111 Tips on How to Market Your Book for Free Doris-Maria Heilmann, 2021-03-31 This second totally revised expanded and updated edition of the popular book marketing guide shows writers and publishers how to market books for free Confused about how to build an author platform Frustrated with slow marketing progress Discover how to create a viable online author presence in this valuable and informative book e 111 Tips on How to Market Your Book for Free Detailed Plans and Smart Strategies for Your Book's Success Creating an online presence can be a daunting task for the author Promoting yourself and a book can quickly lead to becoming overwhelmed Strategize your writing career by planning how to publish publicize and launch your book Learn how to get your books in bookstores and libraries and successfully contact television and radio stations and bloggers Develop a solid plan to market your book and watch your sales grow Are you ready to elevate your book promotion For newcomers and seasoned authors e 111 Tips on How to Market Your Book for Free e delves deeply into the mechanics of taking your writing career to the next level With more links and resources this book can easily become invaluable to the writer Although it may be dense with information the content is much more detailed Reviewer e I liked the author's tips on how to build online relationships As someone who avoids social media it has been the bane of my author's existence I really appreciated how the author breaks down how to work on social media Short to the point succinct Finally I get it I am so excited to implement so many of these ideas I was also thrilled to read the section on how to pitch to television and radio Another superb writer's resource book from an excellent author e *How to Promote Your Book* Jan Yager, 2023-01-18 Writing a great book is the easy part Getting people to buy the book is wicked hard Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller Jeffrey Fox bestselling author How to Become a Rainmaker Being an author is 50% creative and 50% promotion Jan Yager's comprehensive and practical book How to Promote Your Book tells authors exactly what they need to know and do to promote their book I'm recommending it to all the authors I know including those whose books I share through my Bedside Reading program Jane Ubell Meyer CEO Bedside Reading former TV producer Good Morning America Entertainment Tonight WSJ TV Whether your book is being released through a commercial publisher or an academic press or you are self publishing it as the author you can and should play a crucial role in getting your title seen talked about and sold And while you may watch dozens of authors pitch their books on TV in social media and in bookstores they represent only a fraction of the writers who come out with new books each year

What do they know that you don't? They know what to do to get attention for themselves and more important for their books and as you will discover in book publishing veteran Jan Yager's *How to Promote Your Book* you can too. The book is divided into three sections. Part One begins with a look at promotion basics. These include knowing what your book's marketplaces are, who your audience is, how the media is divided, the elements involved in publicity and how to create an effective promotional timeline. Once you understand the basics, Part Two focuses on the ways to package and market yourself to the various book and media outlets. It discusses putting together professional looking press releases and media kits. It also explains how to obtain endorsements and reviews as well as how to generate speaking engagements and interviews with journalists, bloggers and radio, TV and podcast hosts. Part Three provides a plan that covers the first three months of an author's publicity program from the day the book is formally released through all the media events that have been lined up. Throughout the book you will find insets that answer important questions such as: What are the real costs involved and Should I promote myself or hire a publicist? Just as important, the author includes a valuable resource guide that provides the names, addresses and links to many of the key places covered in the book. Jan Yager has enjoyed a fabulous career as both a best selling author and a publisher. She has been interviewed by many of the top shows on TV and radio. In *How to Promote Your Book* she lets you in on what she has done both for herself and for her authors to open the door to effective publicity.

How to Market Your Books WITHOUT SPENDING A DIME Prasenjeet Kumar, 2016-01-14 Finally a Book on Marketing that cuts out the Fluff and Focuses only on the Essentials. Are you bombarded with strange and esoteric marketing advice to sell your books in 1000 ways that leaves you baffled, bewildered and terribly confused? Do you feel that learning and mastering those complicated strategies have sucked away all the joy you once had for writing? Then this book focusing on the bare essentials for marketing your book may just be what the doctor ordered. From Prasenjeet Kumar, the #1 Best Selling Author of *Self Publishing Without Spending A Dime* series of books comes a book that after discussing threadbare all the fluff and jargon that marketing gurus spout, establishes why less is always more. At last! This book covers the following topics: Should you self publish at all? Pros and cons of exclusivity. The futility of conventional marketing tactics such as hanging out on social media, contacting reviewers, entering Goodreads Giveaways etc. Mindset issues. Effectiveness of Perma Free versus the Perma 0.99 strategy. How to engage and sell your books to your readers via e-mail marketing. And much more. **BONUS** Learn How to Evaluate a Paid Advertising Option. Which books to promote. Which sites to use. How to avoid fraudulent sites. How to track your sales without the use of any magical software. The best form of promotion. And more without spending a dime as promised. So what are you waiting for? Just scroll up and hit the Buy button or download a sample now.
