Houses of the Founding Fathers Hugh Howard, 2012-01-01 Presents a tour of the houses belonging to some of America's early leaders sharing an inside look at the domestic world of the Founding Fathers to chronicle their private lives families culture interests and aspirations

**Houses of the Founding Fathers** Hugh Howard, 2012 *Governor's Houses and State Houses of British Colonial America, 1607-1783* Hoke P. Kimball, Bruce Henson, 2017-05-11 This comprehensive survey of British colonial governors houses and buildings used as state houses or capitols in the North American colonies begins with the founding of the Virginia Colony and ends with American independence In addition to the 13 colonies that became the United States in 1783 the study includes three colonies in present day Florida and Canada East Florida West Florida and the Province of Quebec obtained by Great Britain after the French and Indian War

**Houses of Civil War America** Hugh Howard, 2014-11-04 A revealing historical and photographic tour of the homes of influential Civil War figures including Robert E Lee Abraham Lincoln Frederick Douglass Clara Barton Stonewall Jackson and others Timed to coincide with the 150th anniversary of the Civil War and a fitting sequel to *Houses of the Presidents* *Houses of Civil War America* takes readers into the daily lives of the most important historical figures in the nation defining conflict From modest abolitionist homes to the plantations of the antebellum south Howard and Straus bring the most intimate moments of the war to life With insightful narrative and gorgeous photography *Houses of Civil War America* demonstrates through these landmark homes the nation we were and the nation we became

**Houses of the Presidents** Hugh Howard, Roger Straus III, 2012-11-06 *Houses of the Presidents* offers a unique tour of the houses and day to day lives of America's presidents from George Washington's time to the present Author Hugh Howard weaves together personal presidential and architectural histories to shed light on the way our chief executives lived Original photography by Roger Straus III brings the houses and furnishings beautifully to life From Jefferson's Monticello to Reagan's Rancho del Cielo with fascinating and surprising stops between and beyond *Houses of the Presidents* presents a fascinating alternative history of the American presidency

*The House of the Mother* Cynthia R. Chapman, 2016-10-25 A novel approach to Israelite kinship arguing that maternal kinship bonds played key social economic and political roles for a son who aspired to inherit his father's household Upending traditional scholarship on patrilineal genealogy Cynthia Chapman draws on twenty years of research to uncover an underappreciated yet socially significant kinship unit in the Bible the house of the mother In households where a man had two or more wives siblings born to the same mother worked to promote and protect one another's interests Revealing the hierarchies of the maternal houses and political divisions within the national house of Israel this book provides us with a nuanced understanding of domestic and political life in ancient Israel

*Anarchist's Guide to Historic House Museums* Franklin D Vagnone, Deborah E Ryan, 2016-07-01 In these days of an aging traditional audience shrinking attendance tightened budgets increased competition and exponential growth in new types of communication methods America's house museums need to take bold steps and expand their overall purpose

beyond those of the traditional museum They need not only to engage the communities surrounding them but also to collaborate with visitors on the type and quality of experience they provide This book is a groundbreaking manifesto that calls for the establishment of a more inclusive visitor centered paradigm based on the shared experience of human habitation It draws inspiration from film theater public art and urban design to transform historic house museums while providing a how to guide for making historic house museums sustainable through five primary themes communicating with the surrounding community engaging the community re imagining the visitor experience celebrating the detritus of human habitation and acknowledging the illusion of the shelter s authenticity Anarchist s Guide to Historic House Museums offers a wry but informed rule breaking perspective from authors with years of experience and gives numerous vivid examples of both good and not so good practices from house museums in the U S Journal of the House of Representatives of the United States United States. Congress House,1983 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House Hearings, Reports and Prints of the House Committee on the Judiciary United States. Congress. House. Committee on the Judiciary,1961 America the Beautiful Ben Carson, M.D.,2012-01-24 What is America becoming Or more importantly what can she be if we reclaim a vision for the things that made her great in the first place Join Dr Ben Carson as he explores what made this nation great and discovers how we can find our way back In America the Beautiful Dr Ben Carson helps us learn from our past in order to chart a better course for our future From his personal ascent from inner city poverty to international medical and humanitarian acclaim Carson shares experiential insights that help us understand What is already good about America Where we have gone astray Which fundamental beliefs have guided America from her founding into preeminence among nations Written by a man who has experienced America s best and worst firsthand America the Beautiful is at once alarming convicting and inspiring You ll gain new perspectives on our nation s origins our Judeo Christian heritage our educational system capitalism versus socialism our moral fabric healthcare and much more An incisive declaration of the values that shaped America s past and must shape her future America the Beautiful calls us all to use our God given talents to improve our lives our communities our nation and our world

*Hearings, Reports and Prints of the House Committee on Rules* United States. Congress. House. Committee on Rules, 1970 *Architects of an American Landscape* Hugh Howard, 2022-01-25 A dual portrait of America's first great architect Henry Hobson Richardson and her finest landscape designer Frederick Law Olmsted and their immense impact on America As the nation recovered from a cataclysmic war two titans of design profoundly influenced how Americans came to interact with the built and natural world around them through their pioneering work in architecture and landscape design Frederick Law Olmsted is widely revered as America's first and finest parkmaker and environmentalist the force behind Manhattan's Central Park Brooklyn's Prospect Park Biltmore's parkland in Asheville dozens of parks across the country and the preservation of Yosemite and Niagara Falls Yet his close friend and sometime collaborator Henry Hobson Richardson has been almost entirely forgotten today despite his outsized influence on American architecture from Boston's iconic Trinity Church to Chicago's Marshall Field Wholesale Store to the Shingle Style and the wildly popular open plan he conceived for family homes Individually they created much beloved buildings and public spaces Together they married natural landscapes with built structures in train stations and public libraries that helped drive the shift in American life from congested cities to developing suburbs across the country The small

reserved Olmsted and the passionate Falstaffian Richardson could not have been more different in character but their sensibilities were closely aligned In chronicling their intersecting lives and work in the context of the nation s post war renewal Hugh Howard reveals how these two men created original all American idioms in architecture and landscape that influence how we enjoy our public and private spaces to this day

**Bringing Home the White House** Melissa Estes Blair,2023-09 In *Bringing Home the White House* Melissa Estes Blair introduces us to five fascinating yet largely unheralded women who were at the heart of campaigns to elect and reelect some of our most beloved presidents By examining the roles of these political strategists in affecting the outcome of presidential elections Blair sheds light on their historical importance and the relevance of their individual influence In the middle decades of the twentieth century both major political parties had Women s Divisions The leaders of these divisions five women who held the job from 1932 until 1958 organized tens of thousands of women all over the country turning them into the saleswomen for the party by providing them with talking points fliers and other material they needed to strike up political conversations with their friends and neighbors The leaders of the Women s Divisions also produced a huge portion of the media used by the campaigns over 90 percent of all print material in the 1930s and were close advisors of the presidents of both parties In spite of their importance these women and their work have been left out of the narratives of midcentury America In telling the story of these five West Wing women Blair reveals the ways that women were central to American politics from the depths of the Great Depression to the height of the Cold War
