The Irish Yearbook of International Law, Volume 10, 2015 Fiona de Londras, Siobhán Mullally, 2017-11-30 The Irish Yearbook of International Law IYIL supports research into Ireland's practice in international affairs and foreign policy filling a gap in existing legal scholarship and assisting in the dissemination of Irish thinking and practice on matters of international law On an annual basis the Yearbook presents peer reviewed academic articles and book reviews on general issues of international law Designated correspondents provide reports on international law developments in Ireland Irish practice in international bodies Ireland and the Law of the Sea and the law of the European Union as relevant to developments in Ireland In addition the Yearbook reproduces key documents that reflect Irish practice on contemporary issues of international law Publication of The Irish Yearbook of International Law makes Irish practice and opinio juris more readily available to governments academics and international bodies when determining the content of international law In providing a forum for the documentation and analysis of North South relations the Yearbook also makes an important contribution to post conflict and transitional justice studies internationally As a matter of editorial policy the Yearbook seeks to promote a multilateral

approach to international affairs reflecting and reinforcing Ireland's long standing commitment to multilateralism as a core element of foreign policy The tenth volume of The Irish Yearbook of International Law engages with contemporary issues in international law raising questions both as to the conceptual underpinnings of international law in relation to the Responsibility to Protect doctrine and state practice in fields such as Law of the Sea and belligerent occupation prosecution of war crimes in domestic courts and the evolving field of international disability law **IAMSAR Manual: Mobile facilities**, 2003 *Proficiency in Fast Rescue Boats*, 2000 IMO publication sales no T124E *Iamsar Manual Volume I, 2010 Spanish Edition*, 2010 *IAMSAR Manual: Mobile facilities* International Maritime Organization, 2006

International Aeronautical and Maritime Search and Rescue Manual: Mobile facilities International Maritime Organization, International Civil Aviation Organization, 1998 This volume is intended to be carried aboard rescue units aircraft and vessels to help with performance of a search rescue or on scene coordinator function and with aspects of SAR that pertain to their own emergencies **Responses to Sea Migration and the Rule of Law** Katia Bianchini, 2024-08-22 In the current debates on sea migration there is a dearth of works drawing on the rule of law This important book addresses this failing Considering the question from that conceptual framework it is able to broaden the sometimes fragmented and incomplete perspective of existing scholarship The book takes as its central case study the experience of Italy exploring the legal issues at play there and its institutional practices and policies From here its focus broadens out to the wider EU experience looking in particular at those problems common to southern EU states such as failures and delays in assisting migrants in distress at sea and contested legal grounds and practices concerning interceptions at sea It combines both legal and empirical data charting both the black letter law and how it operates in practice In a field as complex as this this clarity is key it allows lawyers political scientists and policymakers to truly engage with the challenges sea migration poses today

Cooperation and Engagement in the Asia-Pacific Region Myron H. Nordquist, John Norton Moore, Ronán Long, 2019-11-11 *Cooperation and Engagement in the Asia Pacific Region* brings together contributions from leading experts around the world in the law of the sea The volume addresses topics such as regional cooperation protection and preservation of the marine environment freedom of navigation sustainable fisheries and future cooperation within the important Asia Pacific region This book provides valuable insight into a region that encompasses many important maritime regions and harbors promising opportunities for maritime cooperation and engagement **Notice to Mariners**, 2000 **Doctor on Board** Jürgen Hauert, 2010-06-15 An essential guide for sailors dealing with medical problems or emergencies while at sea
