Metamedia Alexander Starre, 2015-08-15 Does literature need the book With electronic texts and reading devices growing increasingly popular the codex is no longer the default format of fiction Yet as Alexander Starre shows in *Metamedia* American literature has rediscovered the book as an artistic medium after the first e book hype in the late 1990s By fusing narrative and design a number of bibliographic writers have created reflexive fictions metamedia that invite us to read printed formats in new ways Their work challenges ingrained theories and beliefs about literary communication and its connections to technology and materiality *Metamedia* explores the book as a medium that matters and introduces innovative critical concepts to better grasp its narrative significance Combining sustained textual analysis with impulses from the fields of book history media studies and systems theory Starre explains the aesthetics and the cultural work of complex material fictions such as Mark Z Danielewski's *House of Leaves* 2000 Chip Kidd's *The Cheese Monkeys* 2001 Salvador Plascencia's *The People of Paper* 2005 Reif Larsen's *The Selected Works of T S Spivet* 2009 and Jonathan Safran Foer's *Tree of Codes* 2010 He also broadens his analysis beyond the genre of the novel in an extensive account of the influential literary magazine *McSweeney's Quarterly Concern* and its founder Dave Eggers For this millennial generation of writers and publishers the computer was never a threat to print culture but a powerful tool to make better books In careful close readings Starre puts typefaces layouts and cover designs on the map of literary criticism At the same time the book steers clear of bibliophile nostalgia and technological euphoria as it follows writers designers and publishers in the process of shaping the surprising history of literary bookmaking after digitization

Bookishness Jessica Pressman, 2020-12-01 Twenty first century culture is obsessed with books In a time when many voices have joined to predict the death of print books continue to resurface in new and unexpected ways From the proliferation of shelfies to Jane Austen themed leggings and from decorative pillows printed with beloved book covers to bookwork sculptures exhibited in prestigious collections books are everywhere and are not just for reading Writers have caught up with this trend many contemporary novels depict books as central characters or fetishize paper and print

thematically and formally In *Bookishness* Jessica Pressman examines the new status of the book as object and symbol She explores the rise of bookishness as an identity and an aesthetic strategy that proliferates from store window display to experimental writing Ranging from literature to kitsch objects stop motion animation films to book design Pressman considers the multivalent meanings of books in contemporary culture Books can represent shelter from or a weapon against the dangers of the digital they can act as memorials and express a sense of loss Examining the works of writers such as Jonathan Safran Foer Jennifer Egan Mark Z Danielewski and Leanne Shapton Pressman illuminates the status of the book as a fetish object and its significance for understanding contemporary fakery Bringing together media studies book history and literary criticism *Bookishness* explains how books still give meaning to our lives in a digital age **Refresh the Book**

,2021-04-26 *Refresh the Book* contains reflections on the multimodal nature of the book focusing on its changing perception functions forms and potential in the digital age Offering an overview of key concepts and approaches such as literature technotexts and bookishness this volume of essays addresses the specificity of the printed book as a complex cultural phenomenon It discusses diverse forms of representation and expression both in literary and non literary texts as well as in artist s books Of special interest are those aspects of the book which resist remediation into the digital form Finally the volume contains an extensive section devoted to artistic practice as research discussing the book as the synthesis of the arts and site for performative aesthetic activity Christin Barbarino Katarzyna Bazarnik Christoph Blasi Sarah Bodman Zenon Fajfer Annette Gilbert Susanne Gramatzki Mareike Herbstreit Viola Hildebrand Schat Thomas Hvid Kromann Monika Jager Eva Linhart Bettina Lockemann Patrizia Meinert Bernhard Metz Sebastian Schmideler Monika Schmitz Emans Christoph Benjamin Schulz Uta Schneider Ulrike Stoltz Anne Thurmman Jakes Sakine Weikert Gabriele Wix Multimodality, Cognition, and Experimental Literature Alison Gibbons,2012-05-22 Since the turn of the millennium there has been an increase in the inclusion of typography graphics and illustration in fiction This book engages with visual and multimodal devices in twenty first century literature exploring canonical authors like Mark Z Danielewski and Jonathan Safran Foer alongside experimental fringe writers such as Steve Tomasula to uncover embodied textual aesthetics in the information age Bringing together multimodality and cognition in an innovative study of how readers engage with challenging literature this book makes a significant contribution to the debates surrounding multimodal design and multimodal reading Drawing on cognitive linguistics cognitive psychology neuroscience semiotics visual perception visual communication and multimodal analysis Gibbons provides a sophisticated set of critical tools for analysing the cognitive impact of multimodal literature

