House of Darkness House of Light Andrea Perron, 2014-08-11 The Perron family purchased the Arnold Estate located just beyond the village of Harrisville Rhode Island in 1970 They soon found out that the house was a portal to the past and a passage to the future **House of Darkness House of Light** Andrea Perron, 2013-03-07 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a séance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead

1919: A Time of Harvest George Charles Crocker, 2021-04-21 1919 A Time of Harvest is the story of the friendship between David an orphaned young man and Ben an older man who volunteered as an ambulance driver in France during World War I Meeting on the railroad in the Midwest their journey in life starts as they learn of their strengths and weaknesses the good and bad of human nature while intertwined with the people that they meet along the way Helping one another during a challenging time in US history they are given the opportunity to feel and experience life way beyond their circumstances      The Ink of Melancholy André Bleikasten, 1990-06-22 The period from the late 1920s to the early 1940s was in Faulkner s career one of prodigious fertility and the creative outburst on which it opens from The Sound and the Fury 1929 through As I Lay Dying 1930 and Sanctuary 1931 to Light in August 1932 touches indeed on the miraculous It is the four children of this miracle that Andr Bleikasten re examines and re evaluates in his substantial new book on Faulkner But

rather than approach Faulkner's fiction from a priori theoretical assumptions and process it through some prefabricated grid he has concentrated on the text themselves on the motivations and circumstances of their composition on the rich array of their themes structures textures on their various narrative protocols and the endless interplay of their tropes and codes on their points of emphasis and repetition as well as their rifts and gaps Brilliant in its thought and argument drawing eclectically on the resources of philosophy psychoanalysis anthropology and other disciplines and using modern critical theory without ever being arcane or trendy Bleikasten's book is a highly personal performance and one of the most insightful and stimulating studies that Faulkner has received      **Light of Logan** Regina Smeltzer, 2018-09-28 Crows are appearing in Logan South Carolina and no one knows why No one except an elderly blind man Mr Charlie and a timid young agnostic Ruth Cleveland When Nate Baxter falls in love with Ruth he's unaware she is hiding a secret that threatens his Christianity and will drive him far from her Will God use this unlikely trio to save the town from an evil never imagined by the residents of Logan      **Journal of Agricultural Research** ,1920
