Fitchett, 2016-06-15 Excerpt from How England Saved Europe Vol 4 of 4 The Story of the Great War 1793 1815 Both the British Cabinet and the Allied sovereigns were eager that Wellington should cross the Bidassoa and display the British flag on French soil The moral effect of the invasion of France by the victorious English would be immense It would proclaim to the world the completeness of the French overthrow in Spain It would dissipate as with the prick of Ithuriel's spear the spell of Napoleon's invincibility To see France invaded on the south while Napoleon himself was fighting desperately for existence on the east would give new courage to banded Europe And as a political stroke rather than an effort of sound strategy Wellington with Pampeluna still unsubdued in his rear determined to pass the Bidassoa About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Fitchett, 2015-07-08 Excerpt from How England Saved Europe Vol 2 of 4 The Story of the Great War 1793 1815 The Struggle for the Sea Egypt was attended with great suffering it suggests indeed the retreat from Moscow translated into terms of heat Thirst took the place of the frost and plague of the Cossacks The spirit of the French soldiers was broken the plague was in their blood Men fell stricken from the ranks as they marched and their comrades had for them neither pity nor help Bonaparte made all his officers give up their horses for the service of the sick and wounded but in spite of this the track of the retreating army was marked by a trail of dying and abandoned men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
