Christian and Goddess spiritualities has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS theology Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology theology alternative spiritualities New Religious Movements and emergent Christianities

Gendered Tal Dekel, 2014-08-11 Feminist art and theoretical aspects of feminism are linked via a unique and reciprocal bond whose influence extends far beyond their own bounds into the social cultural political and economic realms as well as into the personal lives of women and men alike This linkage was forged in different places around the world in the 1960s and 1970s It was especially influential in the United States during a decade which witnessed the emergence and growth of the Women's Liberation Civil Rights LGBT and hippie movements and the protest against the Vietnam War In response to these events large numbers of women artists joined the ranks of contemporary political feminist activists their art directly reflecting the concerns of feminist theory and practice This volume adopts an interdisciplinary approach through which it compares American feminist art and artists with their European counterparts In order to elucidate the geographical divide this book takes as a test case the work of Mary Kelly who while born in the USA produced much of her work while living in Britain and under the influence of European thought Challenging traditional disciplinary boundaries

it moves beyond an art history survey to discuss the artistic field in relation to feminist theory and politics revealing the continuing relevance of both areas for the contemporary reader While concentrating upon the second wave of feminism in Europe and the USA it also addresses aspects of the third wave and the current state of the feminist movement particularly in respect to the Israeli art scene **The Goddess Re-Awakening** ,2014-08-22 This anthology with essays by Riane Eisler June Singer and others considers Goddess myths current psychological perspectives and the feminine principle in spirituality today It offers a worldview that integrates intuition intellect and feeling **Ford's The Modern Theologians** Rachel Muers,Ashley Cocksworth,2024-02-21 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology s engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology s engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford s The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study **Wisdom'S Daughters** Cathy Pagano,2013-01-24 Wisdom is Women s Gift to the World In the many cultural stories that speak about the changing of the ages it is always Feminine Spirit which brings about the transition to new life for Feminine Spirit knows the rhythms of life death and rebirth and is the opener of the way In times of cultural transformation it is also our right brain feminine consciousness that is our best guide for it opens us to the

creative imagination the realm of possibility The return of the Goddess awakens the transformative energy that births the changing of the ages In the western story of worldwide spiritual transformation there is a powerful image of Cosmic Woman an image of the archetypal Feminine Spirit who transforms and gives birth to this new age And her archetypal image gives us instructions for opening to and incarnating wisdom This image of the awakening Feminine Spirit is an image of the Conscious Woman a woman clothed with the sun standing on the moon crowned with stars who is in labor giving birth to a savior In earlier times and different traditions this archetypal image was understood as Lady Wisdom Today I feel this Goddess image of conscious woman can be incarnated by women everywhere This woman clothed with the sun is Lady Wisdom who calls all women to become her daughters I love Cathy s insights into fairy tales mythology dreams astrological energies and archetypes She makes sense of how our lives are impacted by these complex yet very beautiful elements making them accessible and keeping them profound Her wisdom can only enhance anyone lucky enough to have crossed her path Alix Toland Artist Creator of Color Scope An Astrological Mandala **Unplug Your Mind!** Sylvia Dokter,Ivonne Delaflor Alexander,2013-03-06 In August of 2012 during the period where planetary and human changes were taking place author Sylvia Dokter received a special request from Sri Babaji Nagaraj an ascended master He asked her to work with her friend mentor and business partner Ivonne Delaflor Alexander to create a book that could be shared with humanity in order to facilitate a global awakening Unplug Your Mind is the final product of the messages received by telepathic transmission and recorded by Delaflor Alexander from such masters as Jesus Lord Maitreya Hermes Mary Magdalene and many more ascended gestalts of consciousness Dokter also provides commentary and explanations of her own experience of walking through the sacred messages These messagesexposing secrets of hidden societies governmental organizations and those of the powerful elitecommunicate clear recommendations and suggestions for how to unplug from this fifteen dimensional time matrix system where the mindset of humanity has been controlled for thousands of years through cultural and religious indoctrination **Celebrate the Divine Feminine** Joy Reichard,2011 Mother & Myth in Spanish Novels Sandra J. Schumm,2011-08-16 What if the goddess Athena who sprang fully grown from Zeus s head and denied she had a mother became aware of the compelling existence of her other parent What if she discovered that her mother Metis first wife of Zeus and wiser than all gods and mortal men according to Hesiod was swallowed by her father and continued to impart her wisdom to him from inside his belly Recent Spanish novels by women parallel this hypothetical situation based on Greek myth by featuring female protagonists who obsessively re examine the lives of their mothers seeking to know and understand them In Mother and Myth in Spanish Novels Sandra J Schumm examines six narratives by Spanish authors published since 2000 that focus on a daughter s search to know more about her matriarchal heritage Carme Riera s La mitad del alma Luc a Etxebarria s Un milagro en equilibrio Rosa Montero s El coraz n del t rtaro Cristina Cerezales s De oca a oca Mar a de la Pau Janer s Las mujeres que hay en m and Soledad Purlolas s Historia de un abrigo In each of these novels the protagonist

realizes that failure to integrate the loss of her mother into her life results in the inability to define her self Without valorization of the maternal subject the legacy of the daughter is at risk she is also objectified and swallowed and the whole society suffers The daughters attention to their mothers in these novels is as if Athena had finally recognized that her mother Metis had been ingested by Zeus The myth of Metis and Athena becomes a metaphor of the daughter s quest toward wholeness and individuation in these works she begins to understand that her maternal legacy is a source of wisdom that has been obscured These novels by Spanish women strengthen the mother s voice rescue her from anonymity and rewrite the matriarchal archetype
