Society often celebrates this potentially harmful trait rather than understanding it as a psychological disorder. For Extreme Narcissists self absorbed characteristics result in destructive behavior that harms not only the individual but everyone around them. After thirteen years of being married Annabelle and Jeff have found we're just not that into us. Instead of giving up they've held their relationship together by ignoring conventional wisdom and fostering a lack of intimacy by using parenting as a competitive sport and by dropping out of couples therapy. The he said she said chronicle of their intense but loving marriage includes an unsentimental account of the medical odyssey that their family embarked upon after their infant son was diagnosed with VACTERL, a very rare series of birth defects. Annabelle and Jeff's unforgivingly raw uproariously funny story is sure to strike both laughter and terror in the hearts of all couples, not to mention every single man or woman who is contemplating the connubial state. Serving up equal parts sincerity and cynicism *You Say Tomato I Say Shut Up* is a laugh out loud must read for everyone who has come to realize that being in love can only get you so far. On Cohabitation He says Within days of Annabelle's arrival I became very aware that she demanded solitude and had the housekeeping habits of a feral animal. She says The guy had some sort of nudity radar. When I would take my clothes off for even a second Jeff would be in front of me cheering as if he'd scored box seats at Fenway Park. On Sex He says I want to have sex every day but Annabelle only wants to do it once a week. So we compromise we have sex once a week. She says Jeff says talking about money before you have sex is a turnoff but it's only a turnoff if you're talking about not having money. Talking about money before you have sex when you have money is actually a turn on. On Pregnancy He says For God's sake all I wanted to do was have sex without a condom for a little while now we were moments from bringing a new life into the world. She says My ass was expanding so fast it was like a Starbucks franchise. On every corner of my ass there was a new branch of ass opening up      **The Best American Sports Writing 2017** Rick Telander, Pat Jordan, Dave Sheinin, David Remnick, Kurt Streeter, Jesse Katz, Luke Cyphers, Alexis Okeowo, Ruth Padawer, Scott L.
