Hamlet's Dresser Bob Smith,2003-11-01 Bob Smith was a fragile boy from a difficult household that was presided over by an unstable depressive mother who depended on him and an unsupportive unavailable father At the age of ten he found in Shakespeare the buoy that would keep him afloat for the rest of his tumultuous life *OK2BG* Jack Dunsmoor,2015 *OK2BG* is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author s attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in *OK2BG* is to read reassess before you run asunder *We Cry Out* John DeFrain PH D,John S. Campbell,Susan Dahl MS,2006 How does a developmental disability affect an individual throughout the course of life What impact does the disability have on the individual s family What strengths do families use to cope with these disabilities What do they do that works And what doesn t work These are the kinds of questions we have been asking individuals and families in our research over the past 15 years This book was written to report their stories and to honor these people who have shared their lives and their cries from the heart with us It is both a positive book and a realistic book full of love and grief and tenderness and anger and kindness and sorrow and courage It is as real as the people who gave us the gift of their lives *A Journey* John S. Campbell, MD,2006-06-26 All of us repeatedly grieve heal and reinvent ourselves throughout our lives Being aware of and active in this inherent aspect of our existence I believe to be a less painful and more satisfying way of living than blindly struggling with or resisting these natural processes John S Campbell M D author of *A Journey Creative Grieving and Healing* We all die he seems to be telling us What is far more important is that we live a meaningful life before that time comes We all need to dig deep to find our own wisdom so we may understand what John is telling us Nikki DeFrain M S and John DeFrain Ph D from their Foreword *The Organization of Information* Daniel N.
