### **Transmediality of the Half the Sky Movement** Lynn

Kühner,2015-11-30 This paper examines another way of using transmediality which goes beyond entertainment and marketing transmedial activism made by human rights organisations Half the Sky Movement is a transmedial project based on the book *Half the Sky Turning Oppression into Opportunity for Women Worldwide* by Nicholas Kristof and Sheryl WuDunn 2009 and aims to stop the oppression of women worldwide When examining the concept behind this transmedia activism project one will soon recognize that the approach the organization makes to convey the non fictional content is in many ways similar to the approaches of media companies that sell fictional transmedial stories The paper aims to answer two central questions How is the concept of transmedial storytelling applied to the Half the Sky Movement and in how far is this strategy beneficial for the aims of the project

### **Women Community Leaders and Their Impact as Global Changemakers**

Goodman Hayward, Patricia,Rehman, Sahar,Yan, Zirui,2022-04-22 Women though historically oppressed have always played a crucial role in global communities As more women are taking leadership positions in social political and business roles it is essential to examine the way in which these women impact cultural development and societal progression In some cases these women community leaders impact goes beyond their communities and affect transformative cultural change globally *Women Community Leaders and Their Impact as Global Changemakers* examines how communities change based on cultural resilience advocates It examines female leaders of local communities making an impact that either could be replicated at a global level or impact on a global scale Covering topics such as governmental transformation human rights and social change through technology this premier reference source is a dynamic resource for feminists governmental organizations libraries students and educators of higher education entrepreneurs leaders in business non profit organizations empowering women and girls researchers and academicians

### **Virtual Ascendance** , Devin C. Griffiths,2013-09-19 From school lunchrooms to the White House press room video games are an integral part of our popular culture and the industry behind them touches all aspects

of our lives gamer and non gamer alike Business and entertainment health and medicine politics and war social interaction and education all fall under its influence Virtual Ascendance tells the story of a formerly fringe enterprise that when few were paying attention exploded into a multi billion dollar industry affecting the very way we live Griffiths paints a thorough and vivid picture of the video game industry illuminating the various and often bizarre ways it s changing how we work play and live He brings readers along on his own journey of discovery from the back room of a small Irish pub where members of the second largest industry enclave meet each month to a university clinic where the Wii is being used to treat Parkinson s sufferers and everywhere in between Virtual Ascendance is more than just a story about video games though It s the story of an awakening of a realization that a childhood pastime has exploded into a thriving enterprise one rooted in entertainment but whose tendrils reach into virtually all aspects of life and society *Half the Church* Carolyn Custis James,2011-04-19

Women comprise at least half the world and usually more than half the church but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life This all but shuts women out from contributing to God s kingdom as they were designed to do Furthermore the plight of women in the Majority World demands a Christian response a holistic embrace of all that God calls women and men to be in his world The loudest voices speaking into women s lives in the twenty first century thus far come from either fundamentalist Islam or radical feminism And neither can be allowed to carry the day The Bible contains the highest possible view of women and invests women s lives with cosmic significance regardless of their age stage of life social status or culture Carolyn Custis James unpacks three transformative themes the Bible presents to women that raise the bar for women and calls them to join their brothers in advancing God s gracious kingdom on earth These new images of what can be in Christ free women to embrace the life God gives them no matter what happens Carolyn encourages readers with a positive kingdom approach to the changes challenges and opportunities facing women throughout the world today **Lioness Arising** Lisa

Bevere,2011-09-06 An irresistible call for Christian women to live boldly and fully into their God given wisdom power and capabilities The lioness rises from her slumber a magnificent image of strength passion and beauty Her mere presence commands the landscape protects her young and empowers the lion In groups lionesses become a creative and strategic force to be reckoned with acting as one to change the world around them You too are a lioness In *Lioness Arising* author and speaker Lisa Bevere offers the life and image of the lioness as a fierce and tender model for women Revealing the surprising characteristics of this amazing creature Lisa challenges women to discover fresh passion prowess and purpose Learn what it means to be a stunning representation of strength fiercely protect the young lend your voice to the silenced live in the light and hunt in the dark raise a collective roar that changes everything Packed with remarkable insights from nature and a rich depth of biblical references to lionesses *Lioness Arising* is a call for women to rise up in strength and numbers to change their world Jesus is after all the lion of the Tribe of Judah We are his lioness arising Women's Rights in the United States

Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

**The Global Status of Women and Girls** Dawn Hutchinson, Lori Underwood, 2017-07-25 The Global Status of Women and Girls A Multidisciplinary Approach fosters inquiries into the complex and multifocal issues faced by women and girls around the world both historically and today It not only asks key questions related to public policy but also it unearths the forces that created these current dilemmas Through the multidisciplinary study of past and present contributors take on policy conversations benefiting the global community This book will appeal to any scholar interested in communication and gender studies

*Encyclopedia of Domestic Violence and Abuse* Laura L. Finley, 2013-07-16 This comprehensive two volume work examines domestic abuse in the United States and worldwide providing research personal stories and primary documents that reveal the extent of the problem An estimated 1 300 to 1 800 Americans are murdered by intimate partners each year Far from being a problem that only impacts women domestic violence hurts society as a whole both socially as well as financially with an estimated direct and indirect cost of nearly 6 billion annually in the United States This book provides a timely and thorough reference for educators students scholars and activists seeking to better understand the global issue of domestic abuse The entries document the history of the domestic violence prevention movement provide explanations for abuse identify warning signs of hidden abuse describe types of victims and offenders and supply information on interventions and prevention programs Written by an array of experts in the field the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation

**The Cambridge Companion to Global Literature and Slavery** Laura Murphy, 2022-12-22 The Cambridge Companion to Global Literature and Slavery reveals the way recent scholarship in the field of slavery studies has taken a more expansive turn in terms of both the geographical and the temporal These new studies perform area studies driven analyses of the representation of slavery from national or regional literary traditions that are not always considered by scholars of slavery and explore the diverse range of unfreedoms depicted therein Literary scholars of China Central Asia the Middle East and Africa provide original scholarly arguments about some of the most trenchant themes that arise in the literatures of slavery authentication and legitimation ethnic formation and

globalization displacement exile and alienation representation and metaphorization and resistance and liberation This Cambridge Companion to Global Literature and Slavery is designed to highlight the shifting terrain in literary studies of slavery and collectively challenge the reductive notion of what constitutes slavery and its representation *Globalization and Media* Jack Lule, 2021-01-20 The fully updated fourth edition of this lively and accessible book argues for the central role of media in understanding and shaping globalization By breaking down the economic cultural and political impact of media and through a rich set of case studies Jack Lule describes a divided global village its destiny shaped by strife Suffering and the Vulnerable Rule of God Kathleen McManus, OP, 2022-04-25 How is the reign of God revealed through the suffering experience of women and the marginalized That is the question Kathleen McManus seeks to answer She employs the Lukan image of the bent over woman standing up straight as the paradigm for all who are marginalized because of gender sexual orientation or race Her viewpoint arises from encounters with individuals and communities who suffer exclusion negation diminishment and violence in relation to a patriarchal church in a still patriarchal world Engaging Edward Schillebeeckx's method of negative contrast experience McManus explores what may be known in the space of encounter between the institutional church and these suffering others and draws out latent possibilities for mutual conversion and transformation She reflects on the meaning of Schillebeeckx's insight into the superior power of God's defenseless vulnerability in creation and on the cross and asks what it might mean for the church to embody the vulnerable rule of God in its own structures doctrines symbols and rituals
