Yep it s a fun romp You ll be laughing while you turn the pages Ms Coonts and Ms Brown seamlessly intertwine the two
separate characters and the combined story so that you follow the developments with laughter and suspense until the
brilliant conclusion This was such a unique idea to have the two separate characters meet and be involved in one story If you
have not read both authors you will feel comfortable as the they have provided enough backstory that you will not feel lost
The writing the characters great read Perfect marriage of two great series A funny murder mystery with a political side a
helping of rom com and a relatable mom com The two authors combine all these elements and the two sets of characters
seamlessly and still continue to develop the characters I couldn t put it down Two sassy leading ladies winging it on the best
way for the price of one Donna and Lucky in the same book How can that possibly work Well not only does it work it s more
than I could have expected The way the characters POV never interrupted the story and it never felt disjointed you can tell
this was a labor of love for both authors Well done Or as the Brits say bloody good job What a great book I have read all of
the Lucky books but this was my first exposure to the Housewife Assassin I was so impressed with the writing of Josie Brown
