**How Fascism Ruled Women** Victoria de Grazia, 1992-03-06 Italy has been made now we need to make the Italians goes a familiar Italian saying Mussolini was the first head of state to include women in this mandate How the fascist dictatorship defined the place of women in modern Italy and how women experienced the Duce's rule are the subjects of Victoria de Grazia's new work De Grazia draws on an array of sources memoirs and novels the images songs and events of mass culture as well as government statistics and archival reports She offers a broad yet detailed characterization of Italian women's ambiguous and ambivalent experience of a regime that promised modernity yet denied women emancipation Always attentive to the great diversity among women and careful to distinguish fascist rhetoric from the practices that really shaped daily existence the author moves with ease from the public discourse about femininity to the images of women in propaganda and commercial culture She analyzes fascist attempts to organize women and the ways in which Mussolini's intentions were received by women as social actors The first study of women's experience under Italian fascism this is also a history of the making of contemporary Italian society How Fascism Ruled Women Victoria De Grazia, 2005

**How fascism ruled women** Victoria De Grazia, 1993 **Creating Consent in Ba'thist Syria** Esther Meininghaus, 2016-03-31 The challenge of maintaining dictatorial regimes through control co option and coercion while upholding a facade of legitimacy is something that has concerned leaders throughout the Middle East and beyond Nowhere is this more evident than in the Syria ruled by the Asads both Hafiz and his son Bashar Drawing on the example of the General Union of Syrian Women founded in 1967 Esther Meininghaus offers new insights into how the Syrian Ba'thist regimes attempted to move beyond mere satisfaction with the compliance of the citizenry and to consolidate their rule amongst the local population Meininghaus argues that this was partially achieved through providing welfare services delivered by the Union as one of the state led mass organisations In this way she suggests these regimes did not only aim to undermine opposition and to create the illusion of consent but they factually catered to local needs and depended on consent Based on archival material interviews and statistics **Creating Consent in Ba'thist Syria** will shed new light on mass organisations as a crucial institution of Ba'thist state building and more broadly the construction of the Asad regimes A History of Modern Italy Anthony L. Cardoza, 2019 A History of Modern Italy addresses the question of how Italy's modern history from its prolonged process of nation building in the nineteenth century to the crises of the last two decades has produced a paradoxical blend of hyper modernity and traditionalism and thus made the country different in the broader context of Western Europe The text explores how Italians have experienced seismic shifts in their social and economic landscape over the past two centuries while simultaneously maintaining older cultural norms social practices and political methods As a second objective the book showcases a narrative of modern Italy that incorporates and blends the research findings and methodological insights of the new quantitative and cultural historical scholarship of the past two and a half decades In doing so it chronicles the regime changes that have taken the country from

a Liberal monarchy through the Fascist dictatorship to a Democratic Republic while also delving into the simultaneous economic and social history of the nation through these periods      Unspeakable Women Robin Pickering-Iazzi,1993 Despite the misogynist ideology of Italian Fascism and contrary to the picture drawn in the most post war literary histories and anthologies the 1920s and 1930s were a time of wide publication and both popular and critical recognition for female authors in Italy Focusing on the cultural pages of three major daily newspapers of the period Robin Pickering Iazzi discovered a wealth of contributions by famous and less known woman that have been unavailable to readers in Italy as well as the United States for over 60 years Expertly translated these 16 stories are evidence not only of the high literary quality of this body of work but also of resistance to the self sacrificing ideal of the New Woman of Fascism The memorable female characters in Unspeakable Women adopt a varying strategies to create their own identities and agency regarding writing sexuality marriage and family all in opposition to the repressive norms of the culture The stories are by Grazia Deledda who won the Noble Prize for Literature in 1926 Maria Luisa Astaldi Gianna Manzini Ada Negri Carola Prosperi Pia Rimini and Clarice Tartufari      **Hungarian Women's Activism in the Wake of the First World War** Judith Sapor,2017-12-14 Using a wide range of previously unpublished archival written and visual sources Hungarian Women s Activism in the Wake of the First World War offers the first gendered history of the aftermath of the First World War in Hungary The book examines women s activism during the post war revolutions and counter revolution It describes the dynamic of the period s competing liberal Christian conservative socialist radical socialist and right wing nationalistic women s movements and pays special attention to women activists of the Right In this original study Judith Sapor goes on to convincingly argue that illiberal ideas on family and gender roles tied to the nation s regeneration and tightly woven into the fabric of the interwar period s right wing extreme nationalistic ideology greatly contributed to the success of Mikl s Horthy s regime Furthermore the book looks at the long shadow that anti liberal nationalist notions of gender and family cast on Hungarian society and provides an explanation for their persistent appeal in the post Communist era This is an important text for anyone interested in women s history gender history and Hungary in the 20th century      *Italian Women and International Cold War Politics, 1944-1968* Wendy Pojmann,2013-01-02 A groundbreaking account of the two largest autonomous women s associations in Italy during the early Cold War the UDI and the CIF and how they developed an active Italian and global agenda for the advancement of women s rights      *Twentieth Century Italy* Jonathan Dunnage,2014-09-25 Following a historically chronological approach and with a clear focus on the marked regional diversity characterising Italy this volume analyses the impact of social economic cultural and political transformation on the lives of Italians It assesses their living standards their health and education their working conditions and their leisure activities The final part of the book examines contemporary Italian society in the light of the political and moral crisis of the early 1990s      The Fascist Experience in Italy John Pollard,2005-07-22 This source book examines the development of Italian Fascism and surveys the themes and issues of the movement It spans from the

emergence of the united Italian state in the nineteenth century to the post war aftermath of fascism It provides analysis of propaganda and Mussolini s journalism new documentary material previously unavailable in English an extensive range of other source material including images thematic coverage of major topics such as the transformation of agrarian and urban society analysis of the political social and economic status of Italy the legacy of fascism in modern Italy John Pollard also includes extensive notes on sources as well as a glossary and guide to further reading      **Gramsci, Migration, and the**