House of Leaves Mark Z. Danielewski,2000-03-07 THE MIND BENDING CULT CLASSIC ABOUT A HOUSE THAT S LARGER ON THE INSIDE THAN ON THE OUTSIDE A masterpiece of horror and an astonishingly immersive maze like reading experience that redefines the boundaries of a novel Simultaneously reads like a thriller and like a strange dreamlike excursion into the subconscious Michiko Kakutani The New York Times Thrillingly alive sublimely creepy distressingly scary

breathtakingly intelligent it renders most other fiction meaningless Bret Easton Ellis bestselling author of *American Psycho* This demonically brilliant book is impossible to ignore Jonathan Lethem award winning author of *Motherless Brooklyn* One of *The Atlantic's* Great American Novels of the Past 100 Years Years ago when *House of Leaves* was first being passed around it was nothing more than a badly bundled heap of paper parts of which would occasionally surface on the Internet No one could have anticipated the small but devoted following this terrifying story would soon command Starting with an odd assortment of marginalized youth musicians tattoo artists programmers strippers environmentalists and adrenaline junkies the book eventually made its way into the hands of older generations who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children Now made available in book form complete with the original colored words vertical footnotes and second and third appendices the story remains unchanged Similarly the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever The novel has gone on to inspire doctorate level courses and masters theses cultural phenomena like the online urban legend of the backrooms and incredible works of art in entirely unrealted mediums from music to video games Neither Pulitzer Prize winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home until the day their two little children wandered off and their voices eerily began to return another story of creature darkness of an ever growing abyss behind a closet door and of that unholy growl which soon enough would tear through their walls and consume all their dreams

Mixed Realism Timothy J. Welsh, 2016-12-15 *Mixed Realism* is about how we interact with media Timothy J Welsh shows how videogames like novels both promise and trouble experiences of immersion His innovative methodology offers a new understanding of the expanding role of virtuality in contemporary life Today's wired culture is a mixed reality conducted as exchanges between virtual and material contexts We make balance transfers at an ATM update Facebook timelines and squeeze in sessions of *Angry Birds* on the subway However the virtual is still frequently figured as imaginary as opposed to real The vision of 1990s writers of a future that would pit virtual reality against actual reality has never materialized yet it continues to haunt cultural criticism Our ongoing anxiety about immersive media now surrounds videogames especially shooter games and manifests as a fear that gamers might not know the difference between the virtual world and the real world As Welsh notes this is the paradox of real virtuality We understand that the media generated virtualities that fill our lives are not what they represent But what are they if they are not real Do they have presence significance or influence exceeding their material presence and the user processes that invoke them What relationships do they establish through and beyond our interactions with them *Mixed Realism* brims with fresh analyses of literary works such as Truman Capote's *In Cold Blood* and Mark Z Danielewski's *House of Leaves* along with sustained readings of controversial videogames such as *Super Columbine Massacre* and *Call of Duty Modern Warfare 2* Continually connecting the dots between surprising groupings of texts and thinkers from David Foster Wallace to the cult classic videogame *Eternal Darkness* and

from Cormac McCarthy to *Grand Theft Auto* it offers a fresh perspective on both digital games and contemporary literature

Symbolism 15 Rüdiger Ahrens, Klaus Stierstorfer, 2015-10-16 While paratexts among them headnotes footnotes or endnotes have never been absent from American literature the last two decades have seen an explosion of the phenomenon including mock scholarly footnotes to an extent that they seem to take over the text itself In this Special Focus we shall attempt to find the reasons for this astonishing development In our first diachronic section we shall explore such texts as might have fostered the present boom from fictions by Edgar Allan Poe to Vladimir Nabokov to Mark Z Danielewski The second synchronic section will concentrate on paratexts by David Foster Wallace perhaps the father of the post postmodern footnote as well as those to be found in novels by Bennett Sims Jennifer Egan and Junot Diaz among others It appears that while paratexts definitely point to a high degree of self reflexivity in the author they equally draw attention to the textual and authorial functions of the works in which they exist They can thus cause a reflection on the boundaries between genres like fiction faction and autobiography as well as serving to highlight a host of pedagogical and social concerns that exist in the interstices between fiction and reality *How to Read a Novelist* John Freeman, 2013-10-08 The novel is alive and well thank you very much For the last fifteen years whenever a novel was published John Freeman was there to greet it As a critic for more than two hundred newspapers worldwide the onetime president of the National Book Critics Circle and the former editor of *Granta* he has reviewed thousands of books and interviewed scores of writers In *How to Read a Novelist* which pulls together his very best profiles many of them new or completely rewritten for this volume of the very best novelists of our time he shares with us what he s learned From such international stars as Doris Lessing Haruki Murakami Salman Rushdie and Mo Yan to established American lions such as Don DeLillo Norman Mailer Toni Morrison Marilynne Robinson Philip Roth John Updike and David Foster Wallace to the new guard of Edwidge Danticat Dave Eggers Jonathan Franzen and more Freeman has talked to everyone What emerges is an instructive and illuminating definitive yet still idiosyncratic guide to a diverse and lively literary culture a vision of the novel as a varied yet vital contemporary form a portrait of the novelist as a unique and profound figure in our fragmenting global culture and a book that will be essential reading for every aspiring writer and engaged reader a perfect companion or gift for anyone who s ever curled up with a novel and wanted to know a bit more about the person who made it possible
