A Lamb Among 21st Century Wolves Paul Estabrooks, 2023-02-17 Paul Estabrooks Living Like A Lamb Among 21st Century Wolves Balancing Grace and Truth in a day when the polar opposite world views are endlessly hostile confrontational and seemingly intent on eliminating each other from public dialogue and discourse of each s particular views of life this is a book on how we Christians should respond to our current world dilemmas as well as to each other with grace and truth Carefully and skillfully handling Scripture culture and history Paul Estabrooks lays out a map for all Christians on how to maintain a grace filled approach to what are clearly wolves intent on Christian destruction and silence while sharing the stories of persecuted Christians elsewhere who exemplify being overcomers **Reaping the Whirlwind** John R. Pottenger, 2007-07-05 As early as the sixteenth century the liberal democratic state has been forced to confront the question of religion in politics The result has been a tense and uncomfortable balancing act Today in the public square of liberal democracy a number of religious confessions and beliefs compete for attention In the American experience some sense of religious pluralism and relative social harmony has been maintained However for this relationship to prevail a tension must continue to exist one that balances the political and social pursuits of self interest with meeting the objectives of the common good In Reaping the Whirlwind John R Pottenger shows how this process began in the modern world and how societies attempt to manage this ongoing conflict The first part of the book lays the groundwork of his analysis by using examples from history to demonstrate the genesis of political and religious whirlwinds It goes on to explore contemporary case studies such as conflicts between Mormons and Evangelicals in the United States liberation theology in Latin America Islam and the state in Uzbekistan and radical Christian reconstructionism Pottenger believes that the formal institutions of liberal democracy should maintain this turbulence even as religious activism threatens to upset the balance He concludes by advocating religious liberty and recognizing the individual and social need for expression At the same time he maintains that the survival of liberal democracy requires that these religious traditions not dominate the public sphere **Fearless Parenting** George Barna, Jimmy Myers, 2017-07-04 Conscientious parents who long to bring their children up as good Christians and good citizens face an uphill battle In a culture of rampant narcissism and moral anarchy righteous living isn t easy and it isn t popular But positive cultural transformation happens quietly one life at a time and that is good news for parents In this hopeful book world renowned researcher George Barna and nationally respected counselor Jimmy Myers offer parents a plan of action to raise healthy godly children in a morally bankrupt culture If the parents of this generation want to see their children grow up with their faith and consciences intact they cannot afford to simply react making it up as they go along They must approach their responsibilities to parent their children with intentionality and consistency This eye opening book helps them do just that **How People Change Study Guide** Timothy S.
