*The Shattered Gourd* Okediji,2012-05 The Shattered Gourd uses the lens of visual art to examine connections between the United States and the Yoruba region of western Nigeria In Yoruba legend the sacred Calabash of Being contained the Water of Life when the gourd was shattered its fragments were scattered over the ground death invaded the world and imperfection crept into human affairs In more modern times the shattered gourd has symbolized the warfare and enslavement that culminated in the black diasporas The remembering of the gourd is represented by the survival of people of African origin all over the Americas and in this volume by their rediscovery of African art forms on the diaspora soil of the United States Twentieth century African American artists employing Yoruba images in their work have gone from protest art to the exploration and celebration of the self and the community But because the social economic and political context of African art forms differs markedly from that of American culture critical contradictions between form and meaning often appear in African American works that use African forms In this book the first to treat Yoruba forms while transcending the conventional emphasis on them as folk art focusing instead on the high art tradition Moyo Okediji uses nearly four dozen works to illustrate a broad thematic treatment combined with a detailed approach to individual African and African American artists Incorporating works by such artists as Meta Warrick Fuller Hale Woodruff Aaron Douglas Elizabeth Catlett Ademola Olugebefola Paul Keene Jeff Donaldson Howardena Pindell Muneer Bahaudeen Michelle Turner Michael Harris Winnie Owens Hart and John Biggers the author invites the reader to envision what he describes as the immense possibilities of the future as the twenty first century embraces the twentieth in a primal dance of the diasporas a future that heralds the advent of the global as a distinct movement in art beyond postmodernism *Doctrines and Practice of Hippocrates in Surgery and Physic* Hippocrates,Francis Riollay,1783 *Hippocrates Shattered* John Karr,2010-01 Andrew Raynorr M D was forced from his practice by a managed care corporation When he loses his family his vengeance turns deadly He creates a virus one that causes the body s own genes to unleash an explosive leukemia and targets managed care executives Bridget Devereaux a young intern at Chambers Hospital suspects something is strange about the strain of leukemia they are seeing in recent admissions it kills the patient within days Though she finds no support for her suspicions within the upper echelons of hospital management she researches the blood cancer and traces the catalyst back to Raynorr But Raynorr is aware Bridget has found him out and now not only her career but her very life is in jeopardy **Dionysalexandros** Douglas Cairns,Vayos Liapis,2006-12-31 In seventeen original essays a distinguished international cast considers the text interpretation and cultural context of Greek tragedy There are detailed studies of single plays of major themes in each of the three tragedians of modern approaches to tragic text and interpretation and of the genre s social religious and political background Some of tragedy s most distinguished interpreters here present their latest work and pay tribute to the scholarly achievements of the volume s honorand Professor A F Garvie *Breakthrough!* Jon Queijo,2010-02-25 Why are you alive right now Chances are

