A Time of Perverts: Burn-out, the Epidemic of the Century Paul-Antoine Martin,2025-02-11 Burn out affects hundreds of thousands of employees in France and is spreading like an epidemic in the 21st century One of the primary factors cited by specialists is increasingly brutal and manipulative managerial practices 60% of employees feel that their manager is a source of stress for them With the force of analysis and vivid style that made his previous book Clan des seigneurs such a success Paul Antoine Martin bears witness with startling realism to the terrible collapse represented by burn out its causes and its impact on the lives of those it strikes He describes the uncommonly

violent management methods and harassment to which he was subjected for many months More broadly he denounces the totalitarian drifts underway in the world of work as well as the general hypocrisy that reigns there noting that society promotes leaders who are brutal perverse and affectless Finally the author tells how thanks to his wife's love he gradually got back on his feet free and stronger despite the suffering after effects and relentlessness of his ex employer His testimony is a powerful message of hope fighting spirit and dignity for the countless victims of burn out Paul Antoine Martin 57 an engineer by training CentraleSup lec has always worked in an industrial environment from Anglo Saxon multinationals to French public institutions He has held senior executive positions rubbing shoulders with captains of industry politicians and senior civil servants Patrick L geron is a psychiatrist burn out specialist and co author of the Acad mie de m decine report on burn out He is the author of several books on the subject
