**Histology for Pathologists**, 2007      Histology for Pathologists Stacey E. Mills, 2012-07-16 A strong grounding in basic histology is essential for all pathologists However there had always been a gap between histology and pathology in which histologic information specifically for the pathologist was often lacking Histology for Pathologists deals with the microscopic features of normal human tissues from the perspective of the surgical pathologist This is the only text that uses human vs animal tissues for the histology It is the best reference in the literature for information on normal histology and as such is essential for all clinical pathologists Written by pathologists for pathologists the new edition updates the pathologist s understanding of normal histology up to date with the incremental advances made in the last five years The 3rd edition has become a classic purchased by virtually all residents beginning their pathology training as well as pathologists in practice The 4th edition builds on that substantial foundation The table of contents remains essentially the same with the exception of some changes in authorship      **Mills's Histology for Pathologists** Rhonda YANTISS, 2025-12-06      *Histology for Pathologists* S.
