Congressional Record Index, Volume 156, A-K, L-Z Congress, **Independence for Children** Matthew Clayton, 2025-02-01 Independence for Children presents an alternative conception of parenting to those that have dominated our thinking about children and the family to date It offers an elaboration and defence of anti perfectionist parenting The central argument of this book is that as they develop children become entitled to adopt and pursue their own conceptions of religion and human well being As young children they are entitled to an upbringing that is informed by ideals and reasons they can later accept in the light of the religious or ethical values they go on to hold as adults In short parents and others owe children an upbringing from which they are not alienated later in life Parental anti perfectionism suggests that parents should introduce their children to the various and sometimes competing views concerning our place in the universe and human flourishing and raise them to be respectful of the diversity of lifestyles within society But Matthew Clayton argues

that parents have no right to steer their children towards particular religious doctrines or conceptions of human flourishing and that religious schools ought to be phased out This book addresses several questions in the philosophy of upbringing such as how we ought to understand the interests of children the moral claims of parents and what constitutes a valuable family life Clayton finishes by briefly exploring the implications of anti perfectionist morality for how parents ought to approach issues concerning work consumption gender and food *Billboard* ,1986-04-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Videohound's Golden Movie Retriever** Jim Craddock,2006 Describes and rates more than twenty thousand videos and provides indexes by theme awards actors actresses and directors *Harness Horse* ,1984 **Science** John Michels (Journalist),2004 A weekly record of scientific progress *The Martindale-Hubbell Law Directory* ,2001 **Forbes** ,1990 **Profiles of Outstanding Young Americans** ,1982 **Ethics in Psychology and the Mental Health Professions** Gerald P.
