Monthly Catalog of United States Government Publications, 1999 *The Living Church*, 1943 *Federal Register Index*, 2010 **Bringing the War Home** Jeremy Peter Varon, 2004-04-30 In this first comprehensive comparison of left wing violence in the United States and West Germany Jeremy Varon focuses on America's Weather Underground and Germany's Red Army Faction to consider how and why young middle class radicals in prosperous democratic societies turned to armed struggle in efforts to overthrow their states Based on a wealth of primary material ranging from interviews to FBI reports this book reconstructs the motivation and ideology of violent organizations active during the 1960s and 1970s Varon conveys the intense passions of the era the heat of moral purpose the depth of Utopian longing the sense of danger and despair and the exhilaration over temporary triumphs Varon's compelling interpretation of the logic and limits of dissent in democratic societies provides striking insights into the role of militancy in contemporary protest movements and has wide implications for the United States current war on terrorism Varon explores Weatherman and RAF's strong similarities and the reasons why radicals in different settings developed a shared set of values languages and strategies Addressing the relationship of historical memory to political action Varon demonstrates how Germany's fascist past influenced the brutal and escalating nature of the West German conflict in the 60s and 70s as well as the reasons why left wing violence dropped sharply in the United States during the 1970s Bringing the War Home is a fascinating account of why violence develops within social movements how states can respond to radical dissent and forms of terror how the rational and irrational can combine in political movements and finally how moral outrage and militancy can play both constructive and destructive roles in efforts at social change **Official Gazette of the United States Patent and Trademark Office**, 1995 Commerce Business Daily, 1999-03 United States Government Publications Monthly Catalog, 1940 **QST.**, 1969 Catalog of Publications - Defense Mapping Agency Hydrographic Center United States. Defense Mapping Agency. Hydrographic Center, 1974 Catalog of Publications United States. Defense Mapping Agency. Hydrographic Center, 1974 The New Sporting Magazine, 1838 **Aquatic Sciences and Fisheries Abstracts**, 1988 *Special Report - Transportation Research Board, National Research Council*, 1982 **Early New England** David A. Weir, 2005 The idea of covenant was at the heart of early New England society In this singular book David Weir explores the origins and development of covenant thought in America by analyzing the town and church documents written and signed by seventeenth century New Englanders Unmatched in the breadth of its scope this study takes into account all of the surviving covenants in all of the New England colonies Weir's comprehensive survey of seventeenth century covenants leads to a more complex picture of early New

England than what emerges from looking at only a few famous civil covenants like the Mayflower Compact His work shows covenant theology being transformed into a covenantal vision for society but also reveals the stress and strains on church state relationships that eventually led to more secularized colonial governments in eighteenth century New England He concludes that New England colonial society was much more English and much less American than has often been thought and that the New England colonies substantially mirrored religious and social change in Old England
