**Sex and the Gender Revolution, Volume 1** Randolph Trumbach, 1998-12 A revolution in gender relations occurred in London around 1700 resulting in a sexual system that endured in many aspects until the sexual revolution of the 1960s For the first time in European history there emerged three genders men women and a third gender of adult effeminate sodomites or homosexuals This third gender had radical consequences for the sexual lives of most men and women since it promoted an opposing ideal of exclusive heterosexuality In *Sex and the Gender Revolution* Randolph Trumbach reconstructs the worlds of eighteenth century prostitution illegitimacy sexual violence and adultery In those worlds the majority of men became heterosexuals by avoiding sodomy and sodomite behavior As men defined themselves more and more as heterosexuals women generally experienced the new male heterosexuality as its victims But women as prostitutes seduced servants remarrying widows and adulterous wives also pursued passion The seamy sexual underworld of extramarital behavior was central not only to the sexual lives of men and women but to the very existence of marriage the family domesticity and romantic love London emerges as not only a geographical site but as an actor in its own right mapping out domains where patriarchy heterosexuality domesticity and female resistance take vivid form in our imaginations and senses As comprehensive and authoritative as it is eloquent and provocative this book will become an indispensable study for social and cultural historians and delightful reading for anyone interested in taking a close look at sex and gender in eighteenth century London

the case for Christ as the long awaited Messiah Savior and Redeemer of the world Unlike other scripture that descended through thousands of years of scribal copying alterations and error the Book of Mormon was translated only once directly from the original written manuscripts recorded between 600 BC and 400 AD Teachings and Commandments boldly declares that the heavens are open again and that the prophesied days of revelation and warning are already upon us This volume contains the most true and accurate compilation of the history and revelations of Joseph Smith the first modern American prophet Each of the revelations has been diligently compared with the originals in an effort to retain only the authentic text of each and to discard all changes subsequently made by others The volume also includes Lectures on Faith which was originally published in 1835 as the first part of Doctrine and Covenants and teaches more about the character attributes and perfections of God than any other modern work and the Book of Abraham as originally restored by revelation to Joseph Smith This volume also contains the revelations of Denver Snuffer another witness of the resurrected Lord who has walked and talked with Him and the Testimony of St John as restored by revelation Taken together the various works included in Teachings and Commandments speak to us through hundreds of revelations containing thousands of words from God all pertaining to us in our day and time A Glossary of Gospel Terms provides inspired and thought provoking insights into many of the most interesting terms and puzzling concepts found in scripture A wealth of information this intriguing book should be the companion of everyone searching for a deeper understanding of the things of God Covering hundreds of scriptural topics A Glossary of Gospel Terms adds depth to seemingly well understood topics and provides new and delicious insights into those areas of spirituality that have been shrouded in mystery until now Its objective is to uncover truth and inspire readers to pursue a relationship with Christ
