Thank God My Stroke Did Not Lead to Death Pastor V. Maxine Williams, 2013-08-23 I never paid too much attention about my health I ignored the symptoms for months Thank God for looking out for me and my ignorance I should have paid attention to the constant headaches weariness and constantly feeling tired I was being unreasonable as there were so many days I was drained and worn out I did not have any idea as to why my sugar level stayed elevated I sort of watched the things I was eating I found out that many things can elevate your sugar level I had deluded myself for a long time It was not until I became chronically ill and then I could tell everyone having a stroke is such a rude awakening It is a sad situation losing your thoughts your mobility and almost losing your life It is so tough realizing you can barely move My story shows how God specializes in anything and everything that has appeared as impossible My life took such a turn as I could not think be in motion or simply talk If you have any rivers you think you cannot cross just tell yourself God specializes as He carries you through Jesus had my entire situation in the palms of His hands As I think back how my family was so torn apart frighten and afraid over how distort things had gotten My right side had become dormant I really needed a great deal of help after the Lord stepped in and showed everyone I would live and not die I vividly was lying from down in that hospital from day to day telling myself Jesus is that perfect answer I laid there almost in a comatose state I was able to think if we have any mountains that we think cannot climb Jesus will pick you up and enable you to do what seems is without a solution any particular situation regardless to what it is He will help us to climb this mountain He did it for me and He will do it for anyone who asks for help My situation of having a stroke was so graphic My entire family was so devastated I was one who was so energetic preaching teaching running and working through the community I stayed busy trying to help others rather than really taking good care of myself Thank God for looking out for me because I had been deceived mentally I am working hard to get better I can tell somebody God does specialize in anything that has presented itself to impossible **Women's Spiritual Passages**
