Satisfy Your Woman Peter Suenos, 2020-10-20 There are few things that can compare with the wonderful feeling of being in love. In fact, that feeling gets to the peak when it is accompanied with mind blowing sex regularly. But sometimes beyond the initial excitement the happy relationship soon runs into troubled waters due to the actions and inactions of one or both partners. In some cases they make up and move on; at other times the relationship is never the same again and they both have to endure the relationship. For you to be able to win your woman's heart, you have to learn how to satisfy her sexual desires. No woman wants to stay with a man who will not be able to satisfy her sexual desires because it could make her look outside the relationship for someone who can do that for her. Most men only focus on getting their satisfaction during sexual intercourse so much that once they reach orgasm they feel satisfied, not even minding if their woman has reached hers or not. For you to be able to satisfy her sexual desires very well, you have to know that sexual orgasm most often occurs faster in men than in women. In this book, I am going to write exclusively on the steps you need to follow to satisfy the sexual desires of your woman.

The Sexually Rich Marriage Tony Nze, 2015-07-09 Many couples are matrimonial illiterates. One of the areas of marriage where they are deficient in knowledge and have ever wished to be enlightened is the area of Sexuality. This book discusses sexuality within the bounds of marriage. It is very insightful, instructive, and comprehensive yet with an eye on sound moral standard. The author sees Sexuality as sacred and one of the most beautiful gifts from God. In this masterpiece, he educates couples on the nitty gritty of actualizing a fulfilling sexual life in their marriage. This book combines Theology, Psychology, and Biology to achieve its objectives. To put it succinctly, it is a loaded, morally sound, and riveting package of sex education for today's husbands and wives. Though written for the consumption of married people, other adults who are preparing to get married can still read it.

Love, Sexuality, and Matriarchy Erich Fromm, 2024-02-27 A fascinating collection of essays on the complicated relations between men and women from the New York Times bestselling author of *The Art of Loving*. The New York Times Book Review: The renowned social psychologist delves deep into the fraught relationship between genders, drawing upon the influential insights of Bachofen, Freud, Marx, and Briffault. Not primarily interested in the existence of anatomical and biological differences between the sexes, Fromm instead analyzes how these differences have been made use of throughout human history. Drawing from Bachofen's *Mother Right*, Fromm expounds on how matriarchal and patriarchal social structures determine relations between the sexes in essential ways and how they are shaped by the dominant orientation of the social character at any given time. He posits that the most important question concerning gender relations is which characterological orientation determines human relationships: love or hate, love of life or fascination with force. Thus, it will not be gender conflict that will determine humanity's future, but whether we opt for love of life or love of death. As these essays show, Fromm was a wide-ranging thinker whose writings sometimes manifested brilliant insights or practical wisdom. Kirkus Reviews

is tested against the dynamics of each of the four defined periods establishes that the moral overview of any given period is determined not by a set of pre existing ethics but by the existent power structure of the period in question The accepted moral code actually serves the party in power How would this theory play out in the context of India today Banerji examines this question at length as one of extreme urgency and concludes that the three most burning issues facing the country today population explosion AIDS and female genocide are the manifestations of a collective sexual malfunctioning of society and need to be redressed in the context of an existent social and economic power hierarchy **Getting Intimate** Linn
