How Should Men Lead Their Families Cultivating Biblical Godliness:

How Should Men Lead Their Families? Joel R. Beeke, 2014-12-11 God's Word teaches us that Jesus Christ was ordained by God and anointed by the Spirit for His work as prophet priest and king of His children. Those who are in union with Him share His offices in a limited but important way. In this booklet Joel Beeke explains how husbands and fathers should lead their families as prophets, priests, and kings. Filled with biblical wisdom and practical application, *How Should Men Lead Their Families* is a helpful guide for men who desire to bear the image of the Father of glory and of the heavenly Husband as they lead, teach, love, evangelize, protect, and rule over their wives and children. Being God's Man in Leading a Family Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-07-07 More than ever families are desperate for spiritual leadership. And that starts with you, the husband and father. Are you equipped and ready to assume the role and responsibility God has for you? *Being God's Man in Leading a Family* will help you accept your calling and experience God's blessing as the spiritual leader to your wife and children. In this study for individual or group use, you'll discover the six keys to true spiritual leadership in the home: 1. Deciding: Taking ownership of your own spiritual journey. 2. Demonstrating: Modeling a relationship with God. 3. Displaying: God's love in your relationship with your wife. 4. Displaying: God's love in your interactions with your children. 5. Daily spiritual leadership through fostering spiritual connections in the home. 6. Daily spiritual leadership through serving. *Being God's Man in Leading a Family* is the Bible study that could revolutionize not only your life but also the lives of your wife and children and impact generations to come in the wisdom and strength of God. *The House That God Built* Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country, many would agree that family foundations are cracking and shifting out of place. This has resulted in untold devastation within the home and our other social systems; therefore, many households and lives have simply given way and collapsed under the weight of a host of societal pressures. Many believe that a generation of social experimentation along with our culture's fixation at redefining virtually every foundational institution, especially the first human institution, marriage, are responsible for placing the family and society on very shaky ground, indeed leaving a very dubious moral and economic legacy for successive generations. When cracks begin to appear upon the walls of a house, it may indicate a shifting or damaged foundation, which may indicate poor foundation work. As a result, builders typically reexamine the blueprints, the master plan, to determine the manner and materials with which the house and foundations were built in order to pinpoint and repair a weak or damaged foundation. It is the author's conviction that in many households within society, weak or faulty spiritual and moral foundations have been laid, resulting in the cultural cataclysm we witness throughout our land. In his book *The House that God Built: God's Master Plan for Marriage and His Blueprint for Blessing*, Book One of his *Strong Foundation for Strong Families* series, the author discusses the need for a *RE* Vision of marriage and the family, but not by redefining, replacing, or removing these honorable foundations and pillars which have supported societies from the beginning.

of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities The Christian Leader ,1925
