Jack and the Beanstalk Jaz Kiddies Books, Flora Annie Steel, 2020-08-09 This is the original fairy tale version of Jack and the Beanstalk Story Jack a poor country boy trades the family cow for a handful of magic beans which grow into an enormous beanstalk reaching up into the clouds Jack climbs the beanstalk and finds himself in the castle of an unfriendly giant

Tales of magic, tales in print Willem De Blecourt, 2021-06-15 Since the beginning of the nineteenth century folklorists and the general public in their wake have assumed the orality of fairy tales Only lately have more and more specialists been arguing in favour of at least an interdependence between oral and printed distribution of stories This book takes an extreme position in that debate as far as Tales of magic is concerned the initial transmission proceeded exclusively through prints From a historical perspective this is the only viable approach the opposite assumption of a vast unrecorded and thus inaccessible reservoir of oral stories presents a horror vacui Only in the course of the nineteenth century when folklorists started collecting in the field and asked their informants for fairy tales was this particular genre incorporated into a then feeble oral tradition Even then story tellers regularly reverted to printed texts Every recorded fairy tale can be shown to be dependent on previous publications or to be a new composition constructed on the basis of fragments of stories already in existence Tales of magic tales in print traces the textual history of a number of fairy tale clusters linking the findings of literary historians on the sixteenth to eighteenth centuries to the material collected by nineteenth and twentieth century field workers While it places fairy tales as a genre firmly in a European context it also follows particular stories in their dispersion over the rest of the world Tales, Then and Now Anna E. Altmann, Gail de Vos, 2001-10-15 Altmann and de Vos are back

with more great ideas for exploring contemporary reworkings of classic folk and fairy tales that appeal to teen readers If you loved New Tales for Old Libraries Unlimited 1999 this new work will be sure to please Following the same format each story includes tale type numbers motifs and lists of reworkings arranged by genre and suggestions for classroom extensions **INSIDE Beauty and the Beast Jack and the Beanstalk Tam Lin Thomas the Rhymer and five fairy tales by Hans Christian Andersen** *The Watkins Book of English Folktales* Neil Philip, 2022-10-11 This is a golden treasury of over one hundred English folktales captured in the form they were first collected in past centuries Read these classic tales as they would have been told when storytelling was a living art when the audience believed in boggarts and hobgoblins local witches and will o the wisps ghosts and giants cunning foxes and royal frogs Find Jack the Giantkiller Tom Tit Tot and other quintessentially English favourites alongside interesting borrowings such as an English version of the Grimms Little Snow White as well as bedtime frighteners including Captain Murderer as told to Charles Dickens by his childhood nurse Neil Philip has provided a full introduction and source notes on each story that illustrate each tale s journey from mouth to page and what has happened to them on the way These tales rank among the finest English short stories of all time in their richness of metaphor and plot and their great verbal dash and daring **The Oxford Companion to Children's Literature** Daniel Hahn, Michael
