**Handbook on the Wisdom Books and Psalms** Daniel J. Estes, 2010-01-01 This valuable resource introduces readers to the Old Testament books of wisdom and poetry Job Psalms Proverbs Ecclesiastes and Song of Songs and helps them better understand each book's overall flow Estes summarizes some of each book's key issues offers an exposition of the book that interacts with major commentaries and recent studies and concludes with an extensive bibliography Now in paperback

*Interpreting the Wisdom Books* Edward Curtis, 2017 The Wisdom Literature of the Bible Job Psalms Proverbs Ecclesiastes and Song of Songs is filled with practical principles for everyday life While some Christians are deterred by the pragmatic character of these matter of fact guidelines they are as integral to God's purposes for His people as the explicitly theological material that dominates other parts of Scripture The Wisdom books tie these two streams of God's revelation together in a way that enriches and strengthens the church It is a thorough resource for pastors and teachers to help them navigate the sometimes bewildering waters of the Wisdom Literature

*The Great Beyond* Richard Bradbury, 2018-08-02 Society is waking up to the notion that equality between the sexes extends beyond words and into action This means equal pay for doing the same job regardless of gender It means equal opportunities to study and progress in any career regardless of any preconceptions concerning whether the job is appropriate for a person This new awakening is beginning to open up new vistas of possibility and we are seeing women entering and thriving in areas that were previously male strongholds such as football and engineering On theological grounds the church is instinctively conservative because it is supposed to uphold God's standards rather than be influenced by the world That has meant that leadership has remained largely male particularly in the evangelical sectors of the church Whilst we have seen some of the more traditional denominations open the way for women to become priests bishops moderators etc the evangelical church has largely clung to an ideal of male leadership In this book Richard Bradbury challenges the position of the evangelical church and in particular the New Churches with respect to female leadership Arguing from the basis of Biblical exegesis as well as sociological evidence he presents a compelling case for allowing and enabling women to rise up into their God-given gifting and calling without any restrictions

*The Interface between Intercession and Holiness* Hermann Yokoniah Mvula, 2024-02-02 This book offers a critical understanding of the interface between holiness and intercession The author reflectively narrates some of the

selected biblical personalities and how holy living was exemplified in their interceding for others. Critically the book argues that holiness in its intrinsic nature is about intercession for others. From the Old Testament to the New Testament holiness is all about intercession as has been ably demonstrated in this book starting with Abraham, Moses, David, and Solomon and going all the way to Jesus Christ who sits on the right hand of God interceding for us.

**A Guide to Biblical Commentaries and Reference Works** John F. Evans, 2016-05-03. A Guide to Biblical Commentaries and Reference Works by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness, especially for evangelical interpreters of the Bible. A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.

Hebel, Joy, and the Fear of God Ryan Ball, 2025-04-25. Is life vanity? Does time erase our meaning? Are the evils of society and one's lot inescapable? Are we consigned to scavenge for scraps of enjoyment in our fleeting existence? In the end, does anything even matter? With refreshingly brutal honesty, Qoheleth, the primary speaker in the book of Ecclesiastes, delves into life's difficulties, evils, and mysteries. But he does not stay there. In Hebel, Joy, and the Fear of God, Ryan Ball investigates Qoheleth's primary motifs and demonstrates a narrative progression in which Qoheleth's failed endeavors become the context for his instruction for life. Succumbing neither to a meaningless existence nor to a hedonistic resignation, Qoheleth offers hard-earned wisdom rooted in his inherited wisdom tradition and covenantal faith. In a striking and welcome departure from the majority of scholarship, this book offers a Qoheleth that complements the rest of the Old Testament writers as he stands in the canon as a faithful witness.

The Ways of the Leader Bill Mowry, 2023-10. Leaders, are you feeling overwhelmed in this post-pandemic world? The one-size-fits-all approaches no longer work. You need creative strategies based on godly wisdom that bring people together and break new ground. In The Ways of the Leader, Bill Mowry unpacks four competencies for everyday leaders in churches, ministries, communities, and businesses. To generate wisdom as a leader, you must become a lifelong learner who views your life and leadership as God's classroom for discovery, a collaborator who engages people to explore, create, and implement new approaches, a cultural detective who examines assumptions and values where you lead and live, and a ministry innovator who discovers solutions that are crafted to the specific needs of your community. Rise up against the chaos of today as you nurture the wisdom to choose what is good, what brings life and nourishes people, and right what is just and fair, and impact those right where you are with practical solutions.

**Faith Without Illusions** Andrew Byers, 2011-02-28. Cynicism has become almost a cliché. It pervades the culture and threatens to derail faith. Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith, but he goes beyond that to help struggling cynics channel their frustrations into the

redemptive vocations found in the Bible the prophet the sage the tragic poet These all find their fulfillment in Jesus and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling hopeful realism **God's Relational Presence** J. Scott Duvall, J. Daniel Hays, 2019-11-19 Two leading biblical scholars and bestselling authors offer a fresh approach to the question of the unity of the whole Bible This book shows that God's desire to be with his people is a thread running from Genesis through Revelation Duvall and Hays make the case that God's relational presence is central to the Bible's grand narrative It is the cohesive center that drives the whole biblical story and ties together other important biblical themes such as covenant kingdom glory and salvation history *The Bible and the Public Square* Hermann Mvula, 2024-02-18 For too long Africa has presented a conundrum as its profound reception of the Bible is juxtaposed with a public life that often seems devoid of biblical values In this highly original analysis Mzee Hermann Mvula boldly seeks to bridge this ugly chasm by showing what biblical teaching can mean for many different aspects of social and political life Kenneth R Ross Professor of Theology and Dean of Postgraduate Studies Zomba Theological University [The World and the Word](#) Eugene H. progress beginning with the question of who may ascend the holy hill and culminating in the divine king's own ascent. They also display recursion as themes in one psalm are developed in its chiasmic parallel. At the peak of the chiasm is Psalm 19 where the king praises God's creation and Torah and prays for righteousness. The Arrival of the King establishes and explores the rewards of approaching the Psalms as a carefully arranged literary work. Old Testament Introduction Michael P. V. Barrett, 2025-09-17 Interpret with clarity and preach with conviction. Dr. Michael Barrett blends scholarly rigor with practical applications, calling his approach a new book from an old school perspective. His Old Testament Introduction will become an essential tool for students, pastors, and Bible teachers who seek exegetical precision and impactful insights. Forged by a seasoned evangelical scholar with decades in the classroom and the pulpit, Dr. Barrett's work stands on this bedrock conviction: Scripture is God's inspired Word. From that foundation, readers are equipped to tackle critical theories while understanding the timeless relevance of the Old Testament for Christians today. **A Commentary on the Psalms** Allen P. Ross, Brilliant commentary on the most cherished book of the Bible. **Biblical Leadership** Benjamin K. Forrest, Chet Roden, 2017-11-28 Biblical Leadership takes the best of evangelical scholarship to make the leadership lessons of Scripture tangible for today's readers. All contributors are biblical scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein. This volume walks through the sections of the Bible, gleaned insights from each biblical writer. Every chapter analyzes the original setting of the writing, extrapolates the leadership principles in the text, and provides advice on applying that theology of leadership. Presented in everyday language, understandable to both professionals and practitioners, these lessons will equip current and upcoming leaders to make a Christlike impact.
