The Existence Theodore Inejieto, 2018-12-21 The Existence By Theodore Inejieto The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings How Do We Know the Bible is True Volume 1 Ken Ham, Bodie Hodge, 2011-07-01 Today there are untold voices in print on television and online calling for our attention and so many of these mock or belittle our faith From coworkers to those calling themselves Christians the tone has become one of reproach disparaging the character of God and undermining the authority of the Bible For those who have a heart for God it can be intimidating and discouraging How Do We Know the Bible is True is based on the absolute authority of God's Word not man centered explanations Clearly presented it will help bring clarity in a world filled with increasingly vague notions of truth Over 20 relevant issues are discussed including Is the Bible totally without error Did the resurrection really happen How do we know that the 66 books of the Bible are from God Does the Bible contradict itself How were people saved before Jesus came What is the purpose and meaning of life Did miracles really happen Was Genesis derived from ancient myths How should we interpret the Bible should Genesis be literal Do you have to believe in a young earth to be saved Within these pages you will find responses to those honest questions of faith helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith including Ken Ham John MacArthur Terry Mortenson Jason Lisle Brian Edwards Tommy Re-Covering in God Sue Watlov Mitchell Jobe Martin Georgia Purdom Bodie Hodge and Roger Patterson Phillips, 2014-05-28 I lost my joy of loving God and loving others as myself as I expressed my thirsting and hungering for God in unhealthy ways Instead of utilizing God's light to guide me I often turned to alcohol and the isms that had become part of my life workaholism perfectionism caretakerism and athleticism My refusal to accept that I had developed the disease of alcoholism after drinking normally for twenty five years created insane scenarios as I turned to alcohol for relief when in a state of dis ease with life but that relief valve became my enemy This was further complicated by doctors not understanding alcoholism and the consequences of prescribing medications to me for pain and anxiety As I walked through the valley of the shadow of death I thought I walked alone My heart soul body and mind wrestled with God over my denial of this disease

called alcoholism How could I a Christian for over fifty years be struggling with this disease How could I have hurt God others and me How could I be such a poor witness Would I face the truth with God and let Him reveal the damage done to my foundation Would I face God myself and others and make amends Or would I continue to run and hide in my alcoholism and other isms As I turned to God His light revealed to me the truth about myself and what I needed to do in order to be in His will As I choose to be recovered in God's Spirit each moment the spirits of alcoholism and other isms flee but only as long as I choose to Be still cease striving know God and live In His will not mine

Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God s word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's new creation in ways that are coherent with the

How to Make Your Mind Your Friend Kirk Prescott, 2013-05 Most Christians think their minds will automatically cooperate with them in their walk as Christians However this isn t true The mind must be brought under subjection to the spirit of the living God for this to happen The book you are holding will help you with this process It lays out practical applications for using the Bible for the purpose of renewing the mind and making it your friend We must with our minds love God and purpose to serve Him We must also come to the place where we understand we have been self serving Only the teaching of the Bible will bring this to fruition in the mind of the believer That is what MAKE YOUR MIND YOUR FRIEND is all about The author used the principles laid out in this book with life changing results both in ministry and his personal life As you apply what is taught in this book to your life you may begin to experience new levels of freedom in your mind Some of the principles set forth you may or may not know however it is all supported by Scriptures As you take this journey keep a God centered mindset and you will be blessed
