**Educating for Eternity** Brett Salkeld, Ph.D.,2023-01-09 An authentic Catholic education does more than prepare workers for the job market or turn out model citizens It forms people who can change the world not in spite of their desire for God and their hope for heaven but because of it As a Catholic educator you have a monumental task but the good news is that you re not alone In *Educating for Eternity A Teacher s Companion for Making Every Class Catholic* Brett Salkeld Ph D explains the role of Catholic anthropology in education and accompanies Catholic teachers in integrating the Faith into all aspects of the curriculum From math and science to health and social studies every subject can and should be taught from a Catholic worldview And in doing so the true purpose of Catholic education is fulfilled For teachers this isn t one more thing to do in the classroom this is a new approach to everything you re already doing in the classroom No matter what class or age you teach *Educating for Eternity* presents a truly effective way to explain and model eternal truths to your students

**ABOUT THE AUTHOR** Brett Salkeld Ph D is archdiocesan theologian for the Archdiocese of Regina in Canada He earned his Ph D in systematic theology from Regis College at the Toronto School of Theology and has a bachelor s degree in education from the University of Regina where he studied to become a social studies and math teacher He has worked with graduate and undergraduate education students and with Catholic teachers in various professional development settings including an online course for ThinkCatholic He lives in Regina Saskatchewan with his wife Flannery and their seven children

*Sex and the Soul, Updated Edition* Donna Freitas,2015-02-27 First published in 2008 Donna Freitas s *Sex and the Soul* achieved national acclaim illuminating the as yet unexplored struggles of college students navigating the lines of faith and sexuality Conducting face to face interviews at a wide range of colleges and universities from public to private Catholic to evangelical Freitas discovers what students really think about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face This updated edition includes a new Afterword in which Freitas reflects on the hundreds of conversations she has had with college students since the book was first published and offers further practical advice for dealing with hookup culture

*Sex and the Soul* Donna Freitas,2008-04-11 Based on dozens of face to face interviews *Sex and the Soul* explores the sexual and spiritual lives of today s college students Donna Freitas crisscrossed the country visiting a range of America s colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic

schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas s research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what s happening on today s college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas s work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor **Sex Guides** Patty Campbell,2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture s ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality *New Catholic World* ,1972 *Pope-Pourri: What You Don't Remember From Catholic School* John Dollison,1994-10 How many Catholics know that a priest invented the fax machine or that monks were the first to make coffee champagne and pretzels How many know why St Elmo is portrayed in art with his intestines hanging out or why St Maximus is often shown commanding a bear to carry his luggage Probably none The Catholic Church is all too eager to tell us about the Ten Commandments the Resurrection and the glories of St Peter s Basilica but how often do you hear about items like Pope on a Rope soap or the Let Us Spray lawn sprinkler shaped like Pope John Paul II the sprinkler squirts water out of his outstretched arms as it spins It s all here in Pope Pourri an unprecedented collection of entertaining anecdotes trivia and intriguing information that the Catholic Church never told you about and in many cases doesn t want you to know about Such as the bizarre story of the Cadaver Synod when Pope Stephen VI dug up the rotting corpse of his predecessor Pope Formosus I dressed it in papal robes and put it on trial for aspiring to the papacy and other crimes Other unusual footnotes to Catholic history include the Cataphrygians an early separatist movement whose members prayed with their index and middle fingers inserted into their noses Pope Pourri celebrates the wealth of amusing trivia the Church has produced during its 2 000 year history from oddball saints to the Vatican s censorious movie reviews from strange Virgin Mary sightings to embarrassing secret scandals presented for the first time in one fascinating volume that practicing
