Jacob's Ladder Sergius Bulgakov, 2010-11-16 Few of Sergius Bulgakov's professional writings achieve the lyrical heights of Jacob's Ladder In it he discusses the doctrine of angels and their importance for contemporary humanity He includes reflections on the meaning of love the sexes death and the Christian hope of resurrection meditating on the Wisdom of God in the creation This work completes the word picture of divinized and Sophianic creation begun in The Burning Bush and The Friend of the Bridegroom which together constitute what scholars call Bulgakov's major or first trilogy **Jacob's Ladder** Sergii Bulgakov, 2014 Few of the great Russian author Sergius Bulgakov's writings achieve the lyrical heights of Jacob's Ladder In this book originally published in 1929 Bulgakov explores the doctrine of angels and their importance for contemporary humanity He frames his work with meditations on the meaning of love not as a sentimental indulgence but as a way of understanding the deep tender self sacrificing personal knowledge that is both at the heart of a Trinitarian God and in the midst of relationships between human beings and their guardian angels These discussions on the creation function nature appearances and incorporeality of angels lead also to reflections on the incarnation and human nature especially the role of the sexes death and the Christian hope of resurrection Jacob's Ladder completes the development of Divine Sophia on the Wisdom of God in creation begun in The Burning Bush and The Friend of the Bridegroom which together constitute Bulgakov's first dogmatic trilogy **Ascending Jacob's Ladder** Ronald H. Like Angels on Jacob's Ladder Harvey J. Hames, 2012-02-01 This book explores the career of Abraham Abulafia ca 1240-1291 self proclaimed Messiah and founder of the school of ecstatic Kabbalah Active in southern Italy and Sicily where Franciscans had adopted the apocalyptic teachings of Joachim of Fiore Abulafia believed the end of days was approaching and saw himself as chosen by God to reveal the Divine truth He appropriated Joachite ideas fusing them with his own revelations to create an apocalyptic and messianic scenario that he was certain would attract his Jewish contemporaries and hoped would also convince Christians From his focus on the centrality of the Tetragrammaton the four letter ineffable Divine

name to the date of the expected redemption in 1290 and the coming together of Jews and Gentiles in the inclusiveness of the new age Abulafia's engagement with the apocalyptic teachings of some of his Franciscan contemporaries enriched his own worldview Though his messianic claims were a result of his revelatory experiences and hermeneutical reading of the Torah they were to no small extent dependent on his historical circumstances and acculturation **Tarshish** Bruce

Enochim and take them on a journey to The Crystal Sea and beyond to The Third Dimension On their road to discovery the twins would meet other Enochim and beings not of our world many who were to help them but others who were out to do them harm The road they were now travelling would teach them many new and old truths and would lead them to witness the greatest battle the universe and history had ever seen But as well as these universal truths Jamie and Anna would also discover the truth about their dead grandfather and the wolf he had to battle The story of Jamie and Anna is the story of The Enochim and even now The half has not yet been told

Denise Levertov Audrey T. Rodgers,1993 Through careful analysis of Levertov's social verse she demonstrates that there is a consistency and pattern in what the artist herself has termed the poems of engagement Denise Levertov began her career in England as a lyric poet in the Romantic mode but even then was touched by the reductive nature of war revealed in her first published poem *Listening to Distant Guns* During the mid 1960s Levertov's social conscience notably her strong antiwar sentiment was reawakened by the Vietnam War This reawakening resulted in several volumes of poetry that mirrored her concerns with the war and political activism at home and her perplexity at the nature of human beings often great and compassionate but at times cruel and insensitive There exists a common thread in Levertov's pilgrimage from her beginning as a lyric poet to her status as an artist definitively in the world she has always responded to everything within the compass of her experience

The House of Gladness Emma Sarah Allen,1915 *The Combination to God's Vault* Rev. Tim Oldham,2014-07-31 The teaching of the church for the last fifty years concerning the finances of the Christian has been one of contradiction to the Word of God People have watched and followed the big name Christians in their fall This is all a result of Christians not being grounded and rooted in the Word of God They follow people the teachings of men and don't take time to study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth 2 Timothy 2:15 As a child of God we are to prosper in three areas spiritually physically and financially Being poor is not a sign of humbleness It is a sign of disobedience to the Lord We are the children of the Most High God and we are to have all the inheritance that Jesus went to the cross to give us This was an act of divine love and its time Christians stand up and claim what the enemy has stolen from God's people