**Representation of Women's Work in Italy and the U.S.** Laura E. Ruberto,2009-12-01 Examining films literature songs and photographs with an emphasis on a feminist materialist interpretation Producing Culture considers the representations of different kinds of labor historically performed by women in Italy and the U S in order to reassess dominant narratives about the history of Italy and of Italians in the United States      *Modern Italy's Founding Fathers* Steven F.

White,2020-05-28 Modern Italy s Founding Fathers offers a fresh perspective on the genesis of the Italian republic as viewed through the efforts of its three most influential leaders Christian Democrat Alcide De Gasperi Socialist Pietro Nenni and Communist Palmiro Togliatti In concise accessible prose this work demonstrates how De Gasperi the Republic s inaugural prime minister from 1945 to 1953 and his fellow statesmen s shared experience of Fascist oppression belief in popular sovereignty and ability to compromise despite deep ideological differences enabled the creation of Italy s post war republic This path breaking collective biography traces the genesis of the Italian republic commencing with the overthrow of Mussolini in 1943 and concluding with the death of De Gasperi in 1954 Drawing on the speeches writings and personal papers of the three protagonists on Italian and U S archives on contemporary memoirs and on secondary scholarship Steven F White demonstrates how these leaders forged political practices and customs which continue to define Italian parliamentary life to the present day Examining the interplay of personalities leadership styles ideas and political context this study is a vital text for any student of modern Italy and more broadly of Cold War Europe      *Putinism* Marcel Van

Herpen,2013-01-21 In this original analysis of contemporary Russia the author shows how Putin s regime is a completely new right wing political model that combines features of Mussolini s Italy with the 19th Century Bonapartism of Napoleon III and 21st Century Populism of Berlusconi An essential read      Italy Roland Sarti,2009 Exploring more than 500 years of the country s history Italy provides readers interested in modern Italy or European history with a greater understanding of Italy s past from the Renaissance to the present This guide presents the milestones in Italy s history in an interesting and readable way      **Rallying Europe** Katharina Seibert,Barnabas Balint,2025-09-03 This book spotlights the trajectories of young

women and men navigating the turmoil of the early twentieth century From the end of the First World War to the aftermath of the Second World War Europe witnessed fundamental changes in the social regimes that determined power distribution Against this backdrop of the struggle between democratic and authoritarian projects amid both war and fragile peace young people increasingly became a target of state legislation mass organizations and other institutions The authors of this

collective volume approach the first half of the twentieth century through the lens of age and gender as interdependent categories of analysis In doing so they reveal how adult perceptions of youth and gender framed young men and women s lives as well as their roles in society The authors also explore how these perceptions collided with youth agency probing the specific age and gender related dynamics of empowerment and organization By focusing on the young actors and the institutional settings that limited their scope of action the authors contrast processes of wayward agency with institutionalized attempts to control and lead the young As such this book contributes to a global academic discussion on age gender the life cycle and intersectionality This book will be relevant for scholars and students in history sociology gender studies and youth studies It will also be of interest to those studying European history social movements and twentieth century political transitions The chapters in this book were originally published as a special issue of *European Review of History*

**Women in British Public Life, 1914 - 50** Helen Jones, 2014-09-11 An examination of the ways in which women challenged the British educational employment and welfare systems after the franchise Helen Jones explores how women adapted their strategies to confront the system from within and what constraints were imposed on them She also examines the active role that British women played in Continental Europe and an important comparative chapter looks at the experience of women in France Germany Italy Australia and the USA

*Feminism, National Identity and European Integration in Modern Spain* Kathryn L. Mahaney, 2024-04-18 This book explores the evolution of Spanish feminism in the context of European feminisms and institutions from the 1960s to recent times Beginning with Seccin Femenina the official Francoist women s organization *Feminism National Identity and European Integration in Modern Spain* traces the interplay between Spanish women s policy and international policymaking In some cases as with the Seccin Femenina championed Law of Political Rights Ley de Derechos in 1961 Spanish women s policy at least appeared more progressive than what Western democracies offered notable at a time when Spain was considered backward After Franco s death in 1975 Spain s democratic transition seemingly consolidated forward thinking women s policy with a Constitution that guaranteed equality of the sexes in 1978 and with the creation of a national bureau charged with crafting women s policy the Instituto de la Mujer Women s Institute in 1983 Yet feminists found themselves marginalized in Spanish political decision making as Kathryn L. Mahaney argues so successfully in this study Mahaney reveals that women ultimately influenced domestic policy not by acting within national networks but by leveraging European connections particularly after Spain joined the European Economic Community EEC in 1986 The book shows that Spanish feminists worked through the EEC to gain international approval of policies that had met domestic opposition and did so by representing them as necessary litmus tests of nations democratic integrity Their proposals were shaped by the specific context of Spanish feminism but also by Spanish debates about what rights democracies should grant women and what equality in a post fascist nation should encompass This ground breaking study explains that in turn these processes shaped both Spain s and the European Union s much prized self
