House Of Cards Inside The Troubled Empire Of American Express:

House of Cards Jon Friedman, John Meehan, 1992 When courtly charismatic James D Robinson III scion of an Atlanta banking family took the helm of American Express in 1977 he envisioned expanding his new company into a giant financial services conglomerate But it was not to be Here is the gripping behind the scenes account of corporate scandals bungled deals and clashing egos in the far flung realm of American Express 8 pages of photographs **House of Cards** Jon Friedman, John Meehan, 1993-05-01 Exposes the truth behind the famed green card focusing on the career of CEO James D Robinson III the company's ill fated raid on RJR Nabisco ruthless in fighting overexpansion during the greed filled 1980s and more Reprint **New York Magazine** , 1992-04-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Forbes Greatest Business Stories of All Time* Forbes Magazine Staff, Daniel Gross, 1997-08-21 What do Bill Gates Henry Ford J P Morgan Mary Kay Ash and Walt Disney all have in common Uncompromising vision a willingness to take risks and exceptional business acumen Not only did these individuals amass great fortunes they revolutionized the business world and helped shape society as we know it Theirs are just a few of the stories collected in this anthology of commercial ingenuity Drawing on a wealth of sources this priceless collection brings to life extraordinary achievements many of them forgotten or little known how Robert Morris the preeminent merchant of the eighteenth century financed the American Revolution with his personal credit how Ray Kroc used a shrewd real estate strategy to turn a faltering hamburger franchise operation into the McDonald's fast food empire and how Mary Kay Ash built a billion dollar direct sales cosmetics company by preaching a message of economic empowerment to women Enlightening and fascinating *Forbes's Greatest Business Stories of All Time* celebrates larger than life ambition inspired leadership wheeling and dealing and hard work *Forbes* is a registered trademark of *Forbes Inc* Its use is pursuant to a license agreement with *Forbes Inc*

The Leadership Triad Dale E. Zand, 1997 Power the third element of the triad is a leader's traditional right to make decisions and resolve conflicts Although a leader can make decisions by command Zand notes that in today's knowledge driven organization with educated informed employees the effective leader rarely issues directives but instead acts more as a consultant and a client **Last Man Standing** Duff McDonald, 2009-10-06 In the midst of the most disastrous economic climate of Wall Street's history one executive has weathered the storm more deftly than any other Jamie Dimon chairman and CEO of JPMorgan Chase In 2008 while Dimon's competitors watched their companies crumble JPMorgan not only survived it made an astonishing 5 billion profit Dimon's continued triumph in the face of an industry wide meltdown has made him a paragon of finance In *Last Man Standing* award winning journalist Duff McDonald provides an unprecedented and deeply

personal look at the extraordinary figure behind JPMorgan's success Using countless hours of interviews with Dimon and his full circle of friends family and colleagues this definitive biography is by far the most comprehensive portrait of the man known as the Savior of Wall Street Now in an updated prologue McDonald offers insight into the future of Wall Street and how Dimon will overcome the challenge of aggressive new regulation from Washington and how he plans to continue to thrive as the world's preeminent banker

The Complete Idiot's Guide to 20th-century History Alan Axelrod, 1999 Provides an overview of the people events and ideas that shaped the twentieth century covering wars and political conflicts innovations in technology and the contributions of such great minds as Sigmund Freud and Albert Einstein

Invisible Engines David S. Evans, Andrei Hagiu, Richard Schmalensee, 2008-02-15 Harnessing the power of software platforms what executives and entrepreneurs must know about how to use this technology to transform industries and how to develop the strategies that will create value and drive profits Software platforms are the invisible engines that have created touched or transformed nearly every major industry for the past quarter century They power everything from mobile phones and automobile navigation systems to search engines and web portals They have been the source of enormous value to consumers and helped some entrepreneurs build great fortunes And they are likely to drive change that will dwarf the business and technology revolution we have seen to this point Invisible Engines examines the business dynamics and strategies used by firms that recognize the transformative power unleashed by this new revolution a revolution that will change both new and old industries The authors argue that in order to understand the successes of software platforms we must first understand their role as a technological meeting ground where application developers and end users converge Apple Microsoft and Google for example charge developers little or nothing for using their platforms and make most of their money from end users Sony PlayStation and other game consoles by contrast subsidize users and make more money from developers who pay royalties for access to the code they need to write games More applications attract more users and more users attract more applications And more applications and more users lead to more profits Invisible Engines explores this story through the lens of the companies that have mastered this platform balancing act It offers detailed studies of the personal computer video game console personal digital assistant smart mobile phone and digital media software platform industries focusing on the business decisions made by industry players to drive profits and stay a step ahead of the competition Shorter discussions of Internet based software platforms provide an important glimpse into a future in which the way we buy pay watch listen learn and communicate will change forever An electronic version of this book is available under a Creative Commons license

