**House of Holes** Nicholson Baker, 2012 Visit the House of Holes where the motto is PLEASURE FIRST and discover a solution to every sexual problem insight into every sexual intrigue or play out your greatest sexual fantasy Men can begin with a good friendly penis scrub take the magic sperm sniff test or visit the Porndecadhedron Greedy women can visit the Hall of the Penises shy women can order a partner with a voluntary head detachment curious couples can investigate each other further with a cross crotchal interplasmic transfer But ladies watch out for the Pearloiner who might just steal from you what you cherish most *The Vagina: A Literary and Cultural History* Emma L. E. Rees, 2013-08-01 From South Park to Kathy Acker and from Lars Von Trier to Sex and the City women's sexual organs are demonized Rees traces the fascinating evolution of this demonization considering how calling the c word obscene both legitimates and perpetuates the fractured identities of women globally Rees demonstrates how writers artists and filmmakers contend with the dilemma of the vagina's puzzlingly covert visibility In our postmodern porn obsessed culture vaginas appear to be everywhere literally or symbolically but crucially they are as silenced as they are objectified *The Vagina A Literary and Cultural History* examines the paradox of female genitalia through five fields of artistic expression literature film TV visual and performance art There is a peculiar paradox unlike any other regarding female genitalia Rees focuses on this paradox of what is termed the covert visibility of the vagina and on its monstrous manifestations That is what happens when the female body refuses to be pathologized eroticized or rendered subordinate to the will or intention of another Common and often offensive slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women's lived sexual experiences such that we don't look at the vagina itself slang offers a convenient distraction to something so taboo *The Vagina A Literary and Cultural History* is an important contribution to the ongoing debate in understanding the feminine identity **B & Me** J.C.
