time to celebrate the 50th Anniversary of the original TV series

Justified and Philosophy Rod Carveth, Robert Arp, 2014-12-22 The sharp shooting authors in Justified and Philosophy take aim at many of the same philosophical problems that the Justified TV series grapples with For instance is Tim Olyphant's character Deputy U S Marshal Raylan Givens morally justified in using his Wild Wild West style vigilante tactics to clean up Harlan County Kentucky After all the meth dealers thieves murderers and other low life scumbags all deserve what's coming to them right Not so fast Quick Draw McGraw What about the law What about a thorough and complete investigation of matters before dispensing so called justice What about the idea of the punishment fitting the crime Deputy Marshal Givens wears a white hat and fights the bad guys so he must be a good guy right His opponents are violent drug dealers white supremacists and thieves Givens carries a badge but when he shoots or kills people is it always justified What other choice does he have Would any other method be as effective in rural eastern Kentucky where criminal activity is one of the few viable options for making a living The coal mining culture of Harlan County Kentucky is an important backdrop to Justified and the issues surrounding the coal industry are addressed in some chapters Some of them include health problems like black lung the dissolution of communities the reduction in employment alternatives the destruction of the environment with mountain top removal and fracking and the increase in crime and poverty If Boyd Crowder robs the coal company responsible for exploiting his community is that justified The relationship between Boyd and Raylan dates back to a childhood friendship Then when they older they worked in the mines together One chapter explores the character and motivation of both men and argues that each follows a different moral compass Another chapter discusses the importance of family to the character of Mags Bennett and how that guides her actions and sense of duty Another topic of discussion is whether the end justifies the means when Boyd and his gang destroy a meth lab and end up killing one of the meth cooks Other chapters delve into a variety of fascinating philosophical themes that emerge in this modern day cowboy show

Orphan Black and Philosophy Richard Greene, Rachel Robison-Greene, 2016-09-06 In Orphan Black several apparently unconnected women discover that they are exact physical doubles that there are more of them out there that they

are all illegally produced clones and that someone is having them killed They find themselves in the midst of a secret and violent struggle between a fundamentalist religious group a fanatical cult of superhuman biological enhancement a clandestine department of the military and a giant biotech corporation Law enforcement is powerless and easily manipulated by these sinister forces The clones are forced to form their own Clone Club led by the resourceful Sarah Manning to defend themselves against their numerous enemies and to find out exactly where they came from and why Orphan Black continually raises philosophical issues as well as ethical and policy questions deserving philosophical analysis What makes a person a unique individual Why is it so important for us to know where we came from Should we have a say in whether a clone is made of us Is it immoral to generate clones with built in health problems or personality defects and if so does that mean that producers of clones must practice eugenic selection What light does the behavior of members of the Clone Club shed on the nature nurture debate Is it relevant that most are heterosexual one is a lesbian and one is a transgendered male This TV show shows us problems of biotechnology which will soon be vital everyday issues But what kind of a future faces us when human clones are commonplace Will groups of human clones have a tight bond of solidarity making them a threat to democracy If the world is going to be taken over by an evil conspiracy would it better be a scientific cult like Neolution or a religious cult like the Prolethians Should biotech corporations be able to own the copyright on human DNA sequences What rules of morality apply when you can't trust the police and powerful groups are ready to murder you

The Devil and Philosophy Robert Arp, 2014-07-21 In The Devil and Philosophy 34 philosophers explore questions about one of the most recognizable and influential characters villains of all time From Roman Polanski's The Ninth Gate to J.R.R. Tolkien's The Silmarillion to Bram Stoker's Dracula to Darth Vader to Al Pacino's iconic performance in The Devil's Advocate this book demonstrates that a little devil goes a long way From humorous appearances as in Kevin Smith's film Dogma and Chuck Palahniuk's novels Damned and its sequel Doomed to more villainous appearances such as Gabriel Byrne's cold outing as Satan in End of Days The Devil in Philosophy proves that the Devil comes in many forms Through the lenses of Jung Kant Kundera Balkan Plato Bradwardine Aristotle Hume Blackburn Descartes Lavey Thoreau and Aquinas The Devil and Philosophy take a philosophical look at one of time's greatest characters Are there any good arguments for the actual existence of the Devil Does demonic evil thrive in Gotham City Can humans really be accountable for all evil Which truths about the Devil are actual facts Is Milton correct in that the Devil believes he is doing good

