Houses Of Missouri 1870 1940 Suburban Domestic Architecture:

Houses of Missouri, 1870-1940 Cydney Millstein, Carol Grove, 2008 Offers a detailed tour behind the facades of 45 Missouri houses with nearly 300 archival photographs drawings and original floor plans Historic Residential Suburbs David L. Ames, Linda Flint McClelland, 2002 **A Field Guide to American Houses** Virginia Savage McAlester, 2015-07-29 The fully expanded updated and freshly designed second edition of the most comprehensive and widely acclaimed guide to domestic architecture in print since its original publication in 1984 and acknowledged everywhere as the unmatched essential guide to American houses This revised edition includes a section on neighborhoods expanded and completely new categories of house styles with photos and descriptions of each an appendix on Approaches to Construction in the 20th and 21st Centuries an expanded bibliography and 600 new photographs and line drawings **North Shore Long Island** Paul J. Mateyunas, 2007 Unsurpassed in the natural beauty of its rolling landscape and splendid harbours the scope and *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures* , 1991 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 *Subject Guide to Books in Print* , 1971 **Highland Park and River Oaks** Cheryl Caldwell Ferguson, 2014-08-30 Shows how the developers of Highland Park in Dallas and River Oaks in Houston were trying to create better living conditions in a countryside atmosphere away from the uncontrolled development that had blighted late 19th century and early 20th century urban neighborhoods in Texas Also explores why planned suburban and community growth failed at the city wide level and remained confined to elite suburbs Also looks at subdivisions in Fort Worth San Antonio Amarillo Wichita Falls Beaumont Galveston and Port Arthur to provide information on how city planners worked with landscape architects to incorporate infrastructure improvements coordinate landscape planning and employ such legal devices as restrictive covenants to shape elite space coherently The work of Texas foremost suburban house architects such as C D Hill William Ward Watkin and John F Staub is also analyzed **Comprehensive Dissertation Index** , 1989 **Tax Incentives for the Preservation of Historic Structures** United States. Subcommittee on Oversight, 1979 *AB Bookman's Weekly* , 1993 **Earline's Pink Party** Elizabeth Findley Shores, 2017-04-18 In Earline's Pink Party Elizabeth Findley Shores sifts through her family's scattered artifacts to understand her grandmother's life in relation to the troubled racial history of Tuscaloosa Alabama A compelling genre bending page turner Earline's Pink Party The Social Rituals and Domestic Relics of a Southern Woman analyzes the life of a small city matron in the Deep South A combination of biography material culture analysis social history and memoir this volume offers a new way of thinking about white racism through Shores's conclusion that Earline's earliest childhood experiences determined her worldview Set against a fully drawn background of geography and culture and studded with detailed investigations of social rituals such as women's parties and objects such as books handwritten recipes and fabric

scrap Earline's Pink Party tells the story of an ordinary woman the grandmother Shores never knew Looking for more than the details and drama of bourgeois Southern life however the author digs into generations of family history to understand how Earline viewed the racial terror that surrounded her during the Jim Crow years in this fairly typical southern town Shores seeks to narrow a gap in the scholarship of the American South which has tended to marginalize and stereotype well to do white women who lived after Emancipation Exploring her grandmother's home and its contents within the context of Tuscaloosa society and historical events Shores evaluates the belief that women like Earline consciously engaged in performative rituals in order to sustain the fantastical view of the white nobility and the contented black underclass With its engaging narrative illustrations and structure this fascinating book should interest scholars of memory class identity and regional history as well as sophisticated lay readers who enjoy Southern history foodways genealogy and material culture

emerging national attitudes linking domestic architecture with class and gender identity Company Suburbs complements scholarship on both industrial communities and early suburban growth increasing our understanding of the ways hierarchies associated with industrial capitalism have been built into the shared environments of urban areas as well as seemingly peripheral American towns
