Handbook of Political Communication Research Lynda Lee Kaid, 2004-07-19 This volume brings together the major thrusts of research and theory in political communication For scholars researchers students in political communication mass communication and political science and for readers in public opinion political psychol *The ^AOxford Handbook of Political Communication* Kate Kenski, Kathleen Hall Jamieson, 2017-06-23 The Oxford Handbook of Political Communication provides contexts for viewing the field examines political discourse media and interpersonal and small group political communication and considers political communication s evolution inside the altered political communication landscape Agendas for future research and innovation are presented *Political Communication* Carsten Reinemann, 2014-07-28 Against the background of an enormous expansion and diversification of both political communication itself and scientific research into its structures processes and effects this volume gives an overview of some of the key theories and findings accumulated by political communication research over the last decades In order to do so the volume provides readers with review articles by renowned international authors on various aspects of I the normative regulatory and conceptual foundations of political communication II different situations of political communication e g elections referendums social movements media hypes crisis and war III the activities of and part played by political actors IV mass media and journalism V characteristics and typical features of media messages VI the role played by citizens as well as VII various kinds of effects on citizens Each section includes several chapters that address specific issues and research problems in the form of comprehensive overviews articles *Science Communication* Annette Leßmöllmann, Marcelo Dascal, Thomas Gloning, 2019-12-16 The volume gives a multi perspective overview of scholarly and science communication exploring its diverse functions modalities interactional structures and dynamics in a rapidly changing world In addition it provides a guide to current research approaches and traditions on communication in many disciplines including the humanities technology social and natural sciences and on forms of communication with a wide range of audiences Comparing Political Communication across Time and Space M. Canel, K. Voltmer, 2014-10-29 By using a wide diversity of theoretical and methodological approaches and by encompassing both cross national and longitudinal analyses this volume sheds new light on comparative political communication research such as personalization globalization democratization and the changing nature of journalism **Communicating Politics in the Twenty-First Century** Karen Sanders, 2017-09-16 From propaganda to protests this book provides an in depth study of politics and the media today Using historical and contemporary examples Sanders covers the essential theory and key research in the field Topical and comprehensive this book covers everything students need to know about the global world of political communication **The Palgrave Handbook of Media and Communication Research in Africa** Bruce Mutsaers, 2018-03-22 This handbook attempts to fill the gap in empirical scholarship of media and communication research in Africa from an Africanist perspective The collection

draws on expert knowledge of key media and communication scholars in Africa and the diaspora offering a counter narrative to existing Western and Eurocentric discourses of knowledge production As the decolonial turn takes centre stage across Africa this collection further rethinks media and communication research in a post colonial setting and provides empirical evidence as to why some of the methods conceptualised in Europe will not work in Africa The result is a thorough appraisal of the current threats challenges and opportunities facing the discipline on the continent

Global Media and National Policies Terry Flew, Petros Iosifidis, Jeanette Steemers, 2016-04-08 Conventional wisdom views globalization as a process that heralds the diminishing role or even death of the state and the rise of transnational media and transnational consumption Global Media and National Policies questions those assumptions and shows not only that the nation state never left but that it is still a force to be reckoned with With contributions that look at global developments and developments in specific parts of the world it demonstrates how nation states have adapted to globalization and how they still retain key policy instruments to achieve many of their policy objectives This book argues that the phenomenon of media globalization has been overstated and that national governments remain key players in shaping the media environment with media corporations responding to the legal and policy frameworks they deal with at a national level

Rhetorical Audience Studies and Reception of Rhetoric Jens E. Kjeldsen, 2017-11-10 This book examines the reception of rhetoric and the rhetoric of reception By considering salient rhetorical traits of rhetorical utterances and texts seen in context and relating this to different kinds of reception and or audience use and negotiation the authors explore the connections between rhetoric and reception In our time new media and new forms of communication make it harder to distinguish between speaker and audience The active involvement of users and audiences is more important than ever before This project is based on the premise that rhetorical research should reconsider the understanding conceptualization and examination of the rhetorical audience From mostly understanding audiences as theoretical constructions that are examined textually and speculatively the contributors give more attention to empirical explorations of actual audiences and users The book will provide readers with new knowledge on the workings of rhetoric as well as illustrative and guiding examples of new methods of rhetorical studies

Political Discourse and Media in Times of Crisis Sofia Iordanidou, Nael Jebri, Emmanouil Takas, 2023-04-04 The changes triggered by the global financial crisis in 2008 the immigration flows and the covid 19 pandemic in contemporary societies have transformed the way individuals communicate create content and consume publicly available information Consequently political societal and financial pressures have led to alternative forms of media practice and representations and disrupted the core relationships and dynamics between politics journalism and society This edited book examines the key challenges in political discourse and journalistic practice in times of crisis It focuses on European paradigms and links political rhetoric and media challenges with the societal political and financial crises from 2008 until the present

The COVID-19 Pandemic and Risks in East Asia Nobuto Yamamoto, 2022-11-29 Using risk as a conceptual lens this book analyzes how communities

across East Asia responded to the disruption unleashed by the COVID 19 pandemic The contributors to this book look at how governments societies and individuals have perceived experienced dealt with and interpreted the pandemic and the transformations it has brought across countries like Japan South Korea Taiwan Vietnam and the Philippines They examine pressing concerns such as infodemic digital health literacy media cynicism telework and digital inequalities in conjunction with issues such as public trust identity formation nationalism and social fragmentation They look at a wide range of questions relating to communication mediation and reactions to the challenges of the pandemic An insightful resource for scholars of risk studies and of East Asian societies the book is also a valuable reference for students and researchers of media and communication studies and sociology
