The Etherized Wife Leslie Margolin, 2021 *The Etherized Wife* provides a comprehensive examination of the evolution of sex therapy through the prism of gender. The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men's expectations. What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality. To support these claims Leslie Margolin maps a series of case studies drawn from the discipline's own literature, the articles and books that have been and continue to be treated as exemplars of the discipline's collective consciousness. Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less, the book shows how therapists have favoured the man's side. *The Etherized Wife* shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal, natural, healthy sexuality. *Sex and the intelligent woman* Manfred F. DeMartino, 2013-12-11

The Way of the Satisfied Woman Alanna Kaivalya, PhD, 2024-11-26 EXPLORE THE FULLEST POTENTIAL OF YOUR POWER AS A WOMAN. Although women today have greater opportunity to make our own choices, build independent lives, and craft powerful careers, we all too often forge our path by following the trajectory laid out by men. By emulating what men identify as desirable goals and strategies, we deny our truest, most innate feminine qualities and desires. *The Way of the Satisfied Woman* offers an alternative path for women and for any person who cares to focus more on the feminine than the masculine. The path of the feminine is simply different, perfect in its own right, yet integral and complementary to the path of the masculine. Alanna Kaivalya shows how embodying feminine energy sets us free, relaxes us, and allows us to more completely manifest the things that are most important to us, including connection, communion, and compassion. *The Way of the Satisfied Woman* explores definitions of feminine and masculine energies that embrace gender differences and affirm the experience of the modern woman, prominent qualities of the feminine as represented by mythological archetypes, and modern psychology ways of redefining the feminine in modern language, ideas, and arenas, including intimate relationships, career, family, success, community, and legacy, the relationship between masculine and

feminine and its manifestations in intimate partnerships It is time for women to take our place in the world and embrace the power potency and purpose of the feminine which will profoundly impact not just our own lives but the balance of all life around us
