The Routledge Handbook of Public Service Interpreting Laura Gavioli, Cecilia Wadensjö, 2023-01-31 The Routledge Handbook of Public Service Interpreting provides a comprehensive overview of research in public service or community interpreting. It offers reflections and suggestions for improving public service communication in plurilingual settings and provides tools for dealing with public service communication in a global society. Written by leading and emerging scholars from across the world, this volume provides an editorial introduction setting the work of public service interpreting (PSI) in context and further reading suggestions. Divided into three parts, the first is dedicated to the main theoretical issues and debates which have shaped research on public service interpreting; the second discusses the characteristics of interpreting in the settings which have been most in need of public service interpreting services; the third provides reflections and suggestions on interpreter as well as provider training with an aim to improve public service interpreting services. This Handbook is the essential guide for all students, researchers and practitioners of PSI within interpreting and translation studies, medicine and health studies, law, social services, multilingualism and multimodality.

New Prospects and Perspectives for Educating Language Mediators Donald C. Kiraly, Karin Maksymski, Silvia Hansen-Schirra, 2013

Translating for the Community Mustapha Taïbi, 2017-11-15 Written by translation practitioners, teachers and researchers, this edited volume is a much needed contribution to the under-researched area of community translation. Its chapters outline the specific nature and challenges of community translation, e.g. language policies, language variation within target communities, literacy levels, quality standards, training, and the relationship between community translation as a professional practice and volunteer or crowd-sourced translation. A number of chapters also provide insights into the situation of community translation and initiatives taking place in different countries, e.g. Australia, South Africa, Spain, the USA or the UK. The book is of interest to translation practitioners, researchers and trainers, particularly those working or interested in the specific field of community translation, as well as to translation students on undergraduate, postgraduate or further education courses covering translation in general or community translation in particular.

Technology and Interpreting Cheung Andrew K.F., Dechao Li, Kanglong Liu, Riccardo Moratto, 2025-09-25 Offering a thorough exploration of the rapid advancements in technology development for interpreting, this book explores the effects of technology on the practice of interpreting, providing theoretical insights and practical applications. The chapters underscore the interdisciplinary nature of interpreting in the digital age and cover a wide range of topics from online learning environments for trainee interpreters and ethical considerations to the application of specific digital tools in language interpretation. It covers the application of advanced language models in interpreting, the pedagogical implications of technology in interpreter training, as well as the cognitive aspects of interpreting in a technologically advanced environment. The authors integrate insights from technology, linguistics, education and cognitive science to provide a comprehensive understanding of how technology influences interpreting. This interdisciplinary approach

allows the book to provide a holistic view of the field making it a valuable resource for readers from various disciplines interested in the interplay between technology and interpreting This book serves as a platform for discussing and debating new thoughts on the teaching and training of interpreting and the delivery of interpreting services Delving into the new paradigms of interpreting studies that have emerged in the wake of technological advancements this book will be invaluable to students studying interpreting or related fields researchers investigating the impact of technology on interpreting and practitioners in the field who are keen to understand and leverage the latest technological advancements

Professional Interpreting Programmes in China Yinying Wang, 2023-07-07 Wang presents the status quo of curriculum development in professional interpreting programmes in China and points to the urgency to devise a curriculum improvement model to ensure the relevance of such programmes against a changing reality She covers the European experience in interpreter education that China can learn from and discusses opportunities arising from previous examples for China to iterate upon in the context of the broader and more diverse professional reality The book puts the nature of professional interpreters and in turn interpreting programmes under the concurring lens of curriculum studies and the sociology of professions Wang identifies eight stakeholders which call for changes in interpreting programmes and six categories of competence or sub competence which see a progression from undergraduate to graduate and lifelong learning stage These serve as curriculum goals and encapsulate the recommended changes in institutional curricula The conceptualised model is then described with a case study on Chinese English retour training to show its applicability and relevance in interpreting programmes on the ground Offering insight for academics practitioners and trainee interpreting students and of relevance to a broader interpreting community looking to set up or reform interpreting curricula Wang s book will help ensure curriculum improvement that is theoretically sound and practically viable

The Routledge Handbook of Spanish Translation Studies Roberto Valdeón, África Vidal, 2019-05-28 Written by leading experts in the area The Routledge Handbook of Spanish Translation Studies brings together original contributions representing a culmination of the extensive research to date within the field of Spanish Translation Studies The Handbook covers a variety of translation related issues both theoretical and practical providing an overview of the field and establishing directions for future research It starts by looking at the history of translation in Spain the Americas during the colonial period and Latin America and then moves on to discuss well established areas of research such as literary translation and audiovisual translation at which Spanish researchers have excelled It also provides state of the art information on new topics such as the interface between translation and humour on the one hand and the translation of comics on the other This Handbook is an indispensable resource for postgraduate students and researchers of translation studies

Teaching Translation LAWRENCE VENUTI, 2016-08-05 Over the past half century translation studies has emerged decisively as an academic field around the world and in recent years the number of academic institutions offering instruction in translation has risen along with an increased demand for translators

interpreters and translator trainers Teaching Translation is the most comprehensive and theoretically informed overview of current translation teaching Contributions from leading figures in translation studies are preceded by a substantial introduction by Lawrence Venuti in which he presents a view of translation as the ultimate humanistic task an interpretive act that varies the form meaning and effect of the source text 26 incisive chapters are divided into four parts covering certificate and degree programs teaching translation practices studying translation theory history and practice surveys of translation pedagogies and key textbooks The chapters describe long standing programs and courses in the US Canada the UK and Spain and each one presents an exemplary model for teaching that can be replicated or adapted in other institutions Each contributor responds to fundamental questions at the core of any translation course for example how is translation defined What qualifies students for admission to the course What impact does the institutional site have upon the course or pedagogy Teaching Translation will be relevant for all those working and teaching in the areas of translation and translation studies Additional resources for Translation and Interpreting Studies are available on the Routledge Translation Studies Portal
