Tomlinson,1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the

field including a discussion on the rationale of sharing international books with children a brief history of the children's literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0-14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United States

The Parent Project James Vopat, 1994 Involving parents in their children's schooling is a matter of intense concern in North America Teachers and administrators want to construct a program that creates positive involvement This is especially critical for Chapter I schools that are mandated to use a portion of their funds for home and school programs Jim Vopat believes that parental involvement should strengthen the link between home and school and to achieve this goal parents need to be introduced to the revitalized school classroom The Parent Project calls on the most powerful aspects of school reform workshops journals cooperative groups shared reading agenda building interviewing goal setting and critical thinking classroom learning strategies experienced by children every day When parents work with these strategies they understand them and discover how to support them Using a workshop process model parents become involved with their children's classroom activities and are thus empowered to support their children's education These workshops ensure participant ownership of a program's overall agenda while providing long-term structures for support and continued development The Parent Project Provides a framework for implementing ways to get parents involved and informed Was developed in urban bilingual school settings and includes workshop formats in Spanish and English Is a complete source book for teachers and principals that provides materials for conducting workshops with parents in areas of writing reading self-esteem and community building Supports your efforts with a detailed description of what the workshop approach is and how it functions
