*How the Mighty Fall* James Charles Collins, Jim Collins, 2009 How do the mighty fall Can decline be detected early avoided How far can a company fall before the path toward doom becomes inevitable unshakable How can companies reverse course In this book Collins confronts these questions offering leaders the well founded hope that they can learn how to stave off decline

**How the Mighty Fall** Jim Collins, 2009-06-01 Discusses signs pointing toward the decline of a business how far the decline can proceed before failure becomes inevitable and crucial steps companies can take to reverse course

How The Mighty Fall Jim Collins, 2009-05-19 Decline can be avoided Decline can be detected Decline can be reversed Amidst the desolate landscape of fallen great companies Jim Collins began to wonder How do the mighty fall Can decline be detected early and avoided How far can a company fall before the path toward doom becomes inevitable and unshakable How can companies reverse course In *How the Mighty Fall* Collins confronts these questions offering leaders the well founded hope that they can learn how to stave off decline and if they find themselves falling reverse their course Collins research project more than four years in duration uncovered five step wise stages of decline Stage 1 Hubris Born of Success Stage 2 Undisciplined Pursuit of More Stage 3 Denial of Risk and Peril Stage 4 Grasping for Salvation Stage 5 Capitulation to Irrelevance or Death By understanding these stages of decline leaders can substantially reduce their chances of falling all the way to the bottom Great companies can stumble badly and recover Every institution no matter how great is vulnerable to decline There is no law of nature that the most powerful will inevitably remain at the top Anyone can fall and most eventually do But as Collins research emphasizes some companies do indeed recover in some cases coming back even stronger even after having crashed into the depths of Stage 4 Decline it turns out is largely self inflicted and the path to recovery lies largely within our own hands We are not imprisoned by our circumstances our history or even our staggering defeats along the way As long as we never get entirely knocked out of the game hope always remains The mighty can fall but they can often rise again