you owe your life to one of the remarkable medical discoveries in this book Maybe it was vaccines Or antibiotics Or X rays Revolutionary medical breakthroughs like these haven't just changed the way we treat disease they've transformed how we understand ourselves and the world we live in In *Breakthrough How the 10 Greatest Discoveries in Medicine Saved Millions and Changed Our View of the World* Jon Queijo tells the hidden stories behind history's most amazing medical discoveries This isn't dry history These are life and death mysteries uncovered tales of passionate often mocked individuals who stood their ground and were proven right From germs to genetics the ancient Hippocrates to the cutting edge these are stories that have changed the world and quite likely saved your life 24 Hours in Ancient Athens Philip Matyszak, 2019-04-18 During the course of a day we meet 24 ancient Athenians from all levels of society from the slave girl to the councilman the fish seller to the naval commander the housewife to the hoplite and get to know what the real Athens was like by spending an hour in their company **Discourses on the Nature and Cure of Wounds** John Bell, 1795 A Hippocratic Odyssey Suresh K Pandey, Vidushi Sharma, 2020-08-18 Do you want to transform your passion for becoming a doctor or successful medical professional into reality Can't wait to use your medical knowledge and skills to serve humanity While you may have an undying passion to help people at their most vulnerable times you might still find the thought of interacting and building a relationship with patients overwhelming If you can relate to the above this book will be a guiding light for you A Hippocratic Odyssey attempts to make it easier for aspiring medical professionals doctors and expert healthcare workers to treat their patients effectively by revealing some inspirational stories from the lives of doctor couple Suresh K Pandey and Vidushi Sharma A beautiful memoir the authors narrate their medical training at PGIMER Chandigarh AIIMS New Delhi USA and Australia They share the stories of their initial struggles overcoming hurdles and tackling life problems during their journey as medical professionals It also serves as a go-to book where the authors share tips and take home messages that will help medical students aspiring doctors and young medical professionals to stay focused and motivated during this long journey and guide them through the uncertainties and inspire them to become the best in their field *Knife in the Fast Lane* Bill Ribbons, 2020-11-02 Knife in the Fast Lane charts the history of care for sportspeople from the expert view of a doctor and orthopaedic surgeon with over 40 years experience Bill Ribbons gives you the inside track on the life of a surgeon operating on some of sport's biggest names From looking after world champions from eight different sports and Olympians with 27 medals between them to having his actions scrutinised by millions at Twickenham Bill's experiences are interwoven with fascinating surprising and controversial subjects from the annals of sports medicine The book explores the legal minefields and ethical dilemmas faced by medics in sport It deals with current issues like concussion depression drug taking and the dangers of sporting academies It also asks whether the enormous resources poured into elite medical care have really reduced harm to athletes or made them so fit fast and strong that it threatens their long-term health Hippocratic Recipes Laurence M. V. Totelin, 2009 Drawing on philological studies social history and anthropology this book offers the first

extended study of the recipes included in the Hippocratic Corpus It examines the links between oral and written traditions in the transmission of ancient pharmacological knowledge Hippocratic Lives and Legends Jody Rubin Pinault,2018-07-17 Hippocratic Lives and Legends examines the ideal of the ancient physician and processes of biographical fiction that shaped the legend of Hippocrates Focusing on three stories in particular how Hippocrates cured the plague Hippocrates detection of King Perdiccas lovesickness and Hippocrates refusal to serve Artaxerxes King of Persia J R Pinault traces the development of these legends from their Hellenistic origins to the end of antiquity and into the Islamic world In addition Hippocrates Lives and Legends will prove a useful reference work J R Pinault brings together in a convenient format the classical biographies of Hippocrates and the principal Arabic lives translated here for the first time Each text is discussed in detail and the Greek and Latin texts of the classical lives are made available in the appendices Medicine and the American Revolution Oscar Reiss, M.D.,2015-09-17 Nearly nine times as many died from diseases during the American Revolution as did from wounds Poor diet inadequate sanitation and sometimes a lack of basic medical care caused such diseases as dysentery scurvy typhus smallpox and others to decimate the ranks Scurvy was a major problem for both the British and American navies while venereal diseases proved to be a particularly vexing problem in New York Respiratory diseases scabies and other illnesses left nearly 4 000 colonial troops unable to fight when George Washington s troops broke camp at Valley Forge in June 1778 From a physician s perspective this is a unique history of the American Revolution and how diseases impacted the execution of the war effort The medical histories of Washington and King George III are also provided *Genetics - I* Mr. Rohit Manglik,2024-04-06 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

