Death Rights Deanna P. Koretsky, 2021-03-01 *Death Rights* presents an antiracist critique of British romanticism by deconstructing one of its organizing tropes the suicidal creative genius Putting texts by Olaudah Equiano Mary Shelley John Keats and others into critical conversation with African American literature black studies and feminist theory Deanna P Koretsky argues that romanticism is part and parcel of the legal and philosophical discourses underwriting liberal modernity's antiblack foundations Read in this context the trope of romantic suicide serves a distinct political function indexing the limits of liberal subjectivity and reinscribing the rights and freedoms promised by liberalism as the exclusive province of white men The first book-length study of suicide in British romanticism *Death Rights* also points to the enduring legacy of romantic ideals in the

academy and contemporary culture more broadly Koretsky challenges scholars working in historically Eurocentric fields to rethink their identification with epistemes rooted in antiblackness And through discussions of recent cultural touchstones such as Kurt Cobain s resurgence in hip hop and Victor LaValle s comic book sequel to *Frankenstein* Koretsky provides all readers with a trenchant analysis of how eighteenth century ideas about suicide continue to routinize antiblackness in the modern world This book is freely available in an open access edition thanks to the National Endowment for the Humanities Fellowships Open Book Program a limited competition designed to make outstanding humanities books available to a wide audience Learn more at the Fellowships Open Book Program website at <https://www.neh.gov/grants/odh/FOBP> and access the book online at the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/1712>

How to Make a Soul Eric G. Wilson, 2015-11-30 In this innovative hybrid of biography memoir and criticism Eric G Wilson describes how John Keats gave him solace during a bout of mental illness in spring 2012 While on a tour of the principal sites in Keats s life ranging from his London medical school to the small room in Rome where he died Wilson discovered analogies between the poet s troubles and his own He was most struck by Keats s enlivening vision of the soul For Keats we don t possess but rather make a soul We do this by imaginatively transforming our suffering into empathy toward humans and nature alike Tracking this idea in Keats s tumultuous yet exhilarating life and work Wilson struggles to envision his depression anew desperate to overcome the apathy alienating him from his family *How to Make a Soul* offers fresh perspectives on Keats s pragmatism irony comedy ethics and aesthetics but is above all a lyrical celebration of those galvanizing instances when life springs into art

Teaching Through the Ill Body Marla Morris, 2008-01-01 This book raises questions around pedagogy and illness Morris explores two large issues that run through the text What does the ill body teach What does the teacher do through the ill body The body has something to teach while teaching through the ill body This book is theoretically framed by connections between spirituality and aesthetics As the great spiritual traditions teach our responsibility as teachers is to help others especially those who are marginalized What is lacking in our educational discourse is a discussion of the responsibility we all have to help those who get sick and not marginalize them More specifically pedagogical and curricular questions are fleshed out through working in the area of curriculum studies depth psychology and the medical humanities These three disciplines have something in common autobiography But in the field of curriculum studies autobiographies pathographies of sickness are few and far between This book is meant to fill that gap in

the educational literature This pathography is a study that explores the mysteries of suffering storytelling memory and poesis Compassion woundedness vulnerability testimony and authenticity are all issues Morris raises here Teachers scholars depth psychologists and medical educators might be particularly interested in this intensely felt narrative about what it is like for teachers to teach while suffering from chronic illness *Keats's Negative Capability* Brian Rejack, Michael Theune, Nicholas Roe, 2019 Few critical terms coined by poets are more famous than negative capability Though Keats uses the mysterious term only once a consensus about its meaning has taken shape over the last two centuries Keats's Negative Capability New Origins and Afterlives offers alternative ways to approach and understand Keats's seductive term *The Life of John Middleton Murry* F.A. Lea, 2021-09-11 First Published in 1959 The Life of John Middleton Murry is the first biography of one of the most controversial figures in English letters Many people know Middleton Murry in one or other of his capacities as editor of the avant grade magazine Rhythm while he was still an undergraduate of The Athenaeum in its last most brilliant phase The Adelphi in the 1920s Peace News in the 40s as the foremost critique of his day as author of some forty books on literary religious and social questions as the husband of Katherine Mansfield and intimate of D H Lawrence as prophet politician or farmer Few even of his most vigorous champions or opponents discerned the consistent purpose uniting all his multifarious activities To trace that is the principal aim of this book Believing that the duty of the official biographer is rather to present than interpret the author makes no attempt to evaluate Murry's theories objectively confining himself to showing how intimately they grew out of his strange tragic and occasionally comic experience At the same time he makes no secret of his own view of Murry's significance both as a thinker and as the representative figure of an age of breakneck social transition The Life of John Middleton Murry will be of interest to scholars and researchers of historical biographies British history and literature **The ^AOxford Handbook of Psychology and Spirituality**, 2021-04-19 This updated edition of The Oxford Handbook of Psychology and Spirituality codifies the leading empirical evidence in the support and application of postmaterial psychological science Lisa J Miller has gathered together a group of ground breaking scholars to showcase their work of many decades that has come further to fruition in the past ten years with the collective momentum of a Spiritual Renaissance in Psychological Science With new and updated chapters from leading scholars in psychology medicine physics and biology the Handbook is an interdisciplinary reference for a rapidly emerging approach to contemporary science Highlighting fresh ideas and supporting science this overarching work provides both a foundation and a roadmap for what is truly a new ideological age *The Soul of Creativity* Tona Pearce Myers, 1999 An inspiring group of thinkers teachers and artists guides the reader to a personal definition of creativity Five chapters Brush with Inspiration The Creative Process The Dark Side The Healing Power and The Spiritual Practice each describe a separate stage along the journey **Signifying Pain** Judith Harris, 2012-02-01 A deeply personal yet universal work Signifying Pain applies the principles of therapeutic writing to such painful life experiences as mental illness suicide racism domestic abuse and even genocide Probing deep into

the bedrock of literary imagination Judith Harris traces the odyssey of a diverse group of writers John Keats Derek Walcott Jane Kenyon Michael S Harper Robert Lowell and Ai as well as student writers who have used their writing to work through and past such personal traumas Drawing on her own experience as a poet and teacher Harris shows how the process can be long and arduous but that when exercised within the spirit of one's own personal compassion the results can be limitless Signifying Pain will be of interest not only to teachers of creative and therapeutic writing but also to those with a critical interest in autobiographical or confessional writing more generally
