Hard Living On Clay Street Portraits Of Blue Collar Families:

Hard Living on Clay Street Joseph T. Howell, 1985-06 This book chronicles the lives of two neighboring families of Howell's as he was part of a team of researchers whose primary objective was to study a lower income white working class community *Hard Living on Clay Street* Joseph T. Howell, 1972 **One of the Children** William G.

Hawkeswood, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996 **Social Poverty** Sarah Halpern-Meekin, 2019-06-04 How

low income people cope with the emotional dimensions of poverty Could a lack of close meaningful social ties be a public rather than just a private problem In *Social Poverty* Sarah Halpern Meekin provides a much needed window into the nature of social ties among low income unmarried parents highlighting their often ignored forms of hardship Drawing on in depth interviews with thirty one couples collected during their participation in a government sponsored relationship education program called Family Expectations she brings unprecedented attention to the relational and emotional dimensions of socioeconomic disadvantage Poverty scholars typically focus on the economic use value of social ties for example how relationships enable access to job leads informal loans or a spare bedroom However Halpern Meekin introduces the important new concept of social poverty identifying it not just as a derivative of economic poverty but as its own condition which also perpetuates poverty Through a careful and nuanced analysis of the strengths and limitations of relationship classes she shines a light on the fundamental place of core socioemotional needs in our lives Engaging and compassionate *Social Poverty* highlights a new direction for policy and poverty research that can enrich our understanding of disadvantaged families around the country *One Nation, Underprivileged* Mark Robert Rank, 2004-04-01 Despite its enormous wealth the

United States leads the industrialized world in poverty *One Nation Underprivileged* unravels this disturbing paradox by offering a unique and radically different understanding of American poverty It debunks many of our most common myths about the poor while at the same time provides a powerful new framework for addressing this enormous social and economic problem Mark Robert Rank vividly shows that the fundamental causes of poverty are to be found in our economic structure and political policy failures rather than individual shortcomings or attitudes He establishes for the first time that a significant percentage of Americans will experience poverty during their adult lifetimes and firmly demonstrates that poverty is an issue of vital national concern Ultimately Rank provides us with a new paradigm for understanding poverty and outlines an innovative set of strategies that will reduce American poverty *One Nation Underprivileged* represents a profound starting point for rekindling a national focus upon America's most vexing social and economic problem **A Case for the Case**

Study Joe R. Feagin, Anthony M. Orum, Gideon Sjoberg, 2016-08-01 Since the end of World War II social science research has

become increasingly quantitative in nature A Case for the Case Study provides a rationale for an alternative to quantitative research the close investigation of single instances of social phenomena The first section of the book contains an overview of the central methodological issues involved in the use of the case study method Then well known scholars describe how they undertook case study research in order to understand changes in church involvement city life gender roles white collar crimes family structure homelessness and other types of social experience Each contributor confronts several key questions What does the case study tell us that other approaches cannot To what extent can one generalize from the study of a single case or of a highly limited set of cases Does case study work provide the basis for postulating broad principles of social structure and behavior The answers vary but the consensus is that the opportunity to examine certain kinds of social phenomena in depth enables social scientists to advance greatly our empirical understanding of social life The contributors are Leon Anderson Howard M Bahr Theodore Caplow Joe R Feagin Gilbert Geis Gerald Handel Anthonly M Orum Andree F Sjoberg Gideon Sjoberg David A Snow Ted R Vaughan R Stephen Warner Christine L Williams and Norma Williams

