House of Faith or Enchanted Forest? Charles W. Hedrick, 2009-01-01 Since The Renaissance of the fourteenth through seventeenth centuries and particularly since the Enlightenment of the eighteenth century the ancient creeds of faith have been under serious fire and the struggle has not gone well for popular religion in America The rapid advances made by the physical sciences in the nineteenth and twentieth centuries and the corresponding reliance on scientific accomplishments in American life have been matched by the growing influence of reason in the way Americans think about religion Except for pockets of resistance these developments have negatively influenced the practical role of traditional religion in American life These essays published over a twenty year period as newspaper editorials addressed to the general public confront popular beliefs and morals with the challenge of human reason At issue in this meeting of faith and reason is nothing less than the nature of religion in the twenty first century Will faith embrace reason to create a House where both dwell in harmony or will faith ignore the claims of reason and continue to live in an Enchanted Forest Each essay written in the practical language of the streets attempts to dialogue with the general reader and gently provoke critical thinking on sensitive issues of belief Charles Hedrick is a scholar who has come clean From the buckle on the Bible Belt comes this honest intelligent and creative reflection on the struggle between reason and or science and personal faith Charlie s reminder to take our personal absolute truths house of faith a little less seriously and enjoy the diversity of thought and experience enchanted forest is practical powerful and incredibly timely Glenna S Jackson Professor Department of Religion and Philosophy at Otterbein College House of Faith or Enchanted Forest is a personal and lively journey along the path of faith and doubt Charles Hedrick poses deep questions that for centuries have haunted philosophers historians and theologians alike This book awakens and celebrates critical thinking yet remains warmly accessible and resolutely honest Anyone who wishes to re think life s great questions in light of the changing face of Christianity will find joy in reading this book Here is an excellent resource for discussion groups book clubs and inquiring individuals David Galston Director of the Eternal Spring learning Centre Hamilton Ontario Charlie Hedrick asks a lot of questions in this provocative collection of short essays One specific question that perhaps sums up the others Can a critical thinker also be a person of traditional religious faith Spanning a wide range of topics Hedrick offers readers challenging questions to ponder rather than easy answers to swallow Yet by pondering such questions careful readers will find themselves closer to honest answers than they were before they read this helpful book J Bradley Chance Professor and Chair Department of Religion William Jewell College *Unmasking Biblical Faiths* Charles W. Hedrick, 2019-01-11 *Unmasking Biblical Faiths* aims to address many of the challenges to traditional Christian faith in the modern world Since the eighteenth century Age of Enlightenment human reason formerly tethered by the constraints of organized religion has been set free to explore the universe relatively unchallenged The influence of the Bible on the other hand weakened due to the successes of modern historical criticism is found to be inadequate for the task of enabling the faith

once for all delivered to the saints Jude 3 in that it cannot adequately respond to the many questions about religious faith that human reasoning raises for modern human beings In a series of short but tightly reasoned essays Charles Hedrick explores the confrontation between traditional Christian faith and aggressive human reason a conflict that is facilitated by Western secular education *Faith of Our Mothers* Donald S. Aultman,2014-04-11 Dr Donald Aultman brings together in one volume leaders from the Church of God to reveal the Faith of Our Mothers stories of faithful women who valued nourished and trained their children sometimes against all odds These are women of virtue and godly character whose faith patience sacrifice and humor forever shaped the sons and daughters now walking in their footsteps In a culture where Christianity is increasingly marginalized and children are pulled away from faith in a world that s cold raw and harsh in a society built on high achievement self serving goals and shortsighted pursuits may God continue to raise up women of faith who will minister the Word of God love their families and show us the way home Mark L Williams Church of God Overseer

But her first social activity is the celebration of life for a woman she'd dreamt would someday be her mother-in-law. Heath Banfield is haunted by memories of Violet leaving him in their youth. He ended up with a woman who never wanted motherhood, and he's become bitter and hard when it comes to love and trust. Now he's dealing with his mother's death. In her absence, he needs an after-school caregiver for his daughter. When Violet offers to tend for the eight-year-old, he's not sure he can handle her act of kindness. Violet is still in love with Heath and helping him through his grief, and caring for his delightful daughter is a welcome opportunity. But Heath is wary, and she'll have to muster every ounce of kindness she has. Will Violet's deliberate holiday deeds lead to romance, or will Heath's hurt deepen his bitterness?
