JEWels Steve Zeitlin, 2023-02 JEWels is the first of its kind the living tradition of Jewish stories and jokes transformed into poems recording and reflecting Jewish experience from ancient times through the present day In this novel hybrid jokes and stories boiled down to their essence in short poems Jewish witticism is preserved side by side with evocative storytelling and deepened with running commentary and questions for discussion Illuminated here are jewels from journeys from the Old Country from Torah shaped by the Holocaust in glimpses of Jewish American lives in Jewish foods in conversations with God and on the meaning of life Jewish

comedians Lenny Bruce Jackie Mason appear alongside writers and musicians Elie Wiesel Sholem Aleichem Itzhak Perlman and Hasidic rabbis the Baal Shem Tov Rabbi Nachman of Breslov yet most of the tellers are ordinary Jews In this cacophony of ongoing dialogue storytellers rabbis poets and scholars chime in with interpretations quips and related stories and life experiences In JEWels each of us can see our own reflection      **Channeling the Demon** Gary Morton,2008-11-19

Channeling the Demon is a novel of occult action and supernatural horror from beginning to end A demon king from another reality uses a spirit channeler and the priests of a world wide occult church to prepare the way for a new planet of evil The book flies from one scene of terror to the next as the forces of good and evil clash headed for the ultimate climax      From Iron Butt to Melted Heart Marshall Madill,2021-07-06 Inspired by a newspaper article Marshall Madill had dreamed of riding a motorcycle to Alaska since the days of his youth However this dream consisted of a leisurely ride by day taking in all the sites and sleeping under the stars by night In his mind Marshall had always budgeted an entire month for this trip And while Marshall and his wife Jan are avid motorcycle enthusiasts he really never envisioned himself as an Iron Butt motorcyclist An Iron Butt in the motorcycle world is someone who rides their motorcycle one thousand miles in a single twenty four hour period Marshall and Jan felt they were really being aggressive when they rode four hundred miles in a day The one time they did seven hundred miles in a day neither could hardly walk or sit down either one They were in quite a predicament Marshall had absolutely no desire nor intent to even attempt to ride his motorcycle one thousand miles in a day Then one day he discovered a handful of fellow motorcycle enthusiasts that he knew were avid Iron Butt participants Being competitive by nature his attitude about Iron Butt riding began to temper Soon he was hearing about an Iron Butt event called 48 States Plus Alaska In 10 Days or Less When Marshall heard it involved Alaska his interest was immediately peaked He spent the next fifteen months planning and preparing for this Iron Butt ride He prepared physically He prepared mentally He studied and memorized the maps of the route which would take him to every one of the 48 Contiguous United States of America and then on to Alaska This route would cover over 8 600 miles in less than 10 days Marshall would definitely need to be an Iron Butt in order to accomplish this goal This is the story of how Marshall planned and prepared for the ride It is the story of the life lessons Marshall learned throughout the planning preparation the ride itself and even since the official trip was completed It is the story of how God invited Himself along for the journey and it s the story of how Marshall was transformed from an Iron Butt to a Melted Heart by the special individuals that he encountered all along the journey Come along Marshall relives and shares with you this adventure of a lifetime that changed his life forever      **Terms of Salvation** Grant H. Layton,2013-07 Why are there so many competing Christian churches in the world today It is because men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn t necessarily what we expect or want to find But for those of us who will accept truth when we find it in the

scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ A