Singlewide Sonya Salamon, Katherine MacTavish, 2017-10-15 In Singlewide Sonya Salamon and Katherine MacTavish explore the role of the trailer park as a source of affordable housing America's trailer parks most in rural places shelter an estimated 12 million people and the authors show how these parks serve as a private solution to a pressing public need Singlewide considers the circumstances of families with school age children in trailer parks serving whites in Illinois Hispanics in New Mexico and African Americans in North Carolina By looking carefully at the daily lives of families who live side by side in rows of manufactured homes Salamon and MacTavish draw conclusions about the importance of housing community and location in the families dreams of opportunities and success as signified by eventually owning land and a conventional home Working poor rural families who engage with what Salamon and MacTavish call the mobile home industrial complex may become caught in an expensive trap starting with their purchase of a mobile home A family that must site its trailer in a land lease trailer park struggles to realize any of the anticipated benefits of homeownership Seeking to break down stereotypes Salamon and MacTavish reveal the important place that trailer parks hold within the United States national experience In so doing they attempt to integrate and normalize a way of life that many see as outside the mainstream suggesting that families who live in trailer parks rather than being trailer trash culturally resemble the parks neighbors who live in conventional homes

Metal Scrappers and Thieves Benjamin F. Stickle, 2017-07-19 This book explores the little known world of scrappers and metal thieves Benjamin F Stickle bases his study on field research collected while traversing communities with thieves and scrappers Drawing on candid interviews observations of criminals at work and participation in the scrapping subculture the volume describes the subculture of scrappers and identifies differences between scrappers and metal thieves Through the offenders perspective often quoting their candid responses Stickle explores the motivations for metal theft as well as the techniques and methods for successfully committing theft The book discusses how

these methods and techniques are learned and identifies ways often through the thieves own words to prevent metal theft Throughout the book Stickle also challenges common assumptions about this community and identifies wider policy implications

Jamaican Speech Forms in Ethiopia Rosanna Masiola, 2015-04-01 This book is the first systematic cross disciplinary survey on the use of Jamaican English in Ethiopia describing the dynamics of language acquisition in a multi lectal and multicultural context It is the result of over eight years worth of research conducted in both Jamaica and Africa and is a recognition of the trans cultural influence of the Repatriation Movement and other diasporic movements The method and materials adopted in this book point to a constant spread and diffusion of Jamaican culture in Ethiopia This is reinforced by the universalistic appeal of Rastafarianism and Reggae music and their ability to transcend borders The data gathered here focus on how an Anglophone based Creole has developed new speech forms and has been hybridized and cross fertilized in contact situations and by new media sources The book focuses on the use of Jamaican English in four particular domains namely school street family and the music studio Its findings are drawn from an exceptional range of sources such as field work and video recordings interviews web mediated communication artistic performance and relevant transcriptions These sources highlight five topics of relevance language acquisition and choice English and Jamaican speech forms hegemonic and minority groups Rastafarian culture and Reggae music which are explored in further detail throughout the book These salient features in turn interface with the dynamics of influencing factors reinforcing circumstances significance and change The book represents a journey to the extreme outer circle of English language use following a circular route away from Africa and back again with all the languages used and lost along the slavery route and inside the plantation complex developing into creolized speech forms and Creoles Such language use is now making its way back to Africa with all the incendiary creativity of Reggae and resonant with Rastafarian language

When Older Women Speak Ester Carolina Apesoa-Varano, Charles Varano, 2020-03-17 Studying the interaction of gender class race ethnicity and aging in the depression experience of older women provides a unique opportunity to understand how aging plays a significant role in shaping conceptions of self and emotional health trajectories for women Based on author interviews with mostly working class depressed elderly women this book contributes to the theoretical understanding of femininity and aging and the practical implications for policy and effective health care treatment Cultivating an alternative self can reduce older women s suffering and provide the emotional resources to change

their inner worlds even if the outer world stretches beyond their control Depression affects women twice as often as men Up to 40 percent of older adults respond poorly to depression treatment and depression is linked to higher morbidity and mortality rates and cognitive decline Older adults with depression have 50 percent higher health care costs yet depression is accurately recognized in less than one half of older adults in primary care While older men are more likely to die by suicide older women are two to three times more likely to attempt suicide and depression is the best predictor of suicide in older adults Latina and African American women have lower rates of depression treatment compared to non minority women From issues of health care access to the stigma of depression older Latinas and African American women are at an increased risk for untreated depression This book seeks to address some of the significant gaps in our knowledge of late life depression in women especially in ethnic minorities ranging from detection and efficacy of depression treatment to informal influences e g family on formal depression care seeking

