The Crux of Theology Allen G. Jorgenson, Kristen E. Kvam, 2022-05-20 The title of this book plays upon the central place a theology of the cross holds in Lutheran theologies especially lucid in Luther's Heidelberg Disputation 1518 The 500th anniversary of this document coincided with the 70th anniversary of the Declaration of Human Rights by the United Nations wherein the preamble points to a global aspiration of a common good shaped by freedom justice and peace This book is located at the intersection of these two themes asserting that the cross has material content in being the means by which Christ in suffering solidarity with individuals communities and the cosmos advances freedom justice and peace Employing a variety of methods and exploring a broad range of geographic locales the contributors illumine the misuse of Reformation themes and offer a corrective in service of a common good that is publicly accountable and theologically sound

The book thereby explores how contemporary Lutheran theology has utility both for analyzing injustice and for advancing justice in local as well as global contexts

Controversies in Queer Theology Susannah Cornwall, 2011 An introduction to one of the most challenging areas of contextual theology Queer theology is a significant new development and central to much current teaching and thinking about gender sexuality and the body

Black Church Studies Stacey Floyd-Thomas, Juan M. Floyd-Thomas, Carol B. Duncan, Dr. Stephen G. Ray Jr., Nancy Lynne Westfield, 2007-11-01 Religious Studies Over the last thirty years African American voices and perspectives have become essential to the study of the various theological disciplines Writing out of their particular position in the North American context African American thinkers have contributed significantly to biblical studies theology church history ethics sociology of religion homiletics pastoral care and a number of other fields Frequently the work of these African American scholars is brought together in the seminary curriculum under the rubric of the black church studies class Drawing on these several disciplines the black church studies class seeks to give an account of the broad meaning of Christian faith in the African American experience Up to now however there has not been a single comprehensive textbook designed to meet the needs of students and instructors in these classes *Black Church Studies An Introduction* will meet that need Drawing on the work of specialists in several fields it introduces all of the core theological disciplines from an African American standpoint from African American biblical interpretation to womanist theology and ethics to sociological understandings of the life of African American churches It will become an indispensable resource for all those preparing to serve in African American congregations or to understand African American contributions to the study of Christian faith Looks at the diverse definitions and functions of the Black Church as well as the ways in which race class religion and gender inform its evolution Provides a comprehensive view of the contributions of African American Scholarship to the current theological discussion Written by scholars with broad expertise in a number of subject areas and disciplines Will enable the reader to relate the work of African American theological scholars to the tasks of preaching teaching and leading in local congregations Will provide the reader the most comprehensive understanding of African American theological scholarship available in one volume Stacey Floyd Thomas Brite Divinity School Juan Floyd Thomas Texas Christian University Carol B Duncan Wilfrid Laurier University Stephen G Ray Jr Lutheran Theological Seminary Philadelphia Nancy Lynne Westfield Drew University Theology Theology and Doctrine Contemporary Theology

Preaching and the Other Ronald J. Allen, 2008-11-01 Preaching and the Other introduces the reader to six major themes characteristic of the postmodern era that are important for preaching and explains their implications Themes discussed include perception as interpretation deconstruction otherness transgression pluralism and the importance of apologetics

Rape Culture and Spiritual Violence Gina Messina-Dysert, 2015-05-08 Rape Culture and Spiritual Violence examines sexual violence against women how religion and society contribute to a rape culture and the extreme suffering endured by rape victims as a result Using the testimony of women who have experienced both rape and the consequences of

rape culture from a range of religious cultural ethnic and social contexts the book explores both the suffering and healing of rape victims from World War II to today Among the issues considered are victim invisibility the inability to express pain and the tendency to assume shame and self blame The study examines the role of society in shaping and reinforcing these responses contributing to traumas that can lead to spiritual death The book also explores possibilities for multiple spiritual resurrections within the practice of daily life encouraging both individual healing and social change *Mestizaje* Nestor Medina ,2014-07-30 **The Colonized Apostle** Christopher D. Stanley, *Augustine and Contemporary Social Issues* Paul L. Allen,2022-07-27 This book focuses on applying the thought of Saint Augustine to address a number of persistent 21st century socio political issues Drawing together Augustinian ideas such as concupiscence virtue vice habit and sin through social and textual analysis it provides fresh Augustinian perspectives on new yet somehow familiar quandaries The volume addresses the themes of fallenness politics race and desire It includes contributions from theology philosophy and political science Each chapter examines Augustine s perspective for deepening our understanding of human nature and demonstrates the contemporary relevance of his thought *Men and Masculinities in Christianity and Judaism* Bjorn Krondorfer,2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men s privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study *Hyphenating Moses* Federico A. Roth,2017-06-06 Postcolonial biblical criticism took shape largely by critiquing the book of Exodus Because of the eventual dispossession of Canaanites in the conquest narratives so goes the thinking the Hebrews God amounts to little more than a dangerous destructive and ethnocentric figure In *Hyphenating Moses* Federico Alfredo Roth challenges this consensus by providing an alternative reading of its early narratives 1 1 3 15 Redeploying postcolonial theory and themes Roth presents a reading of these well known scenes as orbiting around the topic of identity formation climaxing in the burning bush episode In the giving of the name YHWH promotes the virtue of conceiving identity as a malleable reality to be sought after by all parties caught in the dehumanizing discourse of colonial subjugation *Mother Earth, Mother Africa and Biblical Studies* Berman, Sidney K.,Leshota, Paul L.,Dunbar, Ericka S.,Dube, Musa W.,2021-07-14 **Creating Resistances: Pastoral Care in a Postcolonial World** Melinda McGarrah Sharp,2019-10-01 Multiple forms of oppression injustice and violence today have roots in histories of colonialism This connection to the past feels familiar for some and less relevant for others Understanding and responding to these connections is more crucial than ever yet some resist rather than face this task directly Others resist oppressive postcolonial conditions Using intercultural stories and pastoral care scholarship this book charts pathways through five

resistances not me not here not now not relevant not possible to awaken creative pastoral care in a postcolonial world
McGarrah Sharp recommends practices that everyone can do believing in each other revisiting how histories are taught
imagining more passable futures heeding prophetic poets and crossing borders with healthy boundaries **Deconstructing Undecidability** Michael Oliver, 2020-02-06 Advancing current readings of the deconstructive work of Jacques Derrida
Deconstructing Undecidability critically explores the problematic nature of decision including the inherent exclusivity that accompanies any decision In discourses where a pursuit of justice or liberation from systemic oppression is a primary concern Michael Oliver argues for an appreciation of the inescapability of making limited difficult decisions for particular forms of justice Oliver highlights a similarly precarious predicament in the context of philosophical and religious negotiations of divine decision pointing to the impossibility of safely navigating this issue While wholeheartedly affirming the problem of exclusivity that inevitably accompanies decision this book offers a renewed sense of undecidability that highlights a mistaken illusory position of indecision as a reflection of power and privilege Ultimately this book aims to gain a greater appreciation for the complexity of the problem of decision in order to be more rigorous and transparent in our continued engagement with it The Routledge Companion to the Practice of Christian Theology Mike Higton, Jim Fodor, 2015-03-24 This Companion introduces readers to the practice of Christian theology covering what theologians do why they do it and what steps readers can take in order to become theological practitioners themselves The volume aims to capture the variety of practices involved in doing theology highlighting the virtues that guide them and the responsibilities that shape them It also shows that the description of these practices virtues and responsibilities is itself theological what Christian theologians do is shaped by the wider practices and beliefs of Christianity Written by a team of leading theologians the Companion provides a unique resource for students and scholars of theology alike
