*Strengths Based Parenting* Mary Reckmeyer, Jennifer Robison, 2016-02-02 Strengths Based Parenting doesn't prescribe one right way to parent. Instead, author Mary Reckmeyer empowers parents to embrace their individual parenting style by discovering and developing their own and their children's talents and strengths. With real-life stories, practical advice backed by Gallup data, and access to the Clifton StrengthsFinder and Clifton Youth StrengthsExplorer assessments, Strengths Based Parenting builds the foundation for positive parenting. Strengths Based Parenting is grounded in decades of Gallup research on strengths psychology, including assessments of nearly 1 million young people and highlighted in Gallup's national bestseller StrengthsFinder 2.0. More than 14 million people have taken the Clifton StrengthsFinder assessment to discover their unique combination of talents and strengths. Gallup knows that focusing on talents and strengths can improve the quality of people's lives. Now, in Strengths Based Parenting, Gallup extends strengths psychology to the most important operating system in the world: the family. How can you discover your children's unique talents? And how can you use your own talents and strengths to be the most effective and supportive parent possible? Strengths Based Parenting addresses these and other questions on parents' minds. But unlike many parenting books, Strengths Based Parenting focuses on identifying and understanding what your children are naturally good at and where they thrive, not on their weaknesses. The book also helps you uncover your own innate talents and effectively apply them to your individual parenting style. Raising a child truly takes a village. Strengths Based Parenting can help parents learn how to partner with teachers, coaches, and other adults in their kids' lives to create a positive, supportive environment to develop their talents into strengths and instill confidence.

**Stressed Out!** Mary Anne Richey, James W. Forgan, 2021-09-23 Stressed Out: Solutions to Help Your Child Manage and Overcome Stress is an easy-to-read guide for parents to help their children understand stress, its effects on kids' day-to-day lives, and how to handle it. The book suggests stress management solutions that can be implemented by even the busiest parents and kids, focusing on a variety of common stressful situations that are grouped according to three categories: school, family, or environmental. Strategies include sample dialogues parents can use in conversation with their child and activities to help children gain insight and understanding into the nature of their stress, such as worksheets, role-play scenarios, or children's stories. Designed for maximum accessibility, parents and their children can immediately apply and reinforce the solutions. Inherent in each chapter is the underlying understanding that stress in children is very individual and solutions need to be individualized to fit the circumstances and personality of each child. 2018 NAGC Book of the Year Award Winner.