The Princess Bride and Philosophy Richard Greene, Rachel Robison-Greene, 2015-11-14 The Princess Bride is the 1987 satirical adventure movie that had to wait for the Internet and DVDs to become the most quoted of all cult classics The Princess Bride and Philosophy is for all those who have wondered about the true meaning of Inconceivable why the name Roberts uniquely inspires fear and whether it's truly a miracle to

restore life to someone who is dead but not necessarily completely dead The Princess Bride is filled with people trying to persuade each other of various things and invites us to examine the best methods of persuasion It s filled with promises some kept and some broken and cries out for philosophical analysis of what makes a promise and why promises should be kept It s filled with beliefs which go beyond the evidence and philosophy can help us to decide when such beliefs can be justified It s filled with political violence both by and against the recognized government and therefore raises all the issues of political philosophy Westley Buttercup Prince Humperdinck Inigo Montoya the giant Fezzik and the Sicilian Vizzini keep on re appearing in these pages as examples of philosophical ideas Is it right for Montoya to kill the six fingered man even though there is no money in the revenge business What s the best way to deceive someone who knows you re trying to deceive him Are good manners a kind of moral virtue Could the actions of the masked man in black truly be inconceivable even though real What does ethics have to say about Miracle Max s pricing policy How many shades of meaning can be conveyed by As You Wish

nature of autonomy in the surreal heaven like afterlife of the Good Place Led by Kimberly S Engels co editor of Westworld and Philosophy Steve Jobs and Philosophy Shawn E. Klein, 2015-04-20 In Steve Jobs and Philosophy sixteen philosophers take a close look at the inspiring yet often baffling world of Steve Jobs What can we learn about business ethics from the example of Jobs What are the major virtues of a creative innovator How could Jobs successfully defy and challenge conventional business practices How did Jobs combine values and attitudes previously believed to be unmixable What does it really mean to think different Can entrepreneurs be made or are they just born If Jobs didn't make any major inventions just what was his contribution How is Jobs's life illuminated by Buddhism How does a counter culture transform mainstream culture What does Jobs teach us about the notions of simplicity and functionality in design How do Jobs's achievements alter the way we think about technology in relation to human life The chapters cover vital issues in ethics business aesthetics and technology They are followed by a fascinating appendix listing all the philosophers mentioned in the book along with explanations of their lives and key themes in their thoughts Steve Jobs and Philosophy is aimed at readers interested Jobs himself in entrepreneurship in technology culture and values **Orange Is the New Black and Philosophy** Richard Greene, Rachel Robison-Greene, 2015-08-17 This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from Orange Is the New Black mostly the addictive Netflix comedy drama but with some attention to the best selling real life book by Piper Kerman The show and the book that inspired it both dramatically highlight the troubling stressful situation of millions of incarcerated Americans How do the show's shower scenes shed light on the classical mind body problem How can we make our lives meaningful when our options are curtailed by authority What does it mean to manipulate someone and why is it bad What can we learn about the peculiarity of human beliefs from Pennsatucky's notion of the gay agenda Is Litchfield Prison a preparation for life outside or just a scale model of life outside What could the governors of Litchfield learn from Jeremy Bentham and his panopticon How is it that even in prison we find ourselves condemned to be free Why is one of the worst things about prison being forced to see who and what we really are It so happens that life in prison is absolutely full and overfull of philosophical implications Orange Is the New Black and Philosophy stays close to the characters and scenes of the TV show applying insights from ethics existentialism metaphysics epistemology and political philosophy The book is aimed at thoughtful fans of this amazingly fine TV show who want to learn more about its disturbing issues More Doctor Who and Philosophy Courtland Lewis, Paula Smithka, 2015-10-15 More Doctor Who and Philosophy is a completely new collection of chapters additional to Doctor Who and Philosophy 2010 by the same editors Since that first Doctor Who and Philosophy much has happened in the Whoniverse a new and controversial regeneration of the Doctor multiple new companions a few creepy new enemies of both the Doctor and planet Earth And the show's fiftieth anniversary We've learned some astounding new things from the ever developing story that the Doctor's number one rule is to lie that he claims to have forgotten his role in the mass extermination of the Time Lords and the Daleks

