mission to support their child no matter what From the earliest stages of deciphering Ryland through clothing choices to examining the difficult conversations that have marked every stage of Ryland s transition Hillary Whittington shares her experiences as a mother through it all demonstrating both the resistance and support that their family has encountered as they try to erase the stigma surrounding the word transgender In telling her family s story she hopes she can assist the world in accepting that even children as young as five can have profound and impactful things to say and share What emerges is a powerful story of unconditional love accepting others for who they are and doing what s right regardless of whether those around you understand it

**What Has Been Will Be Again** Russell Nickel, 2019-01-23 The strongest warning Jesus gives to the church deals with the issue of deception It should be no surprise Satan s primary goal includes planting seeds of doubt in the minds of people concerning the truth of God s word When a person rejects the spiritual truths recorded in the Bible the end result always leads to deception having eternal consequences In Ecclesiastes Solomon warns all people willing to listen civilizations have historically struggled with the same types of sins and people tend to repeat mistakes in life over and over again Solomon brings up the truth history repeats itself Any nation forgetting the mistakes of their past is doomed to repeat them and fall from within A key spiritual truth Solomon stresses most people fail to recognize is the cataclysmic events recorded in the Old Testament such as the Flood the Exodus and the destruction of Sodom were literal events meant as prophetic pictures of cataclysms repeating themselves again According to Solomon these events recorded in the Old Testament should not be taken as mere allegorical stories These stories should be viewed as literal historical events intended as prophetic warnings of future worldwide catastrophes coming upon the earth A detailed description of these events is laid out as a warning for all people in Revelation Jesus warns many people have eyes that cannot see and ears that are unable to hear This book will give the reader biblically backed responses pertaining to these Old Testament events explaining how they are prophetic pictures of future events being repeated on earth We truly serve a God who loves people so much He goes to great lengths warning all people of the eternal consequences of rejecting the love and grace God freely offers Most people even in the church will be shocked when they finally understand the information the Bible is really trying to tell them The thing that hath been it is that which shall be and that which is done is that which shall be done and there is no new thing under the sun Ecclesiastes 1 9 KJV
