How Are We Saved The Understanding Of Salvation In The Orthodox Tradition:

How Are We Saved? Metropolitan Kallistos Ware, 2025-05-27 An easy to read easy to understand presentation of the Orthodox way of salvation based on Scripture the early tradition of the ancient undivided Church and the Church Fathers In a day when there are so many concepts of salvation floating about it is refreshing to read a balanced view of the many splendored jewel of salvation as taught by the early Church Excellent for personal reading and study groups *Orthodox Christianity* Carl S. Tyne, 2003 The Orthodox Church is one of the three major branches of Christianity There are over 300 million adherents throughout the world The Orthodox Church is a fellowship of independent churches which split from the Roman Church over the question of papal supremacy in 1054 The Orthodox adherents include people in Greece Georgia Russia and Serbia There are an estimated one million members in the United States This Advanced book explains the basic principles of Orthodox Christianity and describes in detail the holidays observed by the Orthodox Church In addition relevant book literature is presented in bibliographic form with easy access provided by title subject and author indexes

Pentecostal Theology Wolfgang Vondey, 2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition *The Individual and Utopia* Clint Jones, Cameron Ellis, 2016-03-09 Central to the idea of a perfect society is the idea that communities must be strong and bound together with shared ideologies However while this may be true rarely are the individuals that comprise a community given primacy of place as central to a strong communal theory This volume moves away from the dominant current macro level theorising on the subject of identity and its relationship to and with globalising trends focusing instead on the individual's relationship with utopia so as to offer new interpretive approaches for engaging with and examining utopian individuality Interdisciplinary in scope and bringing together work from around the world *The Individual and Utopia* enquires after the nature of the utopian as citizen demonstrating the inherent value of making the individual central to utopian theorizing and highlighting the methodologies necessary for examining the utopian individual The various approaches employed reveal what it is to be an individual yoked by the idea of citizenship and challenge the ways that we have traditionally been taught to think of the individual as citizen

As such it will appeal to scholars with interests in social theory philosophy literature cultural studies architecture and feminist thought whose work intersects with political thought utopian theorizing or the study of humanity or human nature

Theosis in the Theology of Thomas Torrance Myk Habets, 2016-02-17 Torrance's vision of Theosis deification divinisation is explored through his doctrine of creation and anthropology his characterisation of the incarnation his accounts of reconciliation and union with Christ and his theology of church and sacraments Myk Habets study distinguishes Torrance's Reformed vision of theosis from other possible accounts of salvation as divinisation as they are found for instance within patristic thought and Eastern Orthodoxy This book presents the first critique of the theology of T F Torrance to focus on theosis and examines a model of theosis within the realm of reformed theology built upon Western theology Light from the Christian East James R. Payton Jr., 2009-12-14 James R Payton Jr introduces us to Eastern Orthodox history theology and practice For all readers interested in ancient ecumenical Christian theology and spirituality this book is especially open and sympathetic to what evangelicals can learn from orthodoxy **The Life of the Virgin**, 2012-05-29 Long overlooked by scholars this seventh century Life of the Virgin attributed to Maximus the Confessor is the earliest complete Marian biography Originally written in Greek and now surviving only in Old Georgian it is now translated for the first time into English It is a work that holds profound significance for understanding the history of late ancient and medieval Christianity providing a rich source for understanding the history of Christian piety This Life is especially remarkable for its representation of Mary's prominent involvement in her son's ministry and her leadership of the early Christian community In particular it reveals highly developed devotion to Mary's compassionate suffering at the Crucifixion anticipating by several centuries an influential medieval style of devotion known as affective piety whose origins generally have been confined to the Western High Middle Ages Decision Making in Social Sciences: Between Traditions and Innovations Daniel Flaut, Šárka Hošková-Mayerová, Cristina Ispas, Fabrizio Maturo, Cristina Flaut, 2019-11-28 This book explores several branches of the social sciences and their perspectives regarding their relations with decision making processes computer science education linguistics sociology and management The decision making process in social contexts is based on the analysis of sound alternatives using evaluative criteria Therefore this process is one that can be rational or irrational and can be based on knowledge and or beliefs A decision making process always produces a final decision which may or may not imply prompt action and increases the chances of choosing the best possible alternative The book is divided into four main parts The concepts covered in the first part on computer science explore how the rise of algorithms and the growth in computing power over the years can influence decision making processes In the second part some traditional and innovative ideas and methods used in education are presented compulsory schooling inclusive schools higher education etc In turn the third part focuses on linguistics aspects and examines how progress is manifested in language The fourth part on sociology explores how society can be influenced by social norms human interactions culture and religion Management regarded as a science of the decision

making process is explored in the last part of this book Selected organizations strategies objectives and resources are presented e g human resources financial resources and technological resources The book gathers and presents in a concise format a broad range of aspects regarding the decision making process in social contexts making it a valuable and unique resource for the scientific community

Global Dictionary of Theology William A. Dyrness, Veli-Matti Kärkkäinen, 2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today's global context
