Kings** Joseph Hammond,1881 **The Protestant Bible Correctly Translated** William Harwood,2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors' beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has been the rendering of the Hebrew word allahiyim as the male proper name God Allahiyim is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiyim a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact www.worldaudience.org *Grand Challenges for Social Work and Society* Rowena Fong,James Lubben,Richard P. Living the Dream Daniel T. Fleming, 2022-03-11 *Living the Dream* tells the history behind the establishment of Martin Luther King Jr Day and the battle over King's legacy that continued through the decades that followed Creating the first national holiday to honor an African American was a formidable achievement and an act of resistance against conservative and segregationist opposition Congressional efforts to commemorate King began shortly after his assassination The ensuing political battles slowed the progress of granting him a namesake holiday and crucially defined how his legacy would be received Though Coretta Scott King's mission to honor her husband's commitment to nonviolence was upheld conservative politicians sought to use the holiday to advance a whitewashed nationalistic and even reactionary vision of King's life and thought This book reveals the lengths that activists had to go to elevate an African American man to the pantheon of national heroes how conservatives took advantage of the commemoration to bend the arc of King's legacy toward something he never would have expected and how grassroots causes unions and antiwar demonstrators continued to try to claim this sanctified day as their own
