Library Journal's Focus On columns which spotlight specific topics across the curriculum. Providing context for the guide and suggestions on how to use these resources within a standards framework is an introduction by Common Core experts Mary Ann Cappiello and Myra Zarnowski. These educators provide perspective on the key changes brought by the new standards including suggestions on designing lessons and two sample plans. Following the introduction you'll find a wealth of books by category. Note that the guide is Dewey Decimal based so you may want to dig around for example in Social Sciences to find some titles that you might first seek in History or Science. Each section includes a listing of the top titles with brief explicit annotations and key bibliographic data. Focus On articles are appended to appropriate categories to support in depth curricular development. Each of these articles includes a topic overview and list of current and retrospective resources including some fiction and multimedia enabling educators to respond to the Common Core State Standards call to work across formats.