that the Daleks do have a concept of divine beauty divine hatred of course and that Daleks may become insane didn't we assume they already were Oh and the cult of the Doctor keeps growing worldwide with more cultish fans in the US more and bigger Who conventions more viewers of all ages and more serious treatment by scholars from many disciplines New questions have been raised and new questioners have come along so there are plenty of new topics for philosophical scrutiny Is the impossible girl really impossible Is there anything wrong with an inter species lesbian relationship the kids weren't quite ready for that in 1963 but no one blinks an eye in 2015 Can it really be right for the Doctor to lie and to selectively forget We even have two authors who have figured out how to build a TARDIS instructions included Wait there's a catch no And then there's that old question that just won't go away why does the Doctor always regenerate as a male and is that ever going to change An added feature of this awesome new volume is that the editors have reached out to insiders of Who fandom people who run hugely successful Who conventions play in Who inspired bands and run wildly popular podcasts and websites to share their privileged insights into why the Doctor is so philosophically deep No more spoilers It's time for the truly thoughtful travelers in both time and space to rev up the TARDIS once more Allons y Alonzo Louis C.K. and Philosophy Mark Ralkowski, 2016-04-06 Charlie Rose has called Louis C K the philosopher king of comedy and many have detected philosophical profundity in Louis's comedy some of which has been watched tens of millions of times on YouTube and elsewhere Louis C K and Philosophy is designed to help Louis's fans connect the dots between his pronouncements and living philosophical themes Twenty five philosophers examine the wisdom of Louis C K from a variety of philosophical perspectives The chapters draw upon C K's standup comedy the show Louie and C K's other writings There is no attempt to fit Louis into one philosophical school instead the authors bring out the diverse aspects of the thought of Louis C K One writer looks at the different meanings of C K's statement You're gonna be dead way longer than you were alive Another explores how Louis knows when he's awake and when he's dreaming taking a few tips from Descartes One chapter shows the affinity of C K's sick of living this bullshit life with Kierkegaard's sickness unto death Another pursues Louis's thought that we may by our lack of moral concern live a really evil life without thinking about it C K's religion is apathetic agnostic conveyed in his thought experiment that God began work in 1982 *Downton Abbey and Philosophy* Adam Barkman, Robert Arp, 2015-10-19 In Downton Abbey and Philosophy twenty two professional thinkers uncover the deeper significance of this hugely popular TV saga Millions of viewers throughout the world have been enthralled by this enactment of a vanished world of decorum and propriety because it presents us with emotional and interpersonal problems that remain urgent for people in the twenty first century Why do we attach such importance to our memories and to particular places What do war and epidemics tell us about life in peacetime and in good health Is it healthy or harmful for people to feel that they know their place What does Downton Abbey teach us about the changes in women's roles since 1912 Do good manners always agree with good morals How can everybody know what no one will talk about What's the justification for a class of people who

pride themselves on not having a job Should we sometimes just accept the reality of social barriers to love and abandon the pursuit What happens when community reinforces oppression All of these and many other issues are discussed through a detailed examination of the actual characters and situations in Downton Abbey