Eight Chirurgical Treatises Richard Wiseman,1705 The principles of surgery, in two volumes John Bell,1806 **The Tenth Nerve** Dr. Chris Honey,2023-08-29 Combining a humane perspective lively anecdotes and a deep curiosity about the uncharted territories of the human brain The Tenth Nerve is a richly fascinating memoir that will fill you with wonder The scalpel can only go so deep and technical skill can only take one so far In this absorbing narrative Dr Chris Honey an accomplished neurosurgeon at Vancouver General Hospital weaves his personal journey together with case studies that reflect the thrill of scientific discovery and the limitations of medicine Operating on a terminally ill child amid an Ebola outbreak in Liberia he questions his preconceptions about what it means to win against a disease Reflecting on his own path into neurosurgery he brings to life a relatively new high stakes field of medicine one that historically demanded emotional detachment and often attracts extreme personalities With a compassionate eye he traces the courage and determination of several patients suffering from mysterious unrecognized illnesses and invites us into the operating room with Dr Honey and his team to witness the extraordinary discovery involving the tenth cranial nerve of an entirely new disease and its cure And

outside the OR an unusual friendship with a former patient alters his perspective on clinical detachment and what quality of life really means Riveting and dramatic The Tenth Nerve offers a rare window into the world of a pre eminent neurosurgeon and seven exceptional patients that made him a better doctor The Principles of Surgery ... Illustrated by One Hundred and Sixty Plates John BELL (Surgeon.),1815 **The Hippocratic Oath and the Ethics of Medicine** Steven H.

Miles,2005-06-02 This short work examines what the Hippocratic Oath said to Greek physicians 2400 years ago and reflects on its relevance to medical ethics today Drawing on the writings of ancient physicians Greek playwrights and modern scholars each chapter explores one passage of the Oath and concludes with a modern case discussion This book is for anyone who loves medicine and is concerned about the ethics and history of the profession *The Fallen Valkyrie Duet* J.E.

Taylor,2023-12-04 A fallen Valkyrie A Fae Wraith hybrid Enemies become allies to survive a god s wrath Odin s Order to reap an innocent soul from Earth makes me question everything I have ever known as a Valkyrie Protecting the innocent is our basis for existing and now I must decide Do I blindly follow his order If I don t I will be just another casualty in Odin and Thor s destruction of the realms Anyone who challenges their rule dies a very public death regardless of their origins And now they have enslaved Earth Reyfyre a fae wraith hybrid and one of Asgard s enemies has been hiding in this realm his entire life When he finds me he offers asylum as long as I help him kill Odin and Thor With everything they have done how can I refuse When a bounty is placed on my head we make the decision to leave Reyfyre s mountain sanctuary and head to New York to get lost in the city of millions But the trek across the Canadian wilderness brings us face to face with hidden refugees predators and thieves There s no other option but to survive If we die then there will be no one left to stop the callous gods before they destroy the only realm left But are we strong enough to take down a god If you like dark twists on Norse Mythology you will love the Fallen Valkyrie duet AFTER THE HIPPOCRATIC OATH Richard A. Dunsmore and Lillian D.

Dun,2006-03-23 Not since Victor Heiser published in1936 An American Doctor s Odyssey an account of his life as a horse and buggy doctor has the story of a medical career this time shared by physician spouses been so well told as in this volume by the Drs Dunsmores The reader is taken on a journey more exciting than a detective tale as the doctors make their rounds in their office in the hospital and not in frequently in patient s homes A house call which many people now consider an unproductive relic of the past may yield as many clues to the root causes of illness as elaborate testing procedures Adopting the tactics of say Sherlock Holmes and Miss Marple might be the only way to restore a severely depressed patient to robust health The Dunsmores worked to forge useful links between academic medicine with which they kept regularly in close touch and the practical aspects of supplying the best possible health care to the public In their encounter with patients other doctors and co workers the patient is always the focus of attention at first hand not through intermediaries as so often the case today when practices are managed by business men and the insurers

## **Hippocrates Shattered Introduction**

In today's digital age, the availability of Hippocrates Shattered books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hippocrates Shattered books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hippocrates Shattered books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hippocrates Shattered versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hippocrates Shattered books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hippocrates Shattered books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hippocrates Shattered books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hippocrates Shattered books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hippocrates Shattered books and manuals for download and embark on your journey of knowledge?
