Its Never Crowded Along The Extra Mile:

The Virtues of Endurance Nathan L. King, 2025-03-19 The virtues of endurance perseverance patience resilience and constancy are central to success in any goal oriented challenging activity that a person undertakes Gaining a rich understanding of these virtues requires insights from multiple areas of study but most treatments of the virtues of endurance to date have remained within narrow disciplinary boundaries No longer In this volume philosophers psychologists legal scholars educational theorists medical practitioners military theorists and theologians have labored together to advance our understanding of endurance Written with scholars in mind this volume is nevertheless accessible to students and general readers This volume is divided into two sections Explorations and Applications The first section considers the nature of a given virtue while the second section showcases the relevance of endurance to important areas of our lives Taken as a whole this volume provides a comprehensive overview of this ever important virtue offering both a theoretical and practical roadmap to working through challenging activities

Dyer,2006-02-28 The 1 New York Times best selling author of The Power of Intention What I m offering in this book is the awareness that we can return to a full time position of inspiration which is the true meaning of our life Dr Wayne W Dyer In this groundbreaking book Dr Wayne W Dyer explains how we ve chosen to enter this world of particles and form From our place of origin in ways that we don t readily comprehend now we knew what we were coming here to accomplish and we participated in setting this life process in motion So why not think along these same lines Why put the responsibility or blame on any one or any thing that s not a part of us On Earth we have the capacity of volition we can choose so let s assume that we had the same capacity when we resided in the spiritual realm We chose our physical body and we chose the parents we needed for the trip It doesn t seem too great a stretch to move into the idea that we chose this life in concert with our Source Inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing seemingly independent of our desires Inspiration is for everyone It isn t reserved for high profile creative geniuses in the arts and

sciences it's inherent in our Divine birthright The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished As you read each chapter in this book you'll find specific suggestions for living in Spirit From a very personal viewpoint Wayne offers a blueprint through the world of inspiration your ultimate calling **17 Hours to More Clarity, Courage, and Confidence** Bradley
