In the foreground, a wooden baseball bat lies horizontally across the frame, and a white baseball sits on the grass to the left. The background shows the infield and outfield, with a large, light-colored object, possibly a person or a large object, visible in the distance. The title "HALF HOUSE" is overlaid in large, black, serif capital letters across the middle of the image.

*Family Trouble* Joy Castro, 2020-03-01

Whenever a memoirist gives a reading, someone in the audience is sure to ask, "How did your family react?" Revisiting our pasts and exploring our experiences, we often reveal more of our nearest and dearest than they might prefer. This volume navigates the emotional and literary minefields that any writer of family stories or secrets must travel when depicting private lives for public consumption. Essays by twenty-five memoirists, including Faith Adiele, Alison Bechdel, Jill Christman, Judith Ortiz Cofer, Rigoberto Gonzales, Robin Hemley, Dinty W. Moore, Bich Minh Nguyen, and Mimi Schwartz, explore the fraught territory of family history told from one perspective, which from another angle in the family drama might appear quite different indeed. In her introduction to this book, Joy Castro herself, a memoirist, explores the ethical dilemmas of writing about family and offers practical strategies for this tricky but necessary subject. A sustained and eminently readable lesson in the craft of memoir, *Family Trouble* serves as a practical guide for writers to find their own version of the truth while still respecting family boundaries.

*The Memoirs of Alexander Herzen, Parts I and II* Aleksandr Herzen, 2022-08-21

In *The Memoirs of Alexander Herzen, Parts I and II*, Aleksandr Herzen offers a profound exploration of his life, thoughts, and the tumultuous socio-political landscape of 19th-century Russia. Written in a reflective and often lyrical style, Herzen's memoirs navigate the intricate interplay between personal experiences and broader historical narratives. The autobiographical work engages with themes of exile, revolution, and the quest for freedom, revealing the complexity of a man torn between his intellectual ideals and the stark realities of his time. Herzen's narrative serves as a lens through which readers can examine the cultural and philosophical currents that shaped Russian society during a period of significant upheaval and transformation. Aleksandr Herzen, often revered as the father of Russian socialism, was a quintessential figure of the intelligentsia. Born into a noble family, his early life was marked by an acute awareness of social injustice and a burgeoning anti-establishment fervor. His exile from Russia pushed him to articulate his revolutionary ideas, and this memoir reflects not only his personal journey but also the broader intellectual awakening of his era. Herzen's experiences in Europe and his deep engagement with radical thought critically informed the evolution of his philosophies and writings. This masterful work is highly recommended for those interested in Russian literature, intellectual history, and the personal narratives that shape political ideologies.