Community Practice David A. Hardcastle, 2011-02-18 This fully revised classic text provides a comprehensive and integrated overview of the community theory and skills fundamental to all areas of social work practice

Beyond the Cubicle Allison J. Pugh, 2016-11-22 How does the insecurity of work affect us We know what job insecurity does to workers at work the depressive effect it has on morale productivity and pay We know less about the impact of job insecurity beyond the workplace upon people s intimate relationships their community life their vision of the good self and a good life This volume of essays explores the broader impacts of job precariousness on different groups in different contexts From unemployed tech workers in Texas to single mothers in Russia Japanese heirs to the iconic salaryman to relocating couples in the U S Midwest these richly textured accounts depict the pain defiance and joy of charting a new unscripted life when the scripts have been shredded Across varied backgrounds and experiences the new organization of work has its largest impact in three areas in our emotional cultures in the interplay of social inequalities like race class and gender and in the ascendance of a contemporary radical individualism In *Beyond the Cubicle* job insecurity matters and it matters for more than how much work can be squeezed out of workers it shapes their intimate lives their relationships with others and their shifting sense of self Much more than mere numbers and figures these essays offer a unique and holistic vision of the true impact of job insecurity

Race, Gender, Sexuality, and Social Class Susan J. Ferguson, 2013 *Race Gender Sexuality and Social Class Dimensions of Inequality* edited by renowned researcher and scholar Susan Ferguson presents a contemporary and compelling overview of race ethnicity gender and social class issues in the United States today Taking an intersectional approach the book is organized topically rather than focusing on specific race ethnic subgroups The content is framed around the themes of identity experiences of race class gender or sexuality difference inequality and social change or personal empowerment with historical context threaded throughout to deepen the reader s understanding With engaging readings and cutting edge scholarship the collection is not only refreshingly contemporary but also relevant to students lives

Homegirls in the Public Sphere Marie "Keta" Miranda, 2010-01-01 Girls in gangs are usually treated as objects of

public criticism and rejection Seldom are they viewed as objects worthy of understanding and even more rarely are they allowed to be active subjects who craft their own public persona which is what makes this work unique In this book Marie Keta Miranda presents the results of an ethnographic collaboration with Chicana gang members in which they contest popular and academic representations of Chicana o youth and also construct their own narratives of self identity through a documentary film It s a Homie Thang In telling the story of her research in the Fruitvale community of Oakland California Miranda honestly reveals how even a sympathetic ethnographer from the same ethnic group can objectify the subjects of her study She recounts how her project evolved into a study of representation and its effects in the public sphere as the young women spoke out about how public images of their lives rarely come close to the reality As Miranda describes how she listened to the gang members and collaborated in the production of their documentary she sheds new light on the politics of representation and ethnography on how inner city adolescent Chicanas present themselves to various publics and on how Chicana gangs actually function

The Shadow Side of Fieldwork Athena McLean,Annette Leibing,2008-04-15 The Shadow Side of Fieldwork draws attention to the typically hidden or unacknowledged aspects of ethnographic fieldwork encounters that nevertheless shape the resulting knowledge and texts Addressing these invisible elusive unspoken or mysterious elements introduces a distinctive rigor and responsibility to ethnographic research Luminaries in anthropology dare to explore the unspeakable and invisible in the ethnographic encounter Considers personal and professional challenges ethical epistemological and political faced by researchers who examine the subjectivities inherent in their ethnographic insights Explores the value and limitations of addressing the personal in ethnographic research Includes a critical discussion of the anthropologist s self in the field Introduces imaginative rigor to ethnographic research to heighten confidence in anthropological knowledge
