Whitaker's Books in Print , 1998 *Paperbacks in Print* , 1974 Dam Busters James Holland, 2013-11-04 The story of the British made bombs Upkeep and Highball successfully dropped on Nazi dams has never been told in such depth before Daily Mail UK The night of May 16 1943 Nineteen specially adapted Lancaster bombers take off from an RAF airfield in Lincolnshire England each with a huge nine thousand pound cylindrical bomb strapped

underneath it Their mission to destroy three hydroelectric dams that power the Third Reich s war machine It was a suicide mission from the outset First the men had to fly extremely low at night and in tight formation over miles of enemy occupied territory Then they had to drop with pinpoint precision a complicated spinning cylindrical bomb that had never before been used operationally More than that the entire operation had to be put together in less than ten weeks in order to hit the dams when water levels were still high enough for the bombs to be effective The visionary aviation engineer Barnes Wallis hadn t even drawn up plans for his concept when the bouncing bomb was green lighted What followed was an incredible race against time that despite numerous setbacks became one of the most successful and significant bombing raids of all time Holland has delved into the new trove of declassified documents to shed light on this weapons program the politics of its development and the eventual mission The Wall Street Journal An impeccably researched work in the style of a fast paced techno thriller Publishers Weekly Extremely detailed but never dull Holland offers a definitive nuts and bolts history Kirkus Reviews A well written study of engineering and invention operating under great pressure For all World War II history buffs Library Journal starred review *The British National Bibliography* Arthur James Wells,1979 American Book Publishing Record ,1996-09 The Publishers' Trade List Annual ,1985 **Forthcoming Books** Rose Arny,2002-02 *Books in Print* ,1994 **Whitaker's Book List** ,1991 **Road and Track** ,1972 Whitaker's Cumulative Book List ,1984 **Cumulated Index to the Books** ,1999 *British Books in Print* ,1985 **The Publishers Weekly** ,1917 Autocar ,1998 **The Bookseller** ,1899 Publisher and Bookseller ,1899 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series