Paying with Plastic, second edition David S. Evans, Richard Schmalensee, 2004-12-17 The definitive account of the trillion dollar payment card industry The payment card business has evolved from its inception in the 1950s as a way to handle payment for expense account lunches the Diners Club card into today's complex sprawling industry that drives trillions of dollars in transaction volume each year Paying with Plastic is the definitive source on an

industry that has revolutionized the way we borrow and spend More than a history book Paying with Plastic delivers an entertaining discussion of the impact of an industry that epitomizes the notion of two sided markets those in which two or more customer groups receive value only if all sides are actively engaged New to this second edition the two sided market discussion provides useful insight into the implications of these market dynamics for cardholder rewards merchant interchange fees and card acceptance The authors both of whom have researched the industry for more than 25 years also examine the implications of the recent antitrust cases on the industry as well as other business and technological changes including the massive consolidation brought about by bank mergers the rise of the debit card and the emergence of e commerce that could alter the payment card industry dramatically in the years to come *The McDonaldization Thesis* George Ritzer,1998-02-17 In this major new book the author of the bestselling McDonaldization of Society provides an exploration of one of the most innovative and imaginative sociological theses of the last decade of the twentieth century McDonaldization Part One centres on a discussion of Karl Mannheim s theory of rationalization The author also assesses the degree to which sociology in general and sociological theory in particular have been McDonaldized The second part demonstrates the empirical reach of the McDonaldization process with discussions on work credit and globalization Part Three moves beyond McDonaldization to the worlds of new means of consumption and the postmodern perspectives that best illuminate them The author Encyclopedia of American Business History Charles R. Geisst,Ambassador Charles a Gargano Professor of Finance Charles R Geisst,2014-05-14 Presents an alphabetically arranged reference to the history of business and industry in the United States Includes selected primary source documents Expressing America George Ritzer,1995-02-09 This innovative text focuses on an American icon central to United States culture that is rapidly becoming a global expression of prosperity the credit card George Ritzer explains what the credit card tells us both good and bad about the essence of the modern US and why and how the credit card is helping to transform much of the world Drawing on the insights of both classic and contemporary social thinkers including Georg Simmel C Wright Mills Karl Marx and Max Weber as well as micro macro agency structure and Americanization theories Ritzer also reveals to students the powerful insights gained from using the sociological imagination applied to a topic that students know about and are interested in The Big Four British Banks David Rogers,2016-07-27 This book is a cutting edge exploration of the UK commercial banking industry as reflected primarily in the experience of the four main clearing banks Barclays Lloyds Midland and NatWest What will the industry look like in the future What strategies cultures and organisational forms will distinguish the survivors from the non survivors Will the dominant form be the highly diversified global financial supermarket the so called universal bank the more focused niche player both or some other type To answer these questions David Rogers draws upon very high level access to the leading players in this evolving industry History and Strategy Steven Kahl,Michael Cusumano,Brian S. Silverman,2012-09-03 In this volume strategy scholars business historians and economic historians are brought together to

develop a volume that explores the complementarities of approaches *Built to last* James C. Collins,2001 **Genealogy of American Finance** Robert E. Wright,Richard Sylla,2015-03-17 In this unique well illustrated book readers learn how fifty financial corporations came to dominate the U S banking system and their impact on the nation s political social and economic growth A story that spans more than two centuries of war crisis and opportunity this account reminds readers that American banking was never a fixed enterprise but has evolved in tandem with the country More than 225 years have passed since Alexander Hamilton created one of the nation s first commercial banks Over time these institutions have changed hands names and locations reflecting a wave of mergers acquisitions and other restructuring efforts that echo changes in American finance Some names such as Bank of America and Wells Fargo will be familiar to readers The origins of others including Zions Bancorporation founded by Brigham Young and owned by the Mormon Church until 1960 are surprising Exploring why some banks failed and others thrived this book wonders in light of the 2008 financial crisis whether recent consolidations have reached or even exceeded economically rational limits A key text for navigating the complex terrain of American finance this volume draws a fascinating family tree for projecting the financial future of a nation Jak vybudovat trvale úspěšnou firmu Collins Jim,Porrás Jerry I.,2016-05-17 Autor bestselleru Jak z dobr firmy ud lat skv lou Good to Great ve sv dal knize odhaluje co odli uje trvale sp n firmy od t ch ostatn ch Kniha nabit stovkami p klad nab z praktick koncepty kter mohou aplikovat mana e i a podnikatel na v ech rovn ch **Business Communications, the Real World, and Your Career** James A. Seguin,2000 This brief text teaches students how to use the business communication skills they learn in college to obtain the career they want and to advance professionally with an emphasis on life long learning and communication skills development *Free Gift Inside!!* Stephen Brown,2004-03-05 Free Gift Inside offers an alternative solution to the difficulty of selling to an already sated and sophisticated consumer Based on the article Torment Your Customers They ll Love It which Harvard Busines Review chose as one of 2002 s Six Breakthrough Ideas A new concept that turns marketing on its head and offers a more effective answer to customer relationship management and permission marketing *Making the World Safe for Tourism* Patricia Goldstone,2001-01-01 A study of the social and political impacts of tourism It explores how and why tourism aligned itself with political power how it became embedded within non tourist institutions like the World Bank and how since World War II it has become an instrument of international development policy
